PREFACE

The Mississippi Code of 1972, which became effective on November 1, 1973, is the culmination of nearly four years of effort on the part of the legislature, the attorney general's office and the publishers, which brings together provisions of general statutory law having a common subject matter into a more orderly and logical framework of code titles and chapters, and employing a modern and effective section numbering system. A major by-product of the code revision will be the state-owned magnetic computer tape containing the Mississippi Code of 1972, which will be of invaluable assistance to the legislature and to the state.

The enabling act for the code was a recommendation of the Mississippi State Bar, which resulted in the consideration and passage of Senate Bill 1964, Chapter 465, Laws of 1970, signed into law by Governor John Bell Williams.

The Code Committee provided for in that act was comprised of A. F. Summer, Attorney General, Heber Ladner, Secretary of State, Representative Edgar J. Stephens, Jr., Chairman, House Appropriations Committee, Senator William G. Burgin, Jr., Chairman, Senate Appropriations Committee, Representative H. L. Meredith, Jr., Chairman, House Judiciary "A" and Judiciary en banc Committees, Senator E. K. Collins, Chairman, Senate Judiciary "A" and Judiciary en banc Committees, Representative Ney McKinley Gore, Jr., Chairman, House Judiciary "B" Committee, and Senator William E. Alexander, Chairman, Senate Judiciary "B" Committee. In 1972, Representative Marby Robert Penton and Senator Herman B. Decell, Chairman of House and Senate Judiciary "B" Committees, respectively, became members of the Committee, replacing Representative Gore and Senator Collins, Senator Alexander having been appointed Chairman of Senate Judiciary "A" and Judiciary en banc Committees. The Deputy Attorney General, Delos H. Burks, served the Code Committee as Secretary. Special Assistant Attorney General Fred J. Lotterhos, under the supervision of the Attorney General, was assigned the principal responsibility for the supervision of the recodification, including the consideration and treatment of some 16,000 sections of code manuscript.

Final legislative approval was given to the Mississippi Code of 1972 by passage of Senate Bill 2034, Laws of 1972, which was signed by Governor William L. Waller on April 26, 1972. A copy of that act is set out in Volume 1, following the Publisher's Foreword.

The Code Committee is of the opinion that the recodification has been thoroughly and well accomplished, and will result in a greatly improved repository of the general statutory law of the state.

ADVANCE CODE SERVICE

Three times a year, at roughly quarterly intervals between delivery of Code supplement pocket parts, we publish the Mississippi Advance Code Service pamphlets. These pamphlets contain updated statutory material and annotations to Attorney General opinions, research and practice references, and recent court decisions construing the Code. Each pamphlet is cumulative, so that each is a "one-stop" source of case notes updating those in your Code bound volumes and pocket parts.

ADVANCE SHEETS

The Advance Sheets consist of a series of pamphlets issued in the spring. The series reproduces the acts passed by the Mississippi Legislature and

USER'S GUIDE

approved by the Governor during the legislative session. Features include tables showing the impact of legislation on sections of the Mississippi Code of 1972 Annotated, as well as a cumulative index. These pamphlets enable the user to receive a preview of approved legislation prior to supplement availability, and serve as an excellent source of legislative history.

AMENDMENT NOTES

Every time a Code provision is amended, we prepare a note describing the effect of the amendment. By reading the note, you can ascertain the impact of the change without having to check the former statute itself.

Amendment notes are retained in the Supplement until the bound volume is replaced, at which time notes from all but the last two years are deleted.

ANALYSES

Each title, chapter, and article appearing in a bound volume or supplement is preceded by an analysis. The analysis details the scope of the title, chapter, and article and enables you to see at a glance the content of the title, chapter, and article without resorting to a page-by-page examination in the bound volume or supplement.

ATTORNEY GENERAL OPINIONS

Opinions of the attorney general for the state of Mississippi have been read for constructions of Mississippi law. Notes describing the subject matter of the opinions have been placed under relevant code provisions under the heading "Attorney General Opinions." The citation at the end of each note refers to the person requesting the opinion, the date of the opinion, and the opinion number.

CODE STATUS

The Mississippi Code of 1972 Annotated is Mississippi's official code and is considered evidence of the statute law of the state of Mississippi (see § 1-1-8). The Code was enacted by Chapter 394 of the Laws of 1972, which was signed by the Governor on April 26, 1972.

The text of Chapter 394 is printed in Volume 1, on the pages following the Publisher's Foreword. In addition, Title 1, Chapters 1 through 5 of the Code contain statutes governing the status and construction of the Code.

COMPARABLE LEGISLATION FROM OTHER STATES

Notes to comparable legislation from other states appear for uniform laws, interstate compacts, statutory provisions pertaining to reciprocity and coop-

USER'S GUIDE

eration with other states, and various important statutes of general interest. Other states' statutes that are similar in subject matter and scope to those of Mississippi are cited, generally, under the first section of the chapter or article to which they pertain. Occasionally, comparable legislation pertains to only one section, in which case it is cited under that section rather than at the chapter or article level.

See also *Federal Aspects*.

COURT RULES

The Mississippi Court Rules are published separately by LexisNexis in a fully-annotated softcover volume, which is replaced annually and supplemented semi-annually.

The Court Rules volume contains statewide rules of procedure of the state courts, the local rules of the United States district courts and bankruptcy courts for Mississippi, and the rules of the United States Court of Appeals for the Fifth Circuit. Rules are received from the courts and are edited only for stylistic consistency. For further information, see the Preface to the Mississippi Court Rules volume.

CROSS REFERENCES

Cross references refer you to notes under other Code sections, which may affect a law or place it in context. Cross references also are used under repealed provisions to refer you to an existing law on a similar subject. Cross references do not cite all related statutes, however, since these can be identified by using the General Index.

See also *Comparable Legislation from other States and Federal Aspects*.

EDITOR'S NOTES

Editor's notes are notes prepared by the Publisher that contain information about important or unusual features of a law, or special circumstances surrounding passage of the law, that are not apparent from the law's text.

See also *Effective Dates*.

EFFECTIVE DATES

Absent a specific effective date provision within an act, Mississippi laws generally take effect upon approval date, which is the date the act is signed into law by the Governor. Acts affecting voting rights and procedures take effect on the date the United States Attorney General interposes no objection under § 5 of the Voting Right Act of 1965.

FEDERAL ASPECTS

Notes to federal legislation that is similar in subject matter and scope to the laws of Mississippi are referenced throughout the Code. In addition, the

USER'S GUIDE

Code contains the United States Code Service citation for any federal law that is referred to in a Mississippi statute by its popular name or by its session law designation.

See also *Comparable Legislation from other States*.

INDEX

The Code is completely indexed in two softcover Index volumes, which are updated and replaced annually. In addition, each volume of the Code is followed by its own index. As accurate and thorough as the Index is, your best defense against index wild goose chases is familiarity with indexing techniques. To that end, an explanatory Foreword to the Index appears in the first Index volume.

JOINT LEGISLATIVE COMMITTEE NOTES

Joint Legislative Committee notes are included in the Code to describe codification decisions made by the Mississippi Joint Legislative Committee on Compilation, Revision and Publication of Legislation. Examples of Committee actions that warrant the inclusion of a note are the integration of multiple amendments to a single Code section during the same legislative session, and the correction of typographical errors appearing in the Code.

JUDICIAL DECISIONS

Every reported case from the Supreme Court of Mississippi, the Court of Appeals of Mississippi, federal district courts for Mississippi, the federal Fifth Circuit Court of Appeals and the United States Supreme Court has been read for constructions of Mississippi law. These constructions are noted under pertinent sections of the statutes or Mississippi Constitution provisions, under the heading "Judicial Decisions." Where a decision has been reviewed by a higher court, subsequent judicial history and disposition is noted in the case note if such disposition has any bearing on the annotated material. Where two or more decisions state the same rule of law, the case citations are cumulated under one case note.

Case notes are grouped together under headings called "catchlines." The catchlines identify the basic subject matter of the case notes and assist the user in locating pertinent notes. Catchlines are numbered and arranged thematically, with "In general" first. Where there are two or more catchlines, an analysis, listing all the catchlines, precedes the annotations.

Frequently, statutes carry notes to cases that arose under earlier laws on the same subject. Case notes are retained so long as the editor believes the note will have some relevance under current law, though of course the relevance may be diminished by later changes in the law. These case notes appear under the heading "Decisions under former law."

ORGANIZATION AND NUMBERING SYSTEM

The Code is organized by titles, chapters, articles, subarticles, undesignated centered headings and sections. Analyses at the beginning of each title, chapter, article, and subarticle help you understand the internal arrangement of each Code unit (see *Analyses*).

Odd numbers are generally used for the numbering of titles, chapters and sections. Even numbers have been used for some chapters and sections so that a particular new chapter or section might be logically placed with other chapters and sections dealing with the same or similar subject matter. Similarly, the use of numbers with decimal points has been used for some sections in order that they may be inserted among other sections pertaining to the same subject.

The title, chapter, and section for each Code section is revealed by its section number. Thus, in the designation "§ 1-3-65," the first digit ("1") means the provision is in Title 1 ("Laws and Statutes"); the second ("3") indicates Chapter 3 ("Construction of Statutes"); and the last two digits ("65") mean the 65th section in that chapter ("Construction of terms generally").

Articles and subarticles are not reflected by section number designations.

Within sections, subsections and paragraphs usually are designated following this pattern: (1)(a)(i)1. or (1)(a)(i)A. A distinctive indention scheme is applied to suggest the relative value of each unit within this hierarchy.

PLACEMENT OF NOTES

Where a note pertains to a single statute section, it will of course be set out following that section. In many instances, however, a note applies equally to several statute section or to an entire chapter or article. If the pertinent sections are scattered, or few in number, the note will be duplicated for each section. But where the note applies to all or most of the sections in a chapter or article, we prevent the space-consuming repetition of notes by placing the note at the very beginning of the chapter or article. Look for these unit-wide notes between the title, chapter, or article analysis and the first section in that unit.

REPLACEMENT VOLUMES

The Code is periodically updated and streamlined by the replacement of volumes. Although a current set of the Code contains all currently applicable statutes, we encourage you to retain replaced volumes and their supplement pockets parts for historical reference.

RESEARCH AND PRACTICE REFERENCES

Citations to references in American Jurisprudence, American Jurisprudence Pleading and Practice, American Jurisprudence Proof of Facts, Ameri-

USER'S GUIDE

can Jurisprudence Trials, American Law Reports, First through Fifth Series, ALR Federal, Corpus Juris Secundum, various other treatises and practice guides, and Mississippi law journals are given under this heading, wherever the references appear to discuss the statute under which the citation appears, or a topic related to the statute. These citations are intended only to give you a starting point for your library research. The Mississippi law journals include Mississippi Law Journal and Mississippi College Law Review.

SOURCE NOTES

Each section of the code is followed by a brief note showing the acts of the legislature on which it is based, including the act that originally enacted the section and any subsequent amendments.

The source note follows the section text, preceding any other annotations for the section. Information in the source note is listed in chronological order, with the most recent information listed last. If a section has been renumbered, the former number will appear in the source note. References to comparable provisions in statutes also are listed.

The tables volume should also be consulted when researching the history of a statutory section, since it contains cross reference tables that provide a statutory citation for each section of the session laws and the date each act went into effect.

STATUTE HEADINGS

Headings or “catchlines” for Code sections and subsections are generally created and maintained by the publisher. They are mere catchwords and are not to be deemed or taken as the official title of a section or as a part of the section. Your suggestions for the improvement of particular catchlines are invited.

TABLES

The Mississippi Code of 1972 Annotated contains several tables that can assist you in your research. These are published in the Statutory Tables volume of the Code, and include the following:

- Sections of the Code of 1930 carried into the Code of 1942.
- Sections of the Code of 1942 carried into the Code of 1972.
- Allocation of Acts of Legislature, 1931 — 1972.
- Allocation of Acts of Legislature, 1972 — present.
- Consolidated Tables of amendments and repeals of 1942 Code sections.
- Consolidated Tables of amendments and repeals of 1972 Code sections.

PUBLISHER'S FOREWORD

This 2001 Replacement Volume 18A of the Mississippi Code of 1972 Annotated represents material appearing in both the original 1973 bound volume and the 1996 Replacement Volume 18, as well as reflecting amendments, repeals, and new Code provisions enacted by the Mississippi Legislature through the 2001 Regular Legislative Session.

This volume contains the full text of Title 81, of the Mississippi Code of 1972 Annotated, as amended through the 2001 Regular Legislative Session.

Case annotations are included based on decisions of the State and federal courts in cases arising in Mississippi. Many of these cases were decided under the former statutes in effect prior to the enactment of the Code of 1972. These earlier cases have been moved to pertinent sections of the Code where they may be useful in interpreting the current statutes. Annotations to collateral research references are also included.

To better serve our customers by making our annotations more current, LexisNexis has changed the sources that are read to create annotations for this publication. Rather than waiting for cases to appear in printed reporters, we now read court decisions as they are released by the courts. A consequence of this more current reading of cases, as they are posted online on LexisNexis, is that the most recent cases annotated may not yet have print reporter citations. These will be provided, as they become available, through later publications.

This publication contains annotations taken from decisions of the Mississippi Supreme Court and the Court of Appeals with decision dates through May 1, 2001, and decisions of the appropriate federal courts with decision dates through May 8, 2001. These cases will be printed in the following reporters:

- Southern Reporter, 2nd Series
- United States Supreme Court Reports
- Supreme Court Reporter
- United States Supreme Court Reports, Lawyers' Edition, 2nd Series
- Federal Reporter, 3rd Series
- Federal Supplement, 2nd Series
- Federal Rules Decisions
- Bankruptcy Reporter

Additionally, annotations have been taken from the following sources:

- American Law Reports, 5th Series: through 80 A.L.R.5th
- American Law Reports, Federal Series: through 163 A.L.R.Fed
- Mississippi College Law Review: through Volume 20, No. 1, p. 211
- Mississippi Law Journal: through Volume 69, No. 2, p. 1243

Finally, published Opinions of the Attorney General and opinions of the Ethics Commission have been examined for annotations.

A comprehensive Index appears at the end of this volume.

Every bank organized under the laws of this state engaging in the business of a commercial bank, trust company or any combination thereof, is assessed for each year the sum of Seventy-five Dollars (\$75.00) and every such corporation whose total assets exceed One Hundred Thousand Dollars (\$100,000.00) shall further pay in addition to the minimum assessment of Seventy-five Dollars (\$75.00), Fifty Cents (50¢) for each One Thousand Dollars (\$1,000.00) or fraction thereof of assets in excess of One Hundred Thousand Dollars (\$100,000.00). He shall send to each such corporation a statement of the amount due by it, which shall specify how the same shall be payable. The assessment shall be due and payable in accordance with the statement so furnished and the installments thereof shall be paid within ten (10) days after the date fixed for their payment. Such assessment shall constitute a lien on the assets of each bank until paid. Any such corporation failing to make payment within ten (10) days as herein provided shall be liable to a penalty of ten percent (10%) of the amount in default for each day thereafter. All assessments and penalties provided in this section shall be payable to the commissioner and when collected by him shall be delivered to the State Treasurer to be placed to the credit of the maintenance fund of the department. The commissioner shall give a receipt for all money received by him and shall take a receipt from the State Treasurer for all money delivered to him. In making any call for the assessment levied by this section the commissioner shall estimate the cost of maintaining the department for the current year, and if the assessments hereby levied shall appear to produce more than such estimate, he shall reduce accordingly the Fifty Cents (50¢) per One Thousand Dollars (\$1,000.00) of assets assessment provided in this section. The cash balance remaining in the maintenance fund of the department at the end of any one (1) fiscal year shall be credited to and reduce the assessments of the following fiscal year on a pro rata basis.

§ 81-1-125. Commissioner to issue orders for supervisory control with regard to banks.

(1) Whenever the commissioner determines that a solvent bank is conducting its business in an unsafe or unsound manner, or in any fashion which threatens the financial integrity or sound operation of the bank, the commissioner may serve a notice of charges on the bank, requiring it to show why it should not be placed under supervisory control. Such notice of charges shall specify the grounds for supervisory control, and set the time and place for a hearing. A hearing before the commissioner pursuant to such notice shall be held within fifteen (15) days after issuance of the notice of charges.

(2) If, after the hearing provided above, the commissioner determines that supervisory control of the bank is necessary to protect the bank's members, customers, stockholders or creditors, or the general public, the commissioner shall issue an order taking supervisory control of the bank.

(3) If the order taking supervisory control becomes final, the commissioner may appoint an agent to supervise and monitor the operations of the

bank during the period of supervisory control. During the period of supervisory control, the bank shall act in accordance with such instructions as may be given by the commissioner, directly or through his supervisory agent, and shall not fail to act, except when to do so would violate an outstanding cease and desist order.

(4) Within one hundred eighty (180) days of the date the order taking supervisory control becomes final, the commissioner shall issue an order approving a plan for the termination of supervisory control. The plan may provide for:

- (a) The issuance by the bank of capital stock;
- (b) The appointment of one or more officers and/or directors;
- (c) The reorganization, merger or consolidation of the bank;
- (d) The dissolution and liquidation of the bank;
- (e) Other such measures as determined by the commissioner.

The order approving the plan shall not take effect until thirty (30) days after issuance during which time period an appeal may be filed in a court of competent jurisdiction.

(5) All costs of this proceeding shall be paid by the bank.

(6) For the purpose of this section, an order shall be deemed final if:

- (a) No appeal is filed within the specific time allowed for the appeal; or
- (b) All judicial appeals are exhausted.

(7) If a bank is insolvent, the provisions of Chapter 9 of Title 81, Mississippi Code of 1972, shall apply.

§ 81-1-127. Commissioner to issue notice of charges to employee who has participated in any violation.

Such notice shall specify the alleged conduct of such director, officer or employee and shall state the place for a hearing before the commissioner. A hearing shall be held no earlier than fifteen (15) days, but no later than thirty (30) days, after the notice of charges is served. If, after the hearing, the commissioner determines that the charges asserted have been proven by a preponderance of the evidence, the commissioner may issue an order removing the director, officer or employee in question. Such an order shall be effective

upon issuance and may include the entire board of directors or all of the officers of the bank.

(2) If it is determined that any director, officer or employee of any bank has knowingly participated in, or consented to, any violation of any law, rule, regulation or order, or engaged in any unsafe or unsound business practice in the operation of any bank, or any repeated violation of, or failure to comply with, any bank's bylaws, and that as a result, a situation exists requiring immediate corrective action, the commissioner may issue an order temporarily removing such person or persons pending a hearing. Such an order shall state its duration on its face and the words "Temporary Order of Removal" and shall be effective upon issuance for a period of fifteen (15) days. Such order may be extended once for a period of fifteen (15) days. A hearing must be held within ten (10) days of the expiration of a temporary order, or any extension thereof, at which time a temporary order may be dissolved or converted to a permanent order.

(3) Any removal pursuant to subsection (1) or (2) of this section shall be effective in all respects as if such removal has been made by the board of directors and the members or stockholders of the bank in question.

(4) Without the prior written approval of the commissioner, no director, officer or employee permanently removed pursuant to this section shall be eligible to be elected, reelected or appointed to any position as a director, officer or employee of that bank, nor shall such director, officer or employee be eligible to be elected to or retain a position as a director, officer or employee of any other state bank.

JUDICIAL DECISIONS

1. In general.
2. Invalidity of charter as defense.

1. In general.

Where a state banking board adopted a motion that a certain bank offer to the proponents of a new bank who have sought authority to incorporate in such town, 49 per cent of the presently outstanding capital stock of the certain bank at book value as of a certain date, and where the board recommended charter for new bank within 30 days if no agreement could be arrived at, the order was invalid as a conditional order, offer or judgment beyond the board's jurisdiction and power and the state banking department was the only legal entity authorized to make a final determination. *Oliphant v. Carthage Bank*, 224 Miss. 386, 80 So. 2d 63 (1955).

Where the state banking board entered a nunc pro tunc order granting a certificate of authority to incorporate a new bank in a certain town if the present bank in the town did not sell or offer to sell to the proponents of the new bank, 49 per cent of the presently outstanding capital stock, within 30 days from the previous order recommending the incorporation, the nunc pro tunc order was invalid on the ground that there was no notice to the present bank of the board's meeting at which the order was made. *Oliphant v. Carthage Bank*, 224 Miss. 386, 80 So. 2d 63 (1955).

2. Invalidity of charter as defense.

In suit by minority stockholders against directors for losses resulting from their negligence, directors cannot plead invalid-

ity of charter. *Boyd v. Applewhite*, 121 Miss. 879, 84 So. 16 (1920), modified, 123 Miss. 185, 85 So. 87 (1920).

Every banking corporation shall have at least five (5) directors, and before transacting any business its entire capital stock shall be paid in full in cash except as herein otherwise provided.

Any banking corporation, with the approval of the state comptroller, by amendment to its articles of incorporation approved by the affirmative vote of stockholders owning two-thirds ($\frac{2}{3}$) of the capital stock of the banking corporation entitled to vote, at a meeting setting forth the purpose thereof, may authorize an increase in the capital stock of the banking corporation in the category of authorized but unissued capital stock, either with or without preemptive rights, provided that the total authorized amount of such authorized but unissued capital stock shall not exceed fifteen percent (15%) of the amount issued and outstanding capital stock of such banking corporation entitled to vote on the amendment authorizing such authorized but unissued capital stock. Authorized but unissued capital stock may be issued, from time to time, as stock dividends or for such other purposes and considerations as may be approved by the stockholders, the board of directors of the banking corporation and by the state comptroller.

JUDICIAL DECISIONS

1. In general.

A bank was not authorized, under former Banking Act (§ 3786, Code 1930),

to accept a note in payment of a subscription for its capital stock, on the theory that a promissory note was commercial

paper, and that the capital of a bank might be in commercial paper. *Merchants Bank & Trust Co. v. Walker*, 192 Miss. 737, 6 So. 2d 107 (1942).

A statutory provision (Code 1942, § 5327) that a note, obligation or security given or transferred by a subscriber for stock in any corporation should not be

taken or held as payment for capital stock of the company was applicable to a note given to a bank in payment for shares of its capital stock, which had been authorized and issued after the corporation was organized and became a going concern. *Merchants Bank & Trust Co. v. Walker*, 192 Miss. 737, 6 So. 2d 107 (1942).

Am Jur. 3A Am. Jur. Legal Forms 2d, Banks §§ 38:131 et seq. (capital stock).

§ 81-3-11. Capital stock and surplus required.

(1) No banking corporation shall be permitted to operate in the State of Mississippi under the provisions of this chapter unless it has the minimum capital of Two Million Dollars (\$2,000,000.00) or any additional amounts required by the supervising federal regulatory agencies. However, this requirement of capital shall not apply to banks in operation in this state before July 1, 1994. At any time that the commissioner finds that an operating bank has an insufficient amount of capital, it shall be his duty to call upon such bank to restore the capital to an amount to be determined to be adequate to safeguard the depositors of the bank.

(2) For the purpose of strengthening its capital structure, every banking corporation organized under the laws of this state shall, except as otherwise provided herein, at the close of business each year set aside to the credit of a separate surplus account, to be denominated on its books "Earned Surplus," an amount not less than twenty-five percent (25%) of its net earnings, after providing for the payment of dividends on its preferred stock, if any, until the "Earned Surplus" account on its books shall amount to a sum equal to three (3) times the total of its common and preferred stock. However, any bank having at the close of the business year a ratio of total deposits to total capital, surplus and earned surplus not in excess of a ratio of Ten Dollars (\$10.00) of deposits to One Dollar (\$1.00) of total capital (such deposits to be the average of the deposits shown by all of the calls for the business year and such capital to include all stock, surplus and earned surplus) shall be required to set aside twenty-five percent (25%) of its earnings only to the extent necessary to cause its "Earned Surplus" account to equal its total capital. When such ratio of total deposits to total capital of any bank at the close of business any year does not exceed that specified above and the "Earned Surplus" account is equal to or more than the amount of its total capital, then such bank shall not be required to set aside twenty-five percent (25%) of its earnings for that year to the credit of its "Earned Surplus" account, but may so set aside any part of its earnings until its "Earned Surplus" account is equal to three (3) times its total capital. The net earnings of every bank set aside to its "Earned Surplus" account shall be exempt from all state, county, municipal, levee district and other ad valorem taxes. Every national banking association doing business in this state which

shall comply with the provisions hereof, shall be entitled to the same exemption from taxation on its earned surplus and to the same rights and privileges hereby given to state banks.

“Earned Surplus” as referred to in this chapter shall be construed to mean only the earned surplus account as shown on the books of the bank on the effective date of this chapter and such earnings as may thereafter be credited to such account. Surplus actually carried on the books of the bank on April 2, 1934, shall remain taxable, and if charged off for any purpose other than to transfer it to taxable common stock, it shall be restored either out of the earned surplus account or from earnings. But if the state comptroller, or in the case of a national bank, the comptroller of the currency, shall determine that on April 2, 1934, there were actually existing losses among the assets of a bank and that the surplus shown on the books of such bank was not actually worth the amount at which it was then being carried, he may issue his certificate to the bank showing the actual value of its surplus on April 2, 1934, and the bank may reduce the amount thereof to the actual value as shown by such certificate and shall not be required to restore it.

The paid-in surplus of any bank derived from sale of shares of its capital stock after January 1, 1961, shall be considered as earned surplus in an amount not to exceed the common stock and shall be treated as earned surplus for the purpose of ad valorem taxation.

In rendering the annual statement required by section 27-35-35, Code of 1972, banks may exclude from the value of their shares the total “earned surplus” as shown on their books, and such earned surplus shall not be taken into consideration by the assessing officers or equalizing authority, in arriving at the amount of the personal assessment.

Each member of the board shall be a citizen of the United States, a resident of the State of Mississippi and a qualified elector therein, of integrity and sound and nonpartisan judgment. Each member shall qualify by taking the oath of office and shall hold office until his successor is appointed and qualified.

(2) On March 21, 1980, the board shall be appointed as follows: The Governor shall appoint one (1) member from the Third Supreme Court District for a term of one (1) year, one (1) member from the Second Supreme Court District for a term of two (2) years, one (1) member from the First Supreme Court District for a term of three (3) years, one (1) member from the state at large for a term of four (4) years, and one (1) member from the state at large for a term of five (5) years. Upon the expiration of the foregoing terms, members shall be appointed by the Governor for terms of five (5) years. The Governor shall fill any vacancy in the above terms by appointment of a member for the unexpired term. All appointments shall be with the advice and consent of the Senate.

(3) The members of the board shall serve without compensation except that members shall be paid their actual and necessary expenses in connection with the performance of their duties as members of the board, including mileage, as authorized in Section 25-3-41, plus a per diem as is authorized by law while engaged in the performance of such duties. Such expenses, mileage and per diem allowance shall be paid out of the maintenance fund of the Department of Banking and Consumer Finance.

(4) If an application for authority to establish a bank, branch bank or branch office be filed with the commissioner for consideration from any municipality or county of which the member of the board who is a representative of the banks is a resident, or if such application is filed from any county in which the member's bank has a branch bank or branch office, such member shall be ineligible to serve in consideration and determination of such application, and the commissioner shall certify such fact to the Governor who shall thereupon appoint another banker from the same geographical location as the member who is ineligible to serve on the board in the place and stead of such member during consideration of such application.

(5) In addition to its other duties and powers, the board may adopt reasonable rules or regulations, consistent with applicable provisions of law, concerning the conduct of board meetings and hearings and all formal and informal board procedures relating to such meetings and hearings. The board shall have authority, with respect to its hearings or meetings, to determine the order and form in which evidence may be presented and to impose reasonable time limitations on presentation of evidence.

ALR. What is "branch bank" within statutes regulating establishment of branch banks. 23 A.L.R.3d 683.

§ 81-3-13. Certificate to incorporate and organize.

(1) Before any bank may be organized and formed, the prospective incorporators shall give notice to the Commissioner of Banking and Consumer Finance of their desire to engage in banking and apply for a certificate of authority to incorporate, and shall at the time file with the commissioner a

copy of the proposed articles of incorporation, duly sworn to by one (1) of the prospective incorporators. The commissioner shall promptly give consideration to the application and make an examination of the proposed articles of incorporation to determine if they meet all requirements of law. The commissioner shall then make an investigation of the number of parent banks, branch banks, branch offices and branch facilities, and location thereof then serving the area in which the proposed new bank is to be located, the ratio of capital funds to total deposits therein, the record of earnings and condition of existing banks and what effect, if any, a new unit bank would have on them, the number of previous bank failures in the area and their liquidation record and banking history generally in the area, the population of the area wherein the proposed bank will be located and relation to number of banks operating therein, reasonable prospects of growth of the area and its financial resources and whether the same are static, progressive or retrogressive, expectation of profitable operation of the proposed new bank, and the morals and business character of the prospective incorporators and such further investigation to determine whether the public necessity requires that the proposed new bank should be chartered and permitted to operate.

When the commissioner has completed the examination and made his investigation, he shall record his findings in writing and shall draw up his recommendations to the State Board of Banking Review, established in Section 81-3-12. At the request of the chairman, he shall thereupon, in writing, call a meeting of the board to give consideration to his findings and recommendations, such call to be issued at least ten (10) days in advance of the meeting. Such meetings shall be held within one hundred twenty (120) days from the date on which the prospective incorporators gave notice to the commissioner of their desire to engage in banking, applied for a certificate of authority to incorporate, and filed with the commissioner a copy of the proposed articles of incorporation. The commissioner shall at the same time give notice of the meeting of the board to the prospective incorporators of the proposed new bank and to any and all other interested persons and shall extend to them an invitation to be heard in writing or in person by the board.

The board, at its meeting, shall consider the findings and recommendations of the commissioner and shall hear such oral testimony as he may wish to give, and shall also receive information and hear testimony from the prospective organizers of the proposed bank and from any and all other interested persons bearing upon the public necessity for the organization and operation of the new bank.

After considering the record submitted to it by the commissioner and his oral testimony and considering such other information and evidence, either written or oral, which has come before it, the board shall decide if it has before it sufficient information and evidence upon which it can dispose of the application to form the new bank. If it is determined that evidence and information is not sufficient, then the board shall order the commissioner to secure such additional information and evidence as it may prescribe or shall request from the prospective incorporators and from other interested persons.

The board shall thereupon set a date for a future meeting to be held before the expiration of the aforementioned one hundred twenty (120) day time limit and shall give to the prospective incorporators and other interested persons notice of such meeting, and shall recess the meeting then being held until such future date. The board shall have and is hereby vested with the power to compel attendance of witnesses just as is the commissioner or examiner as provided for in Section 81-1-85, and all testimony given before said board shall be taken down and transcribed by a stenographer in the manner prescribed in Section 81-1-87.

If the board, or a majority thereof, shall determine that it has before it sufficient evidence and information upon which to base a decision, then it shall render a written opinion and decision in the matter within sixty (60) days after the conclusion of the final board hearing. If its decision is favorable, then the board shall order the commissioner to give to such prospective incorporators a certificate under his hand and official seal of the Department of Banking and Consumer Finance authorizing the prospective incorporators to proceed to incorporate and organize as is provided in Section 81-3-7.

When a certificate of incorporation is sought in order to effect the acquisition of an insolvent bank sold pursuant to the provisions of Chapter 9, Title 81, Mississippi Code of 1972, any constraints of time imposed by this subsection shall not apply if the commissioner determines that an emergency exists which requires expedition of the procedure for granting a certificate in order to protect the interests of the public and the interests of depositors and creditors of the insolvent bank.

(2) Appeal from unfavorable decision of State Board of Banking review. If the decision of the board, or a majority thereof, is unfavorable to the organization of the proposed new bank, it shall render a written opinion and decision giving its reason for rejection within sixty (60) days after the conclusion of the final board hearing in the matter, and the commissioner shall so advise the prospective incorporators, giving them a copy of the written decision and opinion of the board. If the prospective incorporators be aggrieved at the unfavorable decision of the board in denying a certificate authorizing them to proceed with the incorporation of the proposed new bank and the organization thereof, they shall have the right of appeal to the chancery court of the county in which the proposed bank shall be located, which appeal shall be taken and perfected within sixty (60) days from the date of the denial of such certificate. The denial of said certificate by the board shall be construed as a judicial finding and appealable as such. All such appeals shall be taken, perfected, heard and determined either in termtime or vacation, and such appeals shall be heard and disposed of promptly by the court. Appeals from the board shall be taken and perfected by the filing of a bond in the sum of Two Hundred Fifty Dollars (\$250.00), with two (2) sureties, or with a surety company qualified to do business in Mississippi as surety, conditioned to pay the costs of the appeal, the bond to be approved by the clerk of the chancery court, and such bond shall be payable to the state and may be enforced in its name as other judicial bonds filed in the chancery court, and judgment may be

entered upon such bonds and process and execution shall issue upon such judgments as provided by law in other cases. Appeals may be taken from the chancery court to the Supreme Court in the manner now provided by law. Upon approval of the bond by the clerk of the chancery court the clerk shall give notice to the commissioner of the appeal from the decision of the board, and it thereupon shall be the duty of the commissioner to promptly transmit to the clerk of the chancery court in which the appeal is pending the original or a certified copy of the application, proposed charter of incorporation, and his findings or decision thereon together with the opinion and decision of the board, including a transcript of pleadings and testimony, both oral and documentary, which shall be docketed by the clerk and shall be tried by the court. In perfecting such appeals, the provisions of law respecting notice to reporters and allowance of bills of exception, now or hereafter in force respecting appeals from the chancery court to the Supreme Court shall be applicable thereto. If the prospective incorporators of the proposed new bank shall prevail, a decree shall be entered requiring the issuance by the commissioner of the certificate authorizing applicants to incorporate and organize in the same manner as if the application therefor had been approved by the board, and the costs therein incurred shall be paid by the commissioner out of the maintenance fund of the Department of Banking and Consumer Finance. If, however, the action of the board be affirmed by the court, a decree shall be entered to that effect taxing costs of the proceedings to the applicants. The commissioner or the applicants shall have the right of appeal from the decision of the chancery court. During the time the cause is pending in the office of the commissioner or before the board or the court, the commissioner shall not issue a certificate to a subsequent applicant to incorporate and organize a new bank or authorize any bank then existing to establish a branch bank, or branch office within the area wherein the proposed new bank is to be domiciled, and neither shall he consent to the removal of the domicile of an existing bank from another place into the area where the proposed new bank will be domiciled. A cause shall not be considered as pending in the office of the commissioner or before the board if the prospective incorporators or their representative have only given notice to the commissioner of their desire to engage in banking and apply for a certificate of authority to incorporate, but have not filed with the commissioner a copy of the proposed articles of incorporation and other documents required by statute or administrative regulation.

If the decision of the board, or a majority thereof, is favorable to the organization of the proposed bank, it shall in like manner as above render a written opinion and decision within sixty (60) days after the conclusion of the final board hearing on the matter, and an appeal in the manner herein set forth shall be available to any interested organizations, person or persons who have participated in the proceedings and feel aggrieved by the decision of the board.

(3) Certificate to begin business. When a bank has been incorporated and the capital stock thereof has been paid in full, the incorporators shall notify the commissioner of such fact, whereupon the commissioner himself or through an examiner shall make a special examination of the proposed new bank and,

finding the capital stock to have been paid in full, he shall under his hand and seal of the Department of Banking and Consumer Finance issue to the bank a certificate authorizing it to commence business, and when such business has been commenced the bank shall notify the commissioner to that effect. Upon completion of such special examination, the bank shall pay to the Department of Banking and Consumer Finance as an assessment an amount sufficient to reimburse for the actual costs and expenses incurred during such special examination. The commissioner or examiner shall give a receipt therefor in duplicate, and the assessment shall be turned over by the Department of Banking and Consumer Finance to the State Treasurer for credit to the maintenance fund of the Department of Banking and Consumer Finance. The proposed new bank shall not transact any business except as is necessarily preliminary to its incorporation and organization until it has been authorized by the commissioner to begin business. However, in the event the board shall reject any application for a certificate of convenience and necessity, all costs incurred by this board in making a survey or holding a hearing on such application shall be borne by the petitioners.

(4) Expiration of certificate to incorporate and organize a bank. Notwithstanding the foregoing and any other provision of law to the contrary, if a bank has not been established and is not in operation within two (2) years from the date of the certificate to incorporate and organize such bank or within two (2) years from the date upon which any appellate litigation with respect to such certificate has been concluded, the certificate shall expire. Provided, however, the State Board of Banking Review may extend for good cause shown said two-year period a maximum number of two (2) times for periods not exceeding six (6) months each. This provision shall in no way affect certificates issued prior to the effective date of this section.

JUDICIAL DECISIONS

1. Generally.
2. Investigation and report.
3. Findings of fact.
4. "Necessity".
5. Orders.
6. Scope of judicial review.

1. Generally.

A certain amount of expertise in the field of banking and reasonable latitude in the exercise of sound judgment must be accorded the banking board in the performance of its specialized duties. First Nat'l

Bank v. Martin, 238 So. 2d 856 (Miss. 1970).

The state banking board is an administrative body, and not an inferior judicial tribunal. First Nat'l Bank v. Martin, 238 So. 2d 856 (Miss. 1970).

The purpose of this section [Code 1942, § 5160] is not to deter competition or foster monopoly, but to guard the public against imprudent banking. Planters Bank v. Garrott, 239 Miss. 248, 122 So. 2d 256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

2. Investigation and report.

Where the state banking board's reason for refusing the request of an objecting bank for the right to examine the report or the examiner who made the investigation for the comptroller on an application for a new bank was that the report was prepared for the benefit of the comptroller as a basis on which his finding and recommendations were made to the banking board as required by statute, the board's statement negated the assumption by the objecting bank that the board had before it and did in fact consider evidence that was not introduced at the hearing before the board. Britton & Koontz First Nat'l Bank v. Biglane, 285 So. 2d 181 (Miss. 1973).

It is apparent from Code 1942, § 5160 that the legislature intended for the comptroller to make an investigation in sufficient depth to determine whether in his opinion a bank should be chartered, although there is no opposition to the application. Britton & Koontz First Nat'l Bank v. Biglane, 285 So. 2d 181 (Miss. 1973).

Code 1942, § 5160 does not contemplate that the reports of those employed by the comptroller to assist in his investigation on the application of a proposed bank should be a part of the evidence in a hearing before the board. Britton & Koontz First Nat'l Bank v. Biglane, 285 So. 2d 181 (Miss. 1973).

Proper procedure requires that a copy of the report and recommendation of the comptroller in respect to the application for a new bank be furnished to interested parties at the outset of the hearing before the state banking board so that the interested parties will have an opportunity to rebut the same by evidence. Britton &

Koontz First Nat'l Bank v. Biglane, 285 So. 2d 181 (Miss. 1973).

3. Findings of fact.

In denying an application for a certificate to incorporate and organize a new bank, the banking board is not required to make an express or specific detailed findings of the facts, for under this section [Code 1942, § 5160] it was only required that the board render a written opinion and decision giving its reasons for rejection. First Nat'l Bank v. Martin, 238 So. 2d 856 (Miss. 1970).

The state banking board is not required to make express findings of fact in support of its conclusion that public necessity warranted the granting of leave to establish a new bank. Planters Bank v. Garrott, 239 Miss. 248, 122 So. 2d 256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

4. "Necessity".

Banking board's approval of application to incorporate new bank and trust company was supported by substantial evidence and applicants met their burden of showing of public necessity where no new unit bank had come to the area since 1944, there were only three unit banks in the area and each was enjoying a steady growth of capital and deposits, and the area itself was growing at an unusual rate. Hancock Bank v. Gaddy, 328 So. 2d 361 (Miss. 1976).

The word "necessity" as used in this section [Code 1942, § 5160] means a substantial obvious need justifying the chartering of a new bank in view of the disclosed relevant circumstances, and mere convenience is not sufficient to satisfy the statutory requisite of "necessity". First Nat'l Bank v. Martin, 238 So. 2d 856 (Miss. 1970).

The burden of showing "public necessity" rested upon the parties applying for the certificate to organize a new bank. First Nat'l Bank v. Martin, 238 So. 2d 856 (Miss. 1970).

In determining whether "necessity" warrants the granting of application for lease to establish a new bank, mere convenience is not of itself sufficient, but may be taken into consideration. Planters Bank v. Garrott, 239 Miss. 248, 122 So. 2d

256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

An application for leave to establish a new bank should not be denied because existing banking facilities are giving adequate service. *Planters Bank v. Garrott*, 239 Miss. 248, 122 So. 2d 256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

5. Orders.

Where a state banking board adopted a motion that a certain bank offer to the proponents of a new bank who have sought authority to incorporate in such town, 49 per cent of the presently outstanding capital stock of the certain bank at book value as of a certain date, and where the board recommended charter for new bank within 30 days if no agreement could be arrived at, the order was invalid as a conditional order, offer or judgment beyond the board's jurisdiction and power and the state banking department was the only legal entity authorized to make a final determination. *Oliphant v. Carthage Bank*, 224 Miss. 386, 80 So. 2d 63 (1955).

Where the state banking board entered a nunc pro tunc order granting a certificate of authority to incorporate a new bank in a certain town if the present bank in the town did not offer to sell or sell to the proponents of the new bank, 49 per cent of the presently outstanding capital stock, within 30 days from the previous order recommending the incorporation, the nunc pro tunc order was invalid on the ground that there was no notice to the present bank of the board's meeting at which the order was made. *Oliphant v. Carthage Bank*, 224 Miss. 386, 80 So. 2d 63 (1955).

6. Scope of judicial review.

On appeal from an order based upon a factual finding by a trier of facts, such as the banking board, the supreme court accepts the evidence which supports or tends to support the conclusion upon which the order is based, together with all inferences favorable to it which reasonably may be drawn from the evidence. *First Nat'l Bank v. Martin*, 238 So. 2d 856 (Miss. 1970).

The findings of the banking board are prima facie correct, and the chancery

court cannot substitute its judgment for that of the board and disturb its findings where there is any substantial basis in the evidence for such findings, or where the ruling of the board is not capricious or arbitrary. *First Nat'l Bank v. Martin*, 238 So. 2d 856 (Miss. 1970).

This section [Code 1942, § 5160] fully provides what the transcript on appeal must contain. *Hernando Bank v. Davidson*, 250 Miss. 23, 164 So. 2d 403 (1964).

Where the appellant did not raise the question of improper notice at the hearing before the banking board, and was silent on the subject of notice until the case was advanced to the appellate court, appellant failed to preserve the technical error complained of for review and was estopped from raising the question of notice on appeal. *Hernando Bank v. Davidson*, 250 Miss. 23, 164 So. 2d 403 (1964).

A decision of the banking board will not be reversed on appeal where only technical errors are committed, but in order for there to be reversible error there must be a clear showing that the error complained of is substantially prejudicial to the appellant and the public. *Hernando Bank v. Davidson*, 250 Miss. 23, 164 So. 2d 403 (1964).

Failure of the state banking board to require witnesses testifying upon the hearing of an application for leave to organize a new bank, that they had been told that officers of the existing bank used the granting of loans to further their personal and political interests, to disclose the names of their informants, held not prejudicial error. *Planters Bank v. Garrott*, 239 Miss. 248, 122 So. 2d 256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

On an application to the state banking board for leave to organize a new bank, the findings of the state comptroller showing the results of his investigation of the application should be filed and made available to the interested parties as part of the record during the hearing; but failure to do so may be waived. *Planters Bank v. Garrott*, 239 Miss. 248, 122 So. 2d 256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

Judicial review of a determination of the state banking board under this section

is limited to the question of procedural due process, and the question whether the determination is supported by substantial evidence. *Planters Bank v. Garrett*, 239

Miss. 248, 122 So. 2d 256 (1960), error overruled, 239 Miss. 291, 123 So. 2d 240 (1960).

The stockholders in a special or regular meeting, shall first, by a vote of a majority in amount of all stock outstanding, adopt a resolution setting forth the proposed renewal or amendment, subject to the approval of the state comptroller. Three copies of such resolution duly certified by the president or vice-president of such bank shall be forwarded to the state comptroller for his approval, together with the fee required by statute. If the proposed amendment is approved by the state comptroller, he shall attach his certificate of approval to each of the copies and forward all three copies to the Attorney General for his approval, and shall forward the fee required by statute to the Secretary of State. If and when approved by the Attorney General, all three copies of said amendment shall be forwarded to the Governor for his approval, and when approved by him shall be forwarded by the Governor to the Secretary of State. The Secretary of State shall retain one copy and file and record the same in his office. He shall forward one copy thereof to the state comptroller, who shall retain and file the same in his office. The remaining copy shall be returned to the bank, and the bank shall immediately record the same in the office of the chancery clerk of the county in which the bank is domiciled. Said copy after being so recorded, shall be returned to the bank and retained by it in its files. It shall not be necessary to publish such renewal or amendment.

The plan of reorganization shall provide that (a) the resulting ownership shall be vested in a Mississippi corporation; (b) all stockholders of the stock bank shall have the right to exchange shares; (c) the exchange of stock shall not be subject to state or federal income taxation; (d) stockholders not wishing to exchange shares shall be entitled to dissenters' rights as provided under Section 79-4-13.01 et seq., Mississippi Code of 1972; and (e) the plan of reorganization is fair and equitable to all stockholders.

(1) All banking corporations are prohibited, either through their officers or as a banking agency, from participating, directly or indirectly, in the operation of any underwriting syndicate which handles securities for resale. However, this inhibition shall not apply to bonds issued by federal, state, county or other governmental agencies.

(2) The executive officers of banking corporations now existing or hereafter organized under the laws of the State of Mississippi, are prohibited from owning stock in private banking houses or other agencies engaged in the business of underwriting securities for resale.

(3) The Commissioner of Banking and Consumer Finance is authorized, empowered and directed to promulgate rules and regulations, relative to withdrawals of deposits from savings banks, trust companies and other banking institutions, and the commissioner may, in cases of emergency, declare bank holidays and do any and all things necessary to insure, protect and conserve the resources of such banks.

(4) All state banking corporations are prohibited from making loans to state, county, municipal and district governmental agencies, unless such loans are made in strict compliance with legal enactments and regulations which govern, and such banking corporations are further prohibited from transferring funds from one state, county, municipal or district account to another unless authorized by warrant issued by proper authority, and such banking corporations are prohibited from discounting state, county, municipal, district or other public certificates and warrants, but such certificates and warrants may be used as collateral to guarantee the payment of notes or other obligations.

(5) The board of directors of any banking corporation created under the laws of this state may, at its option, require any or all employees of such to file with the board of directors a sworn financial statement semiannually or more often if it so desires.

(6) Any bank may, at its option, pay all checks drawn on it with currency or valid exchange drawn on a bank in a reserve city not more than five hundred (500) miles distant from such bank; but each depositor is entitled to have his checks paid each day in currency to the total extent of ten percent (10%) of his deposit if it exceeds One Thousand Dollars (\$1,000.00) and at least One Hundred Dollars (\$100.00) each day if his balance is over One Hundred Dollars (\$100.00) and less than One Thousand Dollars (\$1,000.00), and may demand his entire balance in currency at any time if One Hundred Dollars (\$100.00) or less.

(7) No loan in excess of Twenty-five Thousand Dollars (\$25,000.00) shall be made by any state banking corporation except on approval of a loan committee selected by a majority of the board of directors. Such committee shall require of all such prospective borrowers a financial statement in connection with all unsecured loans in excess of Twenty-five Thousand Dollars (\$25,000.00).

(8) All state banking corporations may purchase for the account of their customers bonds, stocks and other securities, and such banking corporations may charge for their service in connection with the handling of such transactions only actual expenses plus the usual broker's fees allowed for similar service by national banks.

(9) Any state bank may purchase, lease or otherwise acquire automatic data processing computers and related machinery and equipment, and such bank may utilize and operate such computers, machinery and equipment in performing for itself, its customers or any other bank such services as may be desired including, but not limited to, check and deposit sorting and posting, computation and posting of interest and other credits and charges, preparation and mailing of checks, statements, notices and similar items, or any other clerical, bookkeeping, accounting, statistical or similar functions performed by and for a bank. Corporations may be organized under the laws of the State of Mississippi for the purpose of owning and operating, by purchase, lease or otherwise, such computers, related machinery and equipment as aforesaid, and such corporations may perform for any bank those services as above mentioned; and stock of such corporations shall be legal investments for state banks to the same extent that stock of bank service corporations is eligible for acquisition by national banks under the provisions of the Bank Service Corporation Act, Public Law 87-856, 76 Stat. 1132.

§ 81-5-27. Liability of stockholders.

The stockholders of every bank shall be individually liable, actually and ratably, and not for one another, for the benefit of the depositors in said bank at the amount of their stock at the par value thereof, and in addition to said stock. However, persons holding stock as executors, administrators, guardians or trustees shall not be personally liable as stockholders, but the assets and funds in their hands constituting the trust shall be liable to the same extent as the testator, intestate, ward, or person interested in such trust fund would be, if living or competent to act. Persons holding stock as collateral security shall not be personally liable as stockholders, but the person pledging such stock shall be deemed the stockholder and liable under this section. Such double liability may be enforced in a suit at law or in equity by the receiver of any bank in process of liquidation. Such suit, however, shall be brought within six years from the date the bank went into liquidation and not thereafter. Such double liability shall not apply, however, to stock in any bank organized, after the effective date of this title, nor to stock in any bank open for business at the time this title took effect, provided such bank is a member of the Federal Deposit Insurance Corporation, or any other similar agency created by the laws of the United States.

4. Persons subject to liability.
5. Transfer of stock or settlement.
6. Persons entitled to benefit.
7. Accrual of liability.
8. Action to enforce liability.
9. —Parties.
10. —Limitations.
11. Miscellaneous.

1. In general.

Imposition of stockholders' double liability was not invalid as impairing the obligation of contract, where the power to amend or repeal was reserved by the legislature. *Pate v. Bank of Newton*, 116 Miss. 666, 77 So. 601 (1918).

2. Double liability, generally.

Statute which repealed provision of former statute with respect to double liability of stockholders of insolvent state

bank and re-enacted it verbatim with certain stated exceptions held to have continued double liability theretofore existing in force, where it was clear from terms of statute that it was intended to include within the terms of double liability all those classes which were not excluded by its terms. *Rather v. Moore*, 179 Miss. 78, 173 So. 664 (1937).

Law imposing liability on stockholders of insolvent bank must be strictly construed. *Thompson v. Person*, 177 Miss. 63, 170 So. 694 (1936); *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932); *Mellott v. Love*, 152 Miss. 860, 119 So. 913, 64 A.L.R. 968 (1929).

Double liability is imposed by the statute upon stockholders or banks whether incorporated before or after the Banking Act was passed, but this liability does not extend to deposits which were actually made before the passage of the act (Laws 1914, c 124). *Pate v. Bank of Newton*, 116 Miss. 666, 77 So. 601 (1918).

This section [Code 1942, § 5280] held not an injustice to stockholders. *Pate v. Bank of Newton*, 116 Miss. 666, 77 So. 601 (1918).

3. Set-off of deposits against liability.

Shareholders of an insolvent bank could set off the amount due them by the bank under a trust agreement against their liability to the Superintendent of Banks. *Anderson v. Love*, 169 Miss. 237, 153 So. 369 (1934).

4. Persons subject to liability.

Where bank stockholder sold stock to sister prior to bank failure and subsequent examination showed bank was solvent, seller held not subject to statutory double liability as stockholder notwithstanding there was no transfer on stock book of bank and that statute makes stock book prima facie evidence of ownership, in view of rule of strict construction of double liability statute. *Thompson v. Person*, 177 Miss. 63, 170 So. 694 (1936).

Where other assets received by infant legatees along with bank stock exceeded stockholder's liability on such stock, assets in hands of infants' respective guardians held liable for amount of stockholder's liability on bank's failure. *Carlisle v. Love*, 170 Miss. 621, 155 So. 197 (1934).

No stockholder's liability rested on guardian or ward where orders relating to investment of ward's funds in bank stock were invalid and ward, aged twenty, repudiated investment. *Carlisle v. Love*, 170 Miss. 621, 155 So. 197 (1934).

Father who transferred his bank stock to himself as trustee for his infant children held liable as stockholder on bank's suspension during minority of such infants, though examination after such transfer showed that bank was solvent. *Carlisle v. Love*, 170 Miss. 621, 155 So. 197 (1934).

To justify application of personal deposit of heirs in discharge of deceased's bank stock liability, superintendent of banks must show heirs were personally liable therefor. *Love v. Hooker*, 168 Miss. 94, 150 So. 917 (1933).

Evidence did not show heirs were personally liable for deceased's bank stock liability so that court properly refused to permit superintendent of banks to apply their personal deposit in discharge of deceased's liability. *Love v. Hooker*, 168 Miss. 94, 150 So. 917 (1933).

Minor stockholder disaffirming purchase after bank's insolvency was not subject to statutory liability. *Mellott v. Love*, 152 Miss. 860, 119 So. 913, 64 A.L.R. 968 (1929).

5. Transfer of stock or settlement.

Father who transferred his bank stock to himself as trustee for his infant children held liable as stockholder on bank's suspension during minority of such infants, though examination after such transfer showed that bank was solvent. (§ 3803, Code 1930.) *Carlisle v. Love*, 170 Miss. 621, 155 So. 197 (1934).

Superintendent of banks, seeking to enforce bank stockholder's double liability, held not estopped by unauthorized approval of bank's compromise settlement. *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932).

Before bank went into liquidation, no compromise settlement could be made between bank, stockholder's heirs, and testamentary trustee, which would result in defeating bank's right to enforce double liability. *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932).

That bank quitclaimed deceased stockholder's land to heirs, in consideration of its stock, held not to preclude enforcement of double liability. *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932).

Bank stockholder's retransfer of stock to bank in satisfaction of a debt held not to release stockholder's double liability until next examination of bank. (§ 3803, Code 1930.) *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932).

6. Persons entitled to benefit.

Fees of auditors and a special master, in bank liquidation proceedings, were properly a part of the taxable costs involving the liquidation, and were entitled to preference upon distribution of the assets, first as against general assets and then as against any other funds in the hands of the receiver, including funds collected on stockholders' liability. *Taylor, Powell & Wilson v. Parker*, 193 Miss. 514, 10 So. 2d 192 (1942).

The stockholder's liability is not a general asset of an insolvent bank, but is a special trust fund provided for the benefit of all depositors, and for them alone. *Board of Levee Comm'rs v. Parker*, 187 Miss. 621, 193 So. 346 (1940).

Money paid by stockholders of insolvent bank under statute inures to benefit of all depositors of bank and not only to those whose deposits are guaranteed under § 36, c. 172, Laws 1922. *United States Fid. & Guar. Co. v. Commercial Bank*, 156 Miss. 293, 125 So. 839 (1930).

7. Accrual of liability.

Statutory liability of bank stockholder accrued at time bank became insolvent and closed. *Gray v. Love*, 173 Miss. 390, 161 So. 679 (1935).

When bank became insolvent and closed, deceased stockholder's double liability matured, standing in same class as other unsecured debts, and became charge on estate's entire personalty and realty. *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932).

The liability of the stockholder, as to a deposit, accrues with the making of the deposit, and not of the date of granting a charter to do business. *Pate v. Bank of Newton*, 116 Miss. 666, 77 So. 601 (1918).

8. Action to enforce liability.

Superintendent of Banks need not formally declare bank in liquidation before suing stockholders for statutory liability, but need only make it reasonably appear that assets of bank will be insufficient to pay depositors. *Anderson v. Love*, 169 Miss. 237, 153 So. 369 (1934).

That bank, without consideration, quitclaimed deceased bank stockholder's land to heirs, pursuant to compromise settlement, and took bank stock in satisfaction of bank's claim for loan held not to preclude superintendent of banks, after bank closed, from enforcing stockholder's double liability against land quitclaimed. *Gift v. Love*, 164 Miss. 442, 144 So. 562, 86 A.L.R. 63 (1932).

Single suit under double liability statute, being in the nature of accounting, is maintainable against all stockholders. *Abbey v. Delta Bank & Trust Co.*, 139 Miss. 36, 103 So. 801 (1925).

Stockholders' double liability is a primary and not a secondary liability, and bank examiner can bring action against stockholders as soon as it is reasonably apparent that assets are insufficient to pay depositors. *Pate v. Bank of Newton*, 116 Miss. 666, 77 So. 601 (1918).

9. —Parties.

Actions against stockholders of insolvent state bank for their double liability held maintainable, notwithstanding all the stockholders were not joined in one action, where plea raising question did not name any necessary stockholders omitted from bill. *Rather v. Moore*, 179 Miss. 78, 173 So. 664 (1937).

Receiver of insolvent bank would not be required to join in suit against stockholders for their double liability those stockholders who had recognized and paid their obligations, and insolvent stockholders, irrespective of whether all stockholders liable should be joined in one suit. *Rather v. Moore*, 179 Miss. 78, 173 So. 664 (1937).

Superintendent of banks could join all bank stockholders in suit to recover statutory liability. *Anderson v. Love*, 169 Miss. 237, 153 So. 369 (1934).

Chancery court had jurisdiction over nonresident stockholder who was made party defendant to suit by superintendent of banks against all stockholders of bank

to recover statutory liability from stockholders, absent contention that none of stockholders resided in county where suit was brought. *Anderson v. Love*, 169 Miss. 237, 153 So. 369 (1934).

10. —Limitations.

Six-year period held applicable to stockholders of insolvent bank for double liability. *Rather v. Moore*, 179 Miss. 78, 173 So. 664 (1937).

Stockholder's double liability held not a penalty. *Rather v. Moore*, 179 Miss. 78, 173 So. 664 (1937).

Where statutory liability of stockholder of bank accrued before death, but claim not probated, suit to recover after expiration of period for presenting claims held barred. *Gray v. Love*, 173 Miss. 390, 161 So. 679 (1935).

11. Miscellaneous.

The executors of a deceased stockholder, not the defunct bank, were entitled to dividends up to the amount paid by the decedent in satisfaction of her double liability. *Somerville v. Anderson*, 202 Miss. 157, 30 So. 2d 686 (1947).

Where a stockholder who had paid over the full amount of her stock in compliance with this section [Code 1942, § 5280] to trustees in charge of the assets of the old bank after its reorganization, and thereafter she traded her beneficial interest to such trustees for a farm, payment of liquidating dividends by the trustees was at least prima facie unauthorized. *Somerville v. Anderson*, 202 Miss. 157, 30 So. 2d 686 (1947).

§ 81-5-33. Powers in regard to trusts.

Banks may accept and execute all such trusts and perform such duties of every description as may be committed to them by any person or corporation or that may be committed or transferred to them by order of any court of record. They may receive money in trust, take and accept by grant, assignment, transfer, devise or bequest, and hold any real or personal estate or trusts

created according to the laws of this or any other state, or of the United States, and execute such legal trusts in regard to the same, on such terms as may be directed or agreed upon thereto. They may act as agent for the investment of money or the management of property for other persons, and as agent for persons and corporations for the purpose of issuing, registering, transferring or countersigning the certificates of stock, bonds or other evidences of debt of any corporation, association, municipality, state, county or public authority on such terms as may be agreed upon. They also may act as guardian for any minor or insane person under the appointment of any court of record having jurisdiction of the person or estate of such minor or insane person and may act as administrator or executor of the estate of any deceased person. They may act as agent or attorney in fact and as commissioner for the sale of property, both real and personal, and may act as assignee or receiver, or as trustee in mortgages or bond issues, or in any other fiduciary capacity authorized by law. They may accept trust funds or other property upon specially agreed terms and pay or deliver the same to the owners, beneficiaries or others, as the case may be, when and as the same should be paid or delivered according to the terms of the trust agreement under which it is held. Whenever under the laws of this or any other state, or under the rule or order of any court, the execution of a bond for the protection of a private or court trust shall be required, a trust company shall be authorized to execute such bond for the protection of any trust or trust estate being administered by it.

Banking corporations created, organized and doing business under the laws of the State of Mississippi may exercise, without amendment of their charters, and, under their charter authority to engage in the general business of banking, all or any of the foregoing powers, but before any bank, whose charter merely authorizes the exercise of general banking functions, shall exercise such powers the previous written consent of the Commissioner of Banking and Consumer Finance shall be obtained.

Banks exercising any or all of such powers shall segregate all assets held in any fiduciary capacity from the general assets of the bank and shall keep a separate set of books and records showing in proper detail all transactions engaged in under the authority of this section, or under the authority heretofore granted to them in their charter or otherwise. Such books and records shall be inspected and examined by the state bank examiners at each and every examination of the bank.

No bank shall receive in its trust department deposits of current funds subject to check or the deposit of checks, drafts, bills of exchange or other items for collection or exchange purposes. Funds deposited or held in trust by the bank awaiting investment or distribution shall be carried in a separate account and shall not be used by the bank in the conduct of its business, unless it shall first set aside in the trust department United States bonds or bonds of the State of Mississippi, or any subdivision thereof, the market value of which shall at all times be not less than ten percent (10%) in excess of the total funds so held, exclusive of the portion of funds insured by the Federal Deposit Insurance Corporation.

In the event of the failure or liquidation of such bank, the owners of the funds held in trust for investment or distribution shall have a prior lien on the bonds or other securities so set apart in addition to their claim against the assets of the bank.

In any case in which the laws of this state require that one acting as trustee, executor, administrator or in any fiduciary capacity, shall take an oath or make an affidavit, the president, vice-president, cashier or trust officer of a bank may take the necessary oath or execute the necessary affidavit.

In making investments of trust funds it shall be unlawful for any bank to purchase securities from itself, or to purchase securities in which it may be interested, directly or indirectly. However, any bank, including a national bank, authorized to do business in this state in a fiduciary capacity may, unless prohibited or otherwise limited by the instrument governing the fiduciary relationship, in the exercise of its investment discretion or at the direction of another person authorized to direct the investment of funds held by the bank as fiduciary, invest and reinvest in the securities of, or other interests in, any open-end or closed-end management type investment company or investment trust registered under the Investment Company Act of 1940, 15 U.S.C.S. Section 80a-1, et seq., as amended, notwithstanding that such banking institution or affiliate of such banking institution provides services to the investment company or investment trust, such as that of an investment advisor, custodian, transfer agent, registrar, sponsor, distributor, manager or otherwise, and receives reasonable remuneration for those services, so long as the total compensation paid by the trust or custodial estate as trustee's fees and mutual fund fees is reasonable, taking into account the nature and extent of the trustee's duties, the nature and extent of the services provided to the investment company or investment trust, and the total compensation, costs and fees that would otherwise be paid, directly or indirectly, by the trust or custodial estate if the investment were made in an investment company or investment trust for which the bank or its affiliates provided no services. With respect to any funds so invested, such banking institution shall make available by statement, prospectus or otherwise to all current income beneficiaries of an account the basis, expressed as a percentage of asset value or otherwise, upon which the remuneration is calculated. No bank shall lend to any officer, director or employee thereof any funds held in trust by it, and any officer, director or employee making such loan, or to whom such loan is made, shall be guilty of a felony and upon conviction may be fined not more than Five Thousand Dollars (\$5,000.00) or imprisoned in the State Penitentiary for not more than five (5) years, or by both such fine and imprisonment, in the discretion of the court.

Any bank, including a national bank, may accept accounts in the name of any administrator, executor, guardian, trustee or other fiduciary in trust for a named beneficiary or beneficiaries. Any such fiduciary shall have the power to make payments upon and to withdraw any such account, in whole or in part. The withdrawal value of any such account or other rights relating thereto may be paid or delivered, in whole or in part, to such fiduciary, without regard to any notice to the contrary, as long as such fiduciary is living. The payment or

delivery to any such fiduciary or a receipt of acquittance signed by any such fiduciary to whom any such payment or any such delivery of rights is made shall be valid and sufficient release and discharge of any bank for the payment or delivery so made. Whenever a person holding an account in a fiduciary capacity dies, and no written notice of the revocation or termination of the trust relationship has been given to a bank and the bank has no notice of any other disposition of the trust estate, the withdrawal value of such account or other rights relating thereto may, at the option of a bank, be paid or delivered, in whole or in part, to the beneficiary or beneficiaries of such trust. Whenever an account shall be opened by any person describing himself in opening such account as trustee for another, and there is no other or further notice of the existence and terms of a legal and valid trust, then such description shall be given in writing to such bank. In the event of the death of the person so described as trustee, the withdrawal value of such account or any part thereof may be paid to the person for whom the account was thus stated to have been opened, and such account and all additions thereto shall be the property of such person, unless prior to payment the trust agreement is presented to the bank showing a contrary interest. When made in accord with this section, the payment or delivery to any such beneficiary, beneficiaries or designated person, or a receipt or acquittance signed by any such beneficiary, beneficiaries or designated person for any such payment or delivery, shall be valid and sufficient release and discharge of a bank for the payment or delivery so made. Trust accounts permitted by this section shall not be required to be acknowledged and recorded. When an account is opened in a form described in this section; the right set forth in Section 81-5-62 shall apply. No bank paying any beneficiary in accordance with the provisions of this section shall thereby be liable for any estate, inheritance or succession taxes which may be due this state. The term "accounts" or "account" as used in this section shall include, but not be limited to, any form of deposit or account, such as a savings account, checking account, time deposit, demand deposit or certificate of deposit, whether negotiable, non-negotiable or otherwise.

§ 81-5-43. Out-of-state banking and trust associations and corporations may act as executors, administrators, trustees and guardians.

(1) Any out-of-state banking corporation, or banking association, or out-of-state trust corporation, or association, which has its principal office in another state, authorized to act as executor or administrator of estates of decedents or trustees under wills and voluntary trust agreements, and as guardian of minors or incompetent persons, in the state where it has its principal office, may apply and act in such capacities in this state in ancillary or original proceedings, if similar domestic corporations or associations having their principal office in this state, which are authorized in this state to so act, are permitted to act in like capacity with no greater responsibilities or requirements in the state where such out-of-state corporation or association has its principal office.

(2) No such corporation or association shall act in any such capacities until it shall have appointed in writing the Secretary of State of Mississippi, and his successor, as its service agent, upon whom all process in any suit or proceeding against it may be served, and in such writing shall agree that any process against it which shall be served upon such Secretary of State shall be of the same legal force and validity as if served on such corporation or association. Such appointment shall continue so long as any liability shall remain outstanding against the corporation or banking association pertaining to any such matters.

(3) The court having jurisdiction shall require such corporation or association to give bond for the performance of such trust, unless otherwise provided in the trust agreement or will, in which case the provisions of the statutes in such cases made and provided shall apply. However, no such corporation or association shall be required to give any bond for the performance of such trust where such corporation or association is not required to give bond for the performance of such trust under or by virtue of the laws of the state in which such corporation or association has its principal office.

(4) This section shall not prevent out-of-state banking corporations or banking associations or out-of-state trust corporations or associations from qualifying and acting in a fiduciary capacity in the State of Mississippi under wills or trust agreements heretofore executed, designating such out-of-state corporation or association as a fiduciary thereunder, nor shall this section prevent any such out-of-state corporation or association that has heretofore qualified as a fiduciary in the State of Mississippi from continuing to serve as a fiduciary in matters in which they have heretofore qualified in this state. This section shall not apply to trust agreements executed for the purpose of securing loans or guaranties thereof.

(5) For the purposes of this section, "out-of-state" means having the charter of incorporation issued by a state other than the State of Mississippi, or having its main office in a state other than the State of Mississippi; provided, however, this section shall not apply to an out-of-state national or state bank or out-of-state federal or state thrift which maintains a branch in Mississippi.

§ 81-5-51. Loans to directors and executive officers.

Loans aggregating fifteen percent (15%) of the unimpaired capital and unimpaired surplus may be made by any state bank to any director or executive officer thereof, as defined in Regulation O promulgated by the Board of Governors of the Federal Reserve System, less existing direct and indirect liabilities thereto, upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, provided, such loan is made on substantially the same terms and conditions extended to other borrowers for comparable transactions. Any state bank may lend to any such director or executive officer thereof, upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, not more than twenty percent (20%) of the unimpaired capital and unimpaired surplus of the bank, less the amount of existing direct and indirect liabilities, when secured; or when the portion thereof in excess of any amount loaned under the first provision hereof is secured by obligations of the United States government, the State of Mississippi, and the levee districts, counties, road districts, school districts, and municipalities of the State of Mississippi, obligations of any other state of the United States and other bonds of recognized character and standing, which are the subject of daily newspaper market quotations, provided such loan shall not exceed eighty percent (80%) of the market or par value (whichever is less) of the bonds or obligations offered as security. Any state bank may lend to any executive officer or director thereof upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, such amount as is safe and proper, when secured by warehouse receipts or shippers' order bills of lading representing actual existing values, provided the amount loaned shall not exceed eighty percent (80%) of the market value of the commodities representing the actual existing values, and loans of this nature shall be made payable on demand so that the security held therefor may be sold on any date and the proceeds thereof applied to the payment of the loan. However, a bank's board of directors may, as shown in its minutes, give to a bank officer the authority to make secured or unsecured loans to an executive officer or director of such bank, without receiving the board's prior approval, in an amount that, when aggregated with the amount of all other extensions of credit to that person and to all related interests of that person, does not exceed the greater of Twenty-five Thousand Dollars (\$25,000.00) or five percent (5%) of the bank's unimpaired capital and unimpaired surplus. However, no state bank shall extend credit to any director or executive officer thereof, in an amount that, when aggregated with all other extensions of credit to that person and to all related interests of that person, exceeds Five Hundred Thousand Dollars (\$500,000.00) without documented prior affirmative approval of a majority of its directors.

Loans and discounts by a state bank to a director or executive officer thereof secured in full by funds on deposit in time or savings accounts with the lending bank to the credit of the borrower shall not be restricted to the fifteen percent (15%) or twenty percent (20%) limitations herein prescribed.

The limitations of this section shall not apply where an executive officer or director shall bona fide purchase from the bank at a reasonable price real or personal property acquired by the bank in payment of debts due the bank, provided such transactions are approved by a majority of the board of directors, such approval to be shown in their minutes; and, in cases where loans are made by branch banks, the sum total of loans made by any branch or branches and its parent bank to such executive officer or director shall be computed as against the total capital stock and surplus of the parent bank and its branch or branches. Loans heretofore made to executive officers or directors may be renewed or extended if in accord with sound banking practice.

JUDICIAL DECISIONS

1. In general.
2. Particular checks and deposits.

1. In general.

Bank is protected in dealings with fiduciaries unless bank has actual knowledge that fiduciary is improperly exercising or exceeding its authority; constructive knowledge or notice is insufficient. *Collier v. Trustmark Nat'l Bank*, 678 So. 2d 693 (Miss. 1996).

This section [Code 1942, § 5202], providing that bank need not inquire as to lack of or limitation on power of agent, executing check payable or indorsed to him or using descriptive words in connection with signature or indorsement thereon, is not inapplicable to principal's signature forged by agent. *Hart v. Moore*, 171 Miss. 838, 158 So. 490 (1935).

2. Particular checks and deposits.

Where check payable to attorney but showing on its face that another was real party for whom it was received, was indorsed by attorney in blank and delivered to local bank for collection, which in turn indorsed it generally and delivered it to collecting bank, such collecting bank was holder in due course for value without notice; fact that it was payable to attorney carrying no notice. *First Nat'l Bank v. Bianca*, 171 Miss. 866, 158 So. 478 (1935).

Chancery court's order, directing executrix to place money, held by her in trust for minor legatees, on time deposit in bank, which subsequently failed, and prohibiting it from permitting withdrawal thereof without court order, did not make bank coexecutor and trustee for minors, who were not entitled to preference over bank's general creditors. *Deposit Guar. Bank & Trust Co. v. Merchants' Bank & Trust Co*, 171 Miss. 553, 158 So. 136 (1934).

Where depositor placed word "agent" after name, presumption was that money deposited was her money, and that fact did not authorize the bank to dishonor her check because garnishment writ had been served on bank by judgment creditor of depositor's husband. *Pascagoula Nat'l Bank v. Eberlein*, 161 Miss. 337, 131 So. 812 (1931).

Where a commissioner sold land under court order, and a check for the purchase price was given to him as such commissioner, bank with knowledge of fiduciary character of funds represented by such check was liable to beneficiaries of the trust for diversion where it credited the funds to commissioner's individual account. *Bank of Hickory v. McPherson*, 102 Miss. 852, 59 So. 934 (1912) but see *Collier v. Trustmark Nat'l Bank*, 678 So. 2d 693 (Miss. 1996).

§ 81-5-62. Accounts payable at death.

Accounts payable at death may be established under the following conditions:

(a) An account in a bank, including a national bank, may be opened by any person or persons with directions to make such an account payable on the death of the person or persons opening such an account to the named beneficiary or beneficiaries. When an account is so opened, the bank shall pay any moneys to the credit of the account from time to time to, or pursuant to the order of, the person or persons opening such an account during his or their lifetime in the same manner as if the account were in the sole name or names of such person or persons. The term “accounts” or “account” as used in this section shall include, but not be limited to, any form of deposit or account, such as a savings account, checking account, time deposit, demand deposit or certificate of deposit, whether negotiable, non-negotiable or otherwise.

(b) If the named beneficiary or one (1) of the beneficiaries so named survive the death of the person opening such an account, and the beneficiary or all of the beneficiaries so named are sixteen (16) years of age or over at the death of the person opening such an account, the bank shall pay the moneys to the credit of the account, less all setoffs and charges, to the named beneficiary or beneficiaries or upon his or their order, as hereinafter provided, and such payment by the bank shall be valid, notwithstanding any lack of legal age of the named beneficiary or beneficiaries; provided, however, where such an account is opened or subsequently held by more than one (1) person, the death of one (1) of such persons shall not terminate the account and the account shall continue as to the surviving person or persons and the named beneficiary or beneficiaries subject to the provisions of paragraphs (c) through (i) of this section.

(c) If the named beneficiary or all of the beneficiaries so named survive the death of the person or persons opening such an account and are under sixteen (16) years of age at such time, the bank shall pay the moneys to the credit of the account, less all setoffs and charges:

(i) When or after the named beneficiary becomes sixteen (16) years of age, to the named beneficiary or upon his order; or

(ii) When more than one (1) beneficiary is named, the bank shall pay to each beneficiary so named his proportionate interest in such account as each severally becomes sixteen (16) years of age; or

(iii) To the legal guardian of the named beneficiary, wherever appointed and qualified, or where more than one (1) beneficiary is named, the bank shall pay such beneficiary's proportionate interest in such account to his legal guardian wherever and whenever appointed and qualified; or

(iv) In the event no guardian is appointed and qualified, payment may be made in accordance with the provisions of Section 93-13-211 et seq., in situations to which such section or sections are applicable.

(d) Where the death of the person or persons opening such an account terminates the account under the provisions of paragraphs (b) and (c) of this section, and where one or more of the named beneficiaries are under sixteen (16) years of age and the remainder of the named beneficiaries are sixteen (16) years of age or over, the bank shall pay the moneys to the credit of the trust, less all setoffs and charges, to:

(i) The named beneficiaries sixteen (16) years of age or over at the time of termination of such account pursuant to paragraph (b) of this section; and

(ii) The named beneficiaries under sixteen (16) years of age at the time of termination of such account pursuant to paragraph (c) of this section.

(e) Where such account is opened or subsequently held by more than one (1) person, the bank, in the absence of any written instructions to the contrary which are consented to by the bank, shall accept payments made to such account and may pay any moneys to the credit of such account from time to time to, or pursuant to the order of, either or any of such persons during their life or lives in the same manner as if the account were in the sole name of either or any of such persons.

(f) When a person or persons open an account in a bank in the form set forth in paragraph (a) of this section, and makes a payment or payments to such account or causes a payment or payments to be made to such account, it shall be conclusively presumed that such person or persons intend to vest in the named beneficiary or beneficiaries a present beneficial interest in such payment so made and in the moneys to the credit of the account from time to time, to the end that, if the named beneficiary or beneficiaries survive the person or persons opening such an account, all the right and title of the person or persons opening such an account in and to the moneys to the credit of the account at the death of such person or persons, less all setoffs and charges, shall, at such death, vest solely and indefeasibly in the named beneficiary or beneficiaries subject to the conditions and limitations of paragraphs (b) through (i) of this section.

(g) If the named beneficiary predeceases the person opening such an account, the present beneficial interest presumed to be vested in the named

beneficiary pursuant to paragraph (f) of this section shall terminate at the death of the named beneficiary. In such case, the personal representatives of the named beneficiary, and all others claiming through or under the named beneficiary, shall have no right in or title to the moneys to the credit of the account, and the bank shall pay such moneys, less all setoffs and charges, to the person opening such an account or pursuant to his order in the same manner as if the account were in the sole name of the person opening such an account; provided, however, where such an account names more than one (1) beneficiary, the death of one (1) of the beneficiaries so named shall not terminate the account and the account shall continue as to the surviving beneficiary or beneficiaries subject to the provisions of paragraphs (b) through (i) of this section.

(h) A bank which makes any payment pursuant to paragraphs (b) through (g) of this section, prior to service upon the bank of an order of court restraining such payment, shall, to the extent of each payment so made, be released from all claims of the person or persons opening such an account, the named beneficiary or beneficiaries, their legal representatives, and all others claiming through or under them.

(i) When an account is opened in a form described in paragraph (a) of this section, the right of the named beneficiary or beneficiaries to be vested with sole and indefeasible title to the moneys to the credit of the account on the death of the person or persons opening such an account shall not be denied, abridged or in anyway affected because such right has not been created by a writing executed in accordance with the law of this state prescribing the requirements to effect a valid testamentary disposition of property.

§ 81-5-63. Deposit in name of two or more persons; payments to successors of deceased depositors without administration.

When a deposit has been made or is hereafter made in the name of two (2) or more persons, payable to any one (1) of those persons, or payable to any one (1) of those persons or the survivor, or payable to any one (1) of those persons or to the survivor or survivors, or payable to the persons as joint tenants, the deposit or any part thereof or interest or dividends thereon may be paid to any one (1) of those persons, without liability whether one or more of those persons is living or not, and the receipt of acquittance of the person so paid shall be a valid and sufficient release and discharge to the bank for any payment so made. The making of a deposit in that form, or the making of additions thereto,

shall create a presumption in any action or proceeding to which either the bank or any survivor is a party of the intention of all the persons named on the deposit to vest title to the deposit and the additions thereto and all interest or dividends thereon in the survivor or survivors. Any bank may pay to the successor of a deceased depositor, as defined in Section 91-7-322(2), without necessity of administration, any sum to the credit of the decedent not exceeding Twelve Thousand Five Hundred Dollars (\$12,500.00), without liability to any other persons, relatives or beneficiaries, and the receipt of acquittance of the person so paid shall be a valid and sufficient release and discharge to the bank for any payment so made. This section shall apply to all banking institutions, including national banks and postal savings banks within the state. The term "deposit" as used in this section shall include, but not be limited to, any form of deposit or account, such as a savings account, checking account, time deposit, demand deposit or certificate of deposit, whether negotiable, nonnegotiable or otherwise.

4. —Presumption.
5. —Rebuttal of presumption.
6. —Survivorship rights.
7. Garnishment.
8. Setoff.

1. In general.

A testator cannot, by will, dispose of property which he or she placed, during his or her lifetime, in a validly created joint tenancy account with rights of survivorship. A subsequent will does not destroy the joint tenancy and does not ter-

minate that tenancy and divest the corpus of it into the estate of the testator. *Strange v. Strange*, 548 So. 2d 1323 (Miss. 1989).

This section [Code 1942, § 5205] does not limit right to create joint tenancy, with right of survivorship in personal property. *Stewart v. Barksdale*, 216 Miss. 760, 63 So. 2d 108 (1953).

2. Applicability.

This section [Code 1942, § 5205] was inapplicable where a note was made payable to a husband and his wife, or the survivor of them. *Vaughn v. Vaughn*, 238 Miss. 342, 118 So. 2d 620 (1960).

3. Joint ownership of account.

Where a confidential relationship existed, the law governing inter vivos gifts, rather than testamentary dispositions, applied in determining the validity of the establishment of joint accounts, even though the beneficiary did not exercise control over the assets in the accounts until after the depositor's death, and therefore proof of mental incompetence or an abuse of the confidential relationship was not required to raise a rebuttable presumption of undue influence accompanying the establishment of the joint accounts; thus, the beneficiary of the establishment of the joint accounts had the burden of proving, by clear and convincing evidence, the absence of undue influence. *Madden v. Rhodes*, 626 So. 2d 608 (Miss. 1993).

A person may make a gift in joint tenure by making a deposit of the subject of the gift in a bank in such a manner that it will stand to the credit of the donor and the donee as joint owners. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

Precise form is not essential to create a joint bank account with right of survivorship when formal deficiencies are supplied by definite proof. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

To create a joint bank deposit or account with right of survivorship, it must be either in the form of a deposit to the credit of depositor or another named person, or in similarity thereto, or else the intention to create a joint account for deposit must be well proved aliunde. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

Mere fact that bank account is made subject to the checks of two or more persons does not in itself constitute evidence of joint ownership. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

Deposit in bank to the credit of depositor or another named person raises a presumption under this section that the deposit was intended to be in joint ownership, and subject to withdrawal by either of the joint owners. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

Where proven facts sufficiently disclose a clear intention to create a right which

embraces the essential elements of joint ownership and survivorship in respect to a particular bank deposit or account, the intention so proved will be given effect and the survivor will be held entitled to the fund. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

Transaction whereby depositor made a bank deposit to the credit of his mother but subject to check by the depositor at any time, did not create a joint account or deposit with right of survivorship in the absence of proof that the depositor clearly intended to create such an account, so that upon the depositor's death the deposit belonged to his estate. *Leverette v. Ainsworth*, 199 Miss. 652, 23 So. 2d 798 (1945).

4. —Presumption.

Section 81-5-63 and § 81-12-137, which deal, respectively, with joint deposits in a bank checking account and in a savings account in a savings association, create a presumption of joint tenancy ownership with the right of survivorship. On the other hand, such presumption does not apply to bank issued certificates of deposit held in the names of 2 or more persons, in the absence of express intent on the certificate to create such joint tenancy. *Delta Fertilizer, Inc. v. Weaver*, 547 So. 2d 800 (Miss. 1989).

A presumption arises that a bank account either in the name of "Mr. or Mrs. J. H. Barrow" or in the name of "Mr. or Mrs. J. H. Barrow, payable to the order of either or survivor" created joint ownership with the right of survivorship. *Shearin v. Coleman*, 201 Miss. 193, 28 So. 2d 841 (1947).

Where deposit is made in name of two persons, payable to either, statutory presumption, in absence of evidence to the contrary, is sufficient to establish right to deposit in the survivor. *In re Lewis' Estate*, 194 Miss. 480, 13 So. 2d 20 (1943).

5. —Rebuttal of presumption.

In an action by an administrator with will annexed against the daughter of the decedent to recover money in a joint bank account of the decedent and the daughter upon the grounds that the decedent was induced to create the joint account by undue influence and fraud practiced upon

him by the daughter, and that the decedent did not have the mental capacity to create the account, the evidence sustained the chancellor's findings contrary to the administrator's contentions. *Edwards v. Jefcoat*, 230 Miss. 56, 92 So. 2d 342 (1957).

The presumption created by this statute was not overcome by evidence that one of two persons in whose names certificates of deposit were issued in the alternative bequeathed a considerable cash legacy to another. *Shearin v. Coleman*, 201 Miss. 193, 28 So. 2d 841 (1947).

6. —Survivorship rights.

The joint owner of three certificates of deposit was entitled to them by right of survivorship where the decedent's attorney in fact under a power of attorney placed the joint owner's name on the certificates of deposit, the attorney in fact and the joint owner never shared a confidential relationship while the attorney in fact acted for the decedent, there was no evidence that the attorney in fact acted in bad faith, and the joint owner and the decedent did not share a confidential relationship until after the joint owner's name was placed on the certificates of deposit. *Ford v. Reilly*, — So. 2d —, 2001 Miss. LEXIS 126 (Miss. May 3, 2001).

The 1988 amendment to this section, which created a conclusive presumption of survivorship, applied to certificates of deposit procured in 1986 and renewed in 1992. *McNeil v. Hester*, 753 So. 2d 1057 (Miss. 2000).

Certificates of deposit issued to the decedent and her son as joint tenants and a personal checking account registered jointly in her name and her son's name did not pass under the decedent's will, but passed pursuant to the banking documents, notwithstanding a prior will which instructed that her estate be shared by her children equally. *Estate of Hudkleston v. Horn*, 755 So. 2d 435 (Miss. Ct. App. 1999).

Joint bank account in Mississippi was not product of the depositor's business colleague's undue influence, so as to overcome presumption that funds belonged to colleague, as survivor; although depositor and colleague had close relationship, colleague was not in position to exercise dominant influence over depositor when

account was opened, and there was no showing that colleague did not act in good faith or that depositor did not act independently in his actions. *Cantrell v. Pat O'Brien's Bar, Inc.*, 705 So. 2d 1205 (La. App. 4th Cir. 1998).

A certificate of deposit payable to the decedent and her heir, which was renewed by the decedent in 1981, created a right of survivorship in the heir. *Stamper v. Edwards*, 607 So. 2d 1141 (Miss. 1992).

Funds represented by a 1981 certificate of deposit made "payable on death" to the decedent's heir did not constitute any part of the decedent's estate, but rather, by reason of § 81-5-63, the funds became vested in the heir upon the decedent's death. *Stamper v. Edwards*, 607 So. 2d 1141 (Miss. 1992).

In a proceeding to determine the husband's right to renounce his wife's will, where a certificate of deposit in the bank was payable to the wife or the wife's brother, upon the death of the wife, this deposit became the property of the brother, and was no portion of the wife's estate. *Myers v. Laird*, 230 Miss. 675, 93 So. 2d 828 (1957).

7. Garnishment.

A joint account should be garnishable only in proportion to the debtor's ownership of the funds, as to which evidence is admissible to show what portion of the funds is actually owned by each depositor. *Delta Fertilizer, Inc. v. Weaver*, 547 So. 2d 800 (Miss. 1989).

8. Setoff.

Deposits in a savings account in the name of a customer or her nephew, who was the executor of her estate, were presumptively intended to be in joint ownership and subject to withdrawal by either of the joint owners pursuant to § 81-5-63, and therefore the bank had a right to set off the balance in the account against the nephew's debt to the bank where the nephew did not give notice to the bank that the funds were an asset of the estate of his deceased aunt rather than his alone as survivor, and some of the nephew's dealings with the account prior to and after his aunt's death concerned his individual interests unrelated in any way to

his aunt. *Graham v. Bank of Leakesville*, 556 So. 2d 1079 (Miss. 1990).

§ 81-5-77. Limit of loans to single borrower.

The liability to a bank by a person, company, corporation or firm for money loaned, including in the liability of such person, company or firm, where a partnership, the liabilities of the several members thereof, shall not exceed

twenty percent (20%) of the aggregate unimpaired capital and unimpaired surplus of said bank.

The following shall not be restricted to or considered as coming within the limitations of twenty percent (20%) herein prescribed:

(a) Loans and discounts secured by warehouse receipts or shippers' order bills of lading representing actually existing values, provided the amount of such loans and discounts shall not exceed eighty-five percent (85%) of the market value of the commodities representing the actually existing values.

(b) Loans and discounts secured by bonds, certificates or notes constituting direct obligations of the United States Government, or bonds fully guaranteed by the United States Government, or by full faith and credit obligations of the State of Mississippi; provided, however, the state comptroller shall from time to time determine and fix the maximum percentage of the par value of all such securities that may be loaned.

(c) Loans and discounts to the extent that they are secured or covered by guaranties, or by commitments, or agreements to take over or purchase the same, made by any federal reserve bank, or by the United States, or any department, bureau, board, commission or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States; provided that such guaranties, agreements or commitments are unconditional and are to be performed by payment within sixty (60) days after demand; provided, further, that the state comptroller is hereby authorized to define the terms herein used and may by regulation control the making of loans under this paragraph (c).

(d) Loans and discounts secured in full by funds on deposit in time or savings accounts with the lending bank to the credit of the borrower.

Any officer or director who shall approve or make loans prohibited in this section shall be liable individually for the full amount of the principal and interest of any such loan. If the state comptroller shall discover, in any examination of any open bank that there is a loss on any loan made in violation of this section, he shall make demand of all directors and officers approving or making such loan for payment of the entire unpaid balance on any such loan.

Like demand shall be made and suit brought by the receiver of any bank in liquidation. Provided, however, this section shall not apply to loans to the State of Mississippi, or to any political subdivision thereof, nor to any levee district.

JUDICIAL DECISIONS

1. In general.

Modification by this section [Code 1942, § 5212] of the previous statute on the subject so as to allow banks to make charges on small loans did not impair the obligations of a contract but simply with-

drew previous impediments and rendered it enforceable as made, where previous statute did not expressly make the contract void for usury. *Deposit Guar. Bank & Trust Co. v. Williams*, 193 Miss. 432, 9 So. 2d 638 (1942).

The Federal Deposit Insurance Corporation, the Comptroller of the Currency, the Federal Reserve Bank, or the State Comptroller, Department of Bank Supervision, State of Mississippi, is hereby authorized to freeze any deposit which is made by any third party for the purpose of enticing any bank in the State of Mississippi, whether state or national, into making a loan which is unsafe and unsound and which does not mature prior to any attempt to withdraw such deposit so used to entice the making of said loan. This statute relates to deposits and loans which are not related in the customary function

of business but are manipulated and procured by third parties (by whatever name known) for profit and the withdrawal or attempt to withdraw said deposit before said loan is sufficiently satisfied shall be sufficient authority for any state or federal supervising authority to act promptly on evidence presented to it or obtained by said agency. If any bank in the State of Mississippi shall be put into liquidation and such deposit and loan arrangements have made any contribution whatsoever to the insolvency of said bank, then the state or federal agency, the duly appointed liquidating agency or receiver, or the appropriate chancery court in charge of the liquidation of said bank shall have the right and duty to withhold any liquidating dividends or payments for said deposit or deposits until the loan or loans which the deposits have influenced are fully satisfied, and the liquidating agent or receiver shall have the right upon the approval of the chancery court to assign said loan or loans so influenced to the depositor or depositors in satisfaction of said deposit or deposits claimed against the assets of the bank in liquidation.

Upon such affirmative vote, the converting institution may apply for a certificate of authority by filing with the commissioner a certificate signed by its president and cashier which sets forth the corporate action herein prescribed and asserts that the institution has complied with the provisions of the laws of the United States. The converting institution shall also file with the commissioner the plan of conversion and the proposed amendments to its articles of incorporation as approved by the stockholders for the operation of the institution as a state bank. The commissioner shall present his findings and recommendations to the State Board of Banking Review for consideration. Upon approval by the State Board of Banking Review, the commissioner shall issue a certificate of authority to the applicant allowing the conversion to proceed.

(a) Such real estate as shall be necessary in which to transact the business of any such bank, including with its banking offices, premises in the same building to rent as a source of income, also such real estate and improvements necessary for the operation and conduct of its branch banks, branch offices, drive-in windows and parking facilities not connected to the main office, branch banks or branch offices. The book value of the bank's real estate shall not exceed fifty per centum (50%) of its net capital funds as published by the last preceding call statement as of December 31, and this shall be without regard to population but subject to the approval of the state comptroller; however, the book value of such real estate and improvements shall be reduced each year the amount that is allowable for depreciation by the Internal Revenue Service until such book value shall be reduced to at least twenty-five per centum (25%) of the net capital funds as shown by its last published statement as of December 31. (c) Such real estate as shall be purchased at sale under judgments, decrees or mortgages, or deeds of trust, foreclosure under securities held by such bank or under any security or lien which is a superior lien to that held by said bank.

(d) Upon approval of the state comptroller, a bank may purchase additional real estate for future expansion or future new quarters but if said real estate is not developed for the purpose intended and purchased, the said real estate shall be disposed of within a period of five (5) years or reduced to a book value of one dollar (\$1.00).

Any real estate acquired as provided in subsections (b) and (c) of this section shall be carried in the bank statement at such sound values as may be

approved by the state comptroller, not to exceed its cost to the bank, and shall be sold within five years after the title thereto is acquired; unless the consent of the state comptroller is obtained in writing, extending such period; provided, however, no such extension shall be for more than five years. If any such real estate is not sold within the time herein limited, or within the time as extended by the state comptroller, it shall not thereafter be carried as a book asset of the bank in excess of one dollar (\$1.00). It is not the purpose of other real estate acquired under subsections (b) and (c) of this section to be treated as part of the fifty percentum (50%) of net capital recited in the first paragraph of this section.

(1) For the purposes of this section, the following words shall have the meaning herein described unless the context shall otherwise require:

(a) "Electronic terminal" means an unmanned electronic device owned or operated by a federally insured bank or thrift through which a consumer may initiate an electronic fund transfer.

(b) "Electronic fund transfer" means any of the following:

(i) The withdrawal of cash from or the deposit of cash or checks into an unmanned electronic device, such as an automatic teller machine, but not including night depositories;

(ii) An application for or acceptance of a loan through use of an unmanned electronic device;

(iii) The transfer of funds between accounts through use of an unmanned electronic device; or

(iv) The issuance of a check by an unmanned electronic device.

(c) "Electronic fund transfer" does not mean access to accounts, the application for or acceptance of a loan, the transfer of funds between accounts or other banking services accomplished through the use of a personal computer or telephone.

(2) A state bank or thrift, with the approval of the Commissioner of Banking and Consumer Finance, may establish electronic terminals.

(3) A bank desiring to establish such an electronic terminal shall file with the commissioner a written application requesting authority to establish such a terminal. Upon receipt of such application, the commissioner shall make inquiry into the facts sufficient to enable him to determine whether or not the proposed electronic terminal will provide bank customers with convenient access to the electronic transfer of funds. If the commissioner's finding is favorable to the application, he shall grant the applicant a written permit to establish the terminal. These rights are extended to national banks upon the approval of the Comptroller of the Currency of the United States of America.

(4) For the use of its electronic terminals connected to sharing networks or systems, a bank may impose a fee if imposition of the fee is disclosed at a time and in a manner that allows a user to terminate or cancel the transaction without incurring the transaction fee. Such fee shall not exceed Two Dollars (\$2.00) or four percent (4%) of the gross amount of the transaction, whichever is greater. An agreement to share electronic terminals shall not prohibit, limit or restrict the right of a bank to charge such fees for the use of its electronic terminals as allowed by state or federal law, or require a bank to limit or waive its rights or obligations under this section.

With said notice to the department of bank supervision the corporation shall file a detailed statement of its assets and liabilities.

(b) The stockholders of the corporation shall, by and with the approval of the state comptroller appoint a special agent who shall have charge of said liquidation and shall be responsible to the creditors and stockholders of such corporation and to the department of bank supervision for the proper liquidation of the affairs of the corporation. The special agent shall furnish bond to be approved by the state comptroller for the faithful performance of his duties as special agent and shall receive as salary not more than \$200.00 per month out of the assets of the liquidating bank while actively engaged in the liquidation of the affairs of the bank and shall be at all times under the supervision of the department of bank supervision. The certificate of appointment of the special agent shall be filed in the office of the department of bank supervision, and a certified copy filed in the office of the chancery clerk of the county in which the bank is domiciled.

(c) Upon the date set for the liquidation of the bank as per published notice the special agent shall take charge and file with the department of bank supervision a sworn detailed statement of the assets and liabilities of the bank as shown by the books of the same, a certified copy to be filed in the office of the chancery clerk of said county. He shall proceed to pay in full as presented all claims of creditors and depositors and shown by the books of the bank and all claims which may be proven against the bank.

(d) A sufficient bond to be approved by the state comptroller in such amount as he may require shall be furnished by the stockholders of the bank made and conditioned to insure the payment of all liabilities as shown by the books of the bank and all proven claims against the bank. The said bond shall be filed in the office of the department of bank supervision. Suit may be brought upon this bond by any creditor claimant, and such suit shall be filed in the chancery court of the county in which the corporation is domiciled. No suit may be brought upon such bond except within four months after date of liquidation as provided in paragraph (a) of this section. When any such suit shall be brought on said bond, notice shall be given by publication in a newspaper published in the county of the domicile of the bank, requiring all creditors and claimants to intervene in order to determine in one proceeding all claims of creditors.

(e) At the expiration of sixty days from the date of the liquidation as provided in paragraph (a) of this section, the special agent shall file with the department of bank supervision a detailed report of all his proceedings, collections and disbursements and list of all assets remaining and of all liabilities still unpaid or unclaimed, a certified copy of which shall be filed in the office of the chancery clerk of the county. A list of all unclaimed deposits or creditors as shown by the books together with the amounts due them, shall be delivered in cash, to the department of bank supervision to be deposited by the state comptroller in some bank subject to their order for payment upon presentation of claims by said depositors or creditors. The remaining assets of the bank may be distributed among the stockholders, provided the stockholders shall make sufficient bond approved by the state comptroller in amounts of the capital, surplus and undivided profits of the

banks, payable to the State of Mississippi, said bond to expire four months from the date of liquidation as provided in paragraph (a) of this section, if no claim or suit has been filed against such bond. At the expiration of this bond the state comptroller shall give notice by publication for three consecutive weeks in some local or county newspaper of the expiration of said bond, and the said bond shall be relieved from further liability, and the stockholders of the corporation shall be relieved from further liability as stockholders of such corporation.

§ 81-7-1. Application and procedure for establishment of branch banks; appeal; judicial review.

(1) Banks may establish branch banks under the restrictions prescribed in this chapter, but no branch bank may be established unless the parent bank shall have first obtained from the commissioner a certificate that the public convenience and necessity will be promoted by the establishment of such branch bank. Applications seeking permission for the establishment of branch banks shall be filed with the commissioner and shall be in such form and contain such information as the commissioner by regulation may require. A separate application shall be filed for each branch bank proposed to be established, and each application shall be accompanied by the fee required by statute, which shall be transferred by the commissioner into the maintenance fund of the Department of Banking and Consumer Finance.

(2) Upon receipt of such application, the commissioner shall immediately give written notice of the filing of said application to all banks having their domicile or a branch bank or branch office in the county in which the applicant bank maintains its principal office, together with all banks, branch banks or branch offices located in the county in which the proposed branch bank is to be located, and to such other banks and interested parties that, in the opinion of the commissioner, may have an interest in the application; and the commissioner shall also at the same time publish such notice once in a newspaper having a general circulation in the county in which the proposed branch bank is to be located. Any interested party may file a written protest to said application with the commissioner within thirty (30) days from the date of the mailing and publishing of said notice. Any protest shall specify the interest of the protestant in the application and state the grounds for the protest.

(3) If no protest is filed within the time prescribed, the commissioner shall investigate the facts and render a final decision within sixty (60) days after

receipt of the application as to whether the public convenience and necessity requires the establishment of the proposed branch bank, said decision to be based upon the results of the commissioner's investigation, the contents of the application and any additional evidence which the commissioner may request the applicant to furnish. If his decision is favorable to the applicant, he shall immediately grant the applicant a certificate to establish and operate the branch bank. If the commissioner's decision shall be unfavorable to the applicant, he shall immediately furnish the applicant bank a copy of his final decision.

Appeals from an unfavorable final decision may be taken by the applicant bank to the State Board of Banking Review by filing a notice of appeal with the commissioner within ten (10) days after the commissioner has rendered his final decision. The commissioner shall inform the board of such appeal, and the board shall hold a hearing on the matter within sixty (60) days after such notice is filed. At the hearing the board shall consider the findings and decision of the commissioner, shall hear such oral testimony as the commissioner may wish to give and shall also receive information and testimony from the applicant bank. The board may also consider such other information and evidence as it deems necessary to dispose of the application. The board shall render a decision within sixty (60) days after the conclusion of the final hearing on the matter. If the board's decision is favorable to the applicant, the commissioner shall immediately grant to the applicant a certificate to establish and operate the branch bank. If the board's decision is unfavorable to the applicant, the commissioner shall immediately furnish the applicant a copy of the board's final decision.

Appeals from an unfavorable board decision may be taken by the applicant bank within ten (10) days from the date of the board's order to the chancery court of the county in which the proposed branch bank is to be located. Except as otherwise provided herein, appeals by an applicant bank from the State Board of Banking Review to a chancery court shall be taken in the manner set forth in Section 81-3-13(2), which governs appeals from the State Board of Banking Review in regard to the incorporation of a new bank.

(4) If a protest to an application to establish a branch bank is received by the commissioner within the prescribed time, he shall investigate the facts and submit said application, the results of his investigation, and his recommendations as to the disposition of said application to the State Board of Banking Review within sixty (60) days after receipt of the application. The board shall hold a hearing on the matter within one hundred twenty (120) days after the application is received and render a final decision thereon within sixty (60) days after the conclusion of the final board hearing. Except as otherwise provided herein, the board shall conduct its proceedings in accordance with Section 81-3-13(1), which prescribes the procedures for actions by the board on applications to establish new banks.

Appeals from any final decision of the State Board of Banking Review acting upon a contested application may be taken by the applicant or any interested organization, person or persons who have participated in the

proceeding and feel aggrieved by such decision. Such appeals shall be taken within ten (10) days from the date of the board's order to the chancery court of the county in which the proposed branch bank is to be located. Except as otherwise provided herein, appeals from the State Board of Banking Review to a chancery court shall be taken in the manner set forth in Section 81-3-13(2), which governs appeals from the State Board of Banking Review in regard to the incorporation of a new bank.

(5) Notwithstanding the foregoing and any other provision of law to the contrary, if a branch bank has not been established and is not in operation within two (2) years from the date of the certificate approving such branch bank or within two (2) years from the date upon which any appellate litigation with respect to such certificate has been concluded, the certificate shall expire. Provided, however, the State Board of Banking Review may extend for good cause shown said two-year period a maximum number of two (2) times for periods not exceeding six (6) months each. This provision shall in no way affect certificates issued prior to March 21, 1980.

(6) Notwithstanding the foregoing and any other provision of law to the contrary, the commissioner may grant by regulation eligible banks, as defined in Section 81-3-1, certain preferences with respect to new branch activity which may include but are not limited to an expedited approval process.

JUDICIAL DECISIONS

1. In general.
2. Permission to open branch bank.
- 3.-10. [Reserved for future use.]
11. Under former § 81-7-5.

1. In general.

It is not the purpose of the Mississippi

statute to deter competition or foster monopoly, but to guard the public and public interests against imprudent banking, and if the public need will be served by the establishment of a branch bank, commendable activities in community devel-

opment by other bankers will not act to defeat its establishment. *Grenada Bank v. Watson*, 361 F. Supp. 728 (N.D. Miss. 1973), *aff'd*, 488 F.2d 1056 (5th Cir. 1974), *reh'g denied*, 490 F.2d 992 (5th Cir. 1974).

2. Permission to open branch bank.

The decision of the comptroller of banks of Mississippi under Code 1942, § 5226 to permit the establishment of a branch bank in an unincorporated community within 100 miles of the parent bank is amply substantiated by the facts and circumstances. *First Nat'l Bank v. Camp*, 471 F.2d 1322 (5th Cir. 1973).

The granting of permission to open a branch bank does not depend upon a showing that the existing banks are not rendering adequate service to their customers, or that a branch bank will be in a position to render better service to the public than the banks already in existence, but the finding must be that there is a public need for the establishment of the branch bank, or that the public convenience and necessity will be promoted by its establishment. *Grenada Bank v. Watson*, 361 F. Supp. 728 (N.D. Miss. 1973), *aff'd*, 488 F.2d 1056 (5th Cir. 1974), *reh'g denied*, 490 F.2d 992 (5th Cir. 1974).

3.-10. [Reserved for future use.]

11. Under former § 81-7-5.

In considering a national bank's simultaneous applications to relocate its main office and create a branch at its present main office the comptroller of currency could consider branching statutes to test the bank's good faith, but he was neither bound by state laws nor required to ignore them; His decision denying the applications was not capricious, arbitrary, or an

abuse of discretion in the light of the facts of the case. *First Nat'l Bank v. Camp*, 333 F. Supp. 682 (N.D. Miss. 1971), *aff'd*, 467 F.2d 944 (5th Cir. 1972).

A bank which, after consolidation with two smaller banks each serving communities of less than 3,500 population, maintained branch offices in the towns which the consolidated banks had previously served, could not maintain a bill for an injunction to restrain a second bank located in another city from opening branch offices in the towns. *Coahoma Bank & Trust Co. v. Bowen*, 218 So. 2d 868 (Miss. 1969).

When a state bank acquired all of the assets and liabilities of two smaller banks and consolidated them with it, the effect was that the charters of the smaller banks were extinguished, and thereafter the surviving bank had no right to carry on a general banking business in the communities of less than 3,500 population where the smaller banks had previously existed. *Coahoma Bank & Trust Co. v. Bowen*, 218 So. 2d 868 (Miss. 1969).

Where the action of the comptroller of the currency approving the establishment of a branch of a national bank complied with the federal statutory requirement that its establishment must be one which is expressly authorized to state banks by the law of the state, it will not be declared void. *Citizens Bank v. Camp*, 279 F. Supp. 824 (S.D. Miss. 1967).

The power to permit a bank to establish branch offices in the county in which it is domiciled is not limited to establishment within the corporate boundaries of municipalities. *First Nat'l Bank v. Canton Exch. Bank*, 247 Miss. 757, 156 So. 2d 580 (1963).

§ 81-7-7. Establishment of branch banks de novo or by merger or consolidation.

(1) For purposes of this section and Section 81-7-8, "branch bank de novo" or "branching de novo" refers to a branch established by the opening of a new branch bank and includes a branch bank or branch office acquired from another bank without acquiring substantially all of the assets of the other bank.

(2) Subject to the restrictions contained in Section 81-7-8, a bank may establish:

(a) Branch banks de novo within the applicable radius from the parent bank, as specified in subsection (5) of this section, subject to compliance with the procedures set forth in Section 81-7-1;

(b) Branch banks by the merger or consolidation with, or the purchase of all or substantially all of the assets of, any other bank located in Mississippi; and

(c) Branch banks de novo in accordance with subsection (3) of this section, subject to compliance with the procedures set forth in Section 81-7-1.

Compliance with the procedures set forth in Section 81-7-1 is not required to establish branch banks under paragraph (b) of this subsection.

(3) Subject to the restrictions contained in Section 81-7-8, after the establishment of a branch bank or branch banks outside of the applicable radius from the parent bank (of the surviving bank for branching purposes), as specified in subsection (5) of this section, as a result of a transaction pursuant to subsection (2)(b) of this section, a bank may establish branch banks de novo:

(a) In any county where any such branch bank established under subsection (2)(b) is located; and

(b) If any such branch bank established under subsection (2)(b) is located in a town or city situated in two (2) or more counties, in any of such counties; and

(c) If any such branch bank established under subsection (2)(b) is located in an area designated as a Metropolitan Statistical Area by the United States Office of Management and Budget or any successor designation based upon substantially the same criteria, throughout such area so designated, or if such area is not entirely located in Mississippi then throughout the portion of such area located in Mississippi.

1. In general.

§ 81-7-8. Restrictions upon establishment of branch banks.

(1) A bank chartered after October 16, 1985, may neither establish a branch by merger, consolidation or purchase as provided in Section 81-7-7(2)(b) nor become a branch as the result of such a transaction, unless such bank has been in continuous operation as a state or federally chartered bank, savings association or savings bank for at least its previous five (5) years of existence. For purposes of the five-year requirement, a bank which has been involved in an interim bank merger shall be deemed to have been in operation from the date it began operation under the original charter. "Interim bank merger" means the technique by which a bank holding company obtains a new bank charter solely for the purpose of merging an existing bank into the bank for which the charter is sought or solely for the purpose of merging the bank for which the charter is sought into an existing bank.

(2) A bank is prohibited from establishing a branch by merger, consolidation or purchase, as provided for in Section 81-7-7(2)(b), if upon such merger, consolidation or purchase the surviving bank and all of its branch banks and branch offices located in Mississippi would have combined deposits which exceed twenty-five percent (25%) of the total deposits of all offices located in Mississippi of commercial banks, savings banks, savings and loan associations and credit unions. Determination of the percentage of total deposit concentration limited by this subsection shall be made based on data contained in the most recent call reports or reports of condition furnished immediately prior to the merger, consolidation or purchase to the appropriate regulatory officials by

the banks involved in the merger, consolidation or purchase. "Appropriate regulatory officials" means, for any national bank in Mississippi, the Comptroller of the Currency of the United States or the Board of Governors of the Federal Reserve System of the United States; "appropriate regulatory officials" means, for any state-chartered bank in Mississippi, the Commissioner of Banking and Consumer Finance. In determining total deposits of all offices located in Mississippi of commercial banks, savings banks, savings and loan associations and credit unions, data shall be used as furnished by the Department of Banking and Consumer Finance as of the most recent calendar quarter for which complete data are available. For the purpose of furnishing such data, the department shall obtain from appropriate federal regulatory agencies the most recent data available regarding the deposits of federally chartered institutions. For purposes of this subsection and subsection (4) of this section, "deposits" mean all individual, partnership, corporate and government deposits (including, without limitation, all demand, savings, time, certificates of deposit and other similar depository accounts of individuals, partnerships, corporations and governmental bodies).

(3) In the sale of any insolvent bank made pursuant to the provisions of Chapter 9, Title 81, Mississippi Code of 1972, or pursuant to federal banking laws, the restrictions contained in subsections (1) and (2) of this section shall not apply to prevent the acquisition of such insolvent bank by another bank; and, additionally, neither restriction shall apply to prohibit any purchasing bank from retaining any established branches of the insolvent bank which the purchasing bank would otherwise be prohibited from establishing.

(4) For branching purposes, a parent bank is considered to be located where it was domiciled on June 30, 1986. For any bank opening for business after that date, a parent bank shall be considered for branching purposes to be located where it is first domiciled. Upon a merger, consolidation or purchase as provided for in Section 81-7-7(2)(b), the parent bank for branching purposes of the surviving bank shall be considered to be at the location of the parent bank for branching purposes of the bank involved in such transaction which had the greater amount of deposits based on data contained in the most recent call reports or reports of condition furnished immediately prior to the merger, consolidation or purchase to the appropriate regulatory officials referred to in subsection (2) of this section.

(5) In order for a parent bank to establish a branch bank through de novo branching, merger, consolidation or purchase after June 30, 1986, the parent bank shall have prior to the approval of any such branch application, and shall be expected to maintain, primary capital and total capital ratios equal to or above the minimum acceptable ratios established by the federal bank regulatory agency which primarily regulates and examines such bank. The components of capital and the method of computing the capital ratios shall be those defined by the applicable federal bank regulatory agency.

§ 81-7-11. Issues of stock for annexation of branches.

Subject to the provisions of subsections (2), (3) and (4) of Section 81-7-8, a bank may annex actively operating unit banks as branch banks by exchanging its own increase of common or preferred capital shares, issued for such annexation purpose, for the capital shares of the bank proposed to be annexed as a branch. Also a bank may annex branch banks by issuing additional common or preferred shares to be exchanged for the assets of closed banks, including assets other than cash. All transactions authorized by this section shall first be submitted in writing in full detail to the commissioner, and shall not be effective until he shall have made a careful analysis and investigation of the soundness of the proposed transaction, and shall have approved the same in writing. In no instance, however, shall the bank building and fixtures of the operating or closed bank, proposed to be annexed as a branch bank, represent in value more than one-third ($\frac{1}{3}$) of the amount of stock issued by the parent bank for the purpose of such annexation. For purposes of applying the

restrictions of subsections (2) and (3) of Section 81-7-8, the annexation of an actively operating unit bank described herein shall be considered the establishment of a branch by merger.

Any established unit bank (branch banks not included) may move from one municipality to a larger municipality, according to the latest federal census, within the county of its domicile, with the written consent and approval of the commissioner. However, any proposed movement of an established unit bank shall be subject to each and every restriction applicable to the location of branch banks as provided in this chapter, and, before giving any such consent and approval, the commissioner shall give to each bank in the county ten (10) days' notice in writing of the application of any bank to move its domicile.

JUDICIAL DECISIONS

1. In general.

Bankholding company's application to acquire shares and debentures of bank did not violate statute prohibiting group banking since terms of agreement which gave applicant right to name two directors to board of bank power to provide bank

with policy and operations advice, did not give applicant type of control over bank that would make applicant prohibited group banking system under statute. *Bancorp of Mississippi, Inc.*, 72 F.R.D. 257 (1986).

§ 81-7-21. Certain branches not affected.

None of the provisions of Sections 81-7-1, 81-7-3, 81-7-7 and 81-7-9 of this chapter shall be mandatory on branch banks heretofore established and in operation on the effective date of this chapter, nor on the parent bank of such branch banks so far as such branch banks are concerned, but such parent and branch banks shall continue to operate under the laws in effect immediately preceding the enactment of this chapter, so far as such branch banks already established are concerned. However, when any parent bank now in existence shall hereafter establish a branch bank, it shall so far as such branch banks hereafter established are concerned, comply with this chapter in all respects.

§ 81-9-1. Capital stock impaired; how restored.

When it shall be brought to the attention of the state comptroller that the capital stock of any bank is impaired to such an extent as to render a further continuance of its business hazardous to its creditors, depositors, or the public, he shall immediately request the stockholders to pay into the bank a sufficient

sum to restore the capital or to execute to him, for the use and benefit of all creditors whether then existing or thereafter created, a bond for such sum as may be required to fully restore the capital stock with good and sufficient sureties to be approved by him, conditioned that all just debts and liabilities, whensoever created, shall be paid in full. Such requests on the part of the state comptroller shall not be compulsory, and any stockholder may refuse to accede to such request. If the stockholders shall fail, within a time to be fixed by the state comptroller, to restore the capital stock or to give such bond, the state comptroller shall close such bank and submit the same to the proper chancery court for liquidation as provided in this chapter. However, when the state comptroller finds the capital stock of any bank to some extent impaired, but considers that a further continuance of its business will not be hazardous to its creditors, depositors, or the public, he may grant any such bank a reasonable time, to be determined by the state comptroller, to overcome or restore such impairment. If the impairment is not overcome or restored within the time allowed for this purpose, the state comptroller shall then proceed to deal with any such bank as provided for above.

If stockholders owning one-third ($\frac{1}{3}$) or more of the total outstanding capital stock of said bank shall refuse to accede to the comptroller's request, as above provided, for additional capital and if the cause of the comptroller's request shall have been in part the result of bad management as evidenced by unsatisfactory loans or investments, then any three (3) or more minority stockholders, representing one-third ($\frac{1}{3}$) or more of the total outstanding capital and surplus, if any, may petition the state comptroller for liquidation of the bank and, if satisfactory action be not taken by the state comptroller within ten days, as set out in said petition of the minority stockholders, then the said minority stockholders, representing one-third or more of the outstanding capital stock, shall have the right to petition the appropriate chancery court for liquidation of the bank and such other relief as the court may render. In such cases, the examination reports of the department of bank supervision and proper federal supervisory agencies shall be prima facie evidence of the cause to be heard.

The bank shall be a party respondent to the petition, unless the board of directors, by resolution voted for by a majority thereof, shall have submitted the bank and its affairs to the custody of the state comptroller, and waived service of process on the petition, in which event the hearing on such petition

may be ex parte. If no such resolution is passed the chancellor shall order a hearing on such petition at such time to be fixed by him, and shall order issuance of a summons for the bank, returnable at the time so fixed. Such sale when approved by the chancery court or chancellor shall have the effect of a quit claim of all the right, title and interest of the comptroller and of the insolvent bank in and to the property and assets so sold and transferred. § 81-9-13. Reopening banks under “freezing of deposits” agreements.

The comptroller of banks of the State of Mississippi is authorized to reopen any closed bank, with the approval of the chancery court of the county in which the bank is situated, or of the chancellor thereof in vacation, when at least three-fourths of the general depositors and creditors therein holding unsecured deposits, or any number of the general depositors and creditors therein, provided they own at least three-fourths of the unsecured deposits in or claims against such bank, agree to the reopening thereof and sign what is commonly termed a “freezing-of-deposits” agreement, under which they agree to accept repayment of their deposits and claims in deferred installments, for the full amount thereof or in reduced amounts, with or without interest, the period over which the deposits and claims are to be repaid and the rate of payment, together with the interest rate, if any, to be determined by the comptroller of banks, if the comptroller is convinced that such bank as reopened will be in a solvent condition and can repay the depositors and creditors the amounts of their deposits and claims in accordance with the terms of the agreement for the repayment of same.

Before any such bank shall be reopened, the entire plan for the reopening of the same, and all material facts in connection therewith, shall be submitted by the comptroller to the chancery court of the county in which the bank is situated, or the chancellor in vacation, by proper petition, duly verified, such petition to contain a statement of the assets and liabilities of the bank and such other information as may be necessary to convey to the court or chancellor the true facts with reference to the condition of such bank, and a decree of the court or chancellor in vacation obtained approving the plan agreed upon and submitted by the comptroller for the reopening of such bank and authorizing the same to be reopened. The hearing of such petition shall be had at such time and place as shall be fixed by the court or chancellor, after ten days' notice is given of such hearing by publication in some newspaper having a general circulation in the county in which the closed bank is located. The filing of a petition by any closed bank submitted to the jurisdiction of the chancery court of the county of its domicile and publishing of notice to creditors as otherwise provided by law shall vest in said court jurisdiction over all of the assets of said bank and of its creditors and empower it to so act hereunder.

When any closed bank has been reopened as herein provided, the general depositors and creditors thereof who have not expressly agreed to accept repayment of their deposits and claims in accordance with the freezing-of-

deposits plan shall be bound to accept repayment of their deposits and claims according to the terms of the decree of the court or chancellor in vacation and on the same basis and at the same rate as those general depositors and creditors who have signed the freezing-of-deposits agreement, except that this paragraph shall not apply to deposits of public moneys or to depositors and creditors holding preferred claims, or secured claims, nor to correspondent banks holding bills payable of the closed bank to the extent that same are adequately secured by the collateral held therefor.

Proper provision shall be made in the plan for the reopening of such bank to pay public depositors, depositors, and creditors holding preferred and secured claims and correspondent banks holding bills payable to the extent which they are adequately secured by collateral held, on terms acceptable to them, but any arrangement so made shall not operate prejudicially to the rights of the general depositors and creditors of the bank.

This section shall not be construed to give the comptroller the right to diminish the assets of a closed bank to the prejudice of the depositors and creditors thereof, and any assets that may be charged out as doubtful or as losses and not carried into the reopened bank as an asset, shall be held by the reopened bank in trust for payment pro rata of such parts of the claims of the depositors and creditors as under the decree authorizing the reopening of the bank are provided shall not be a charge against the assets of the reopened bank. The reopened bank shall be accountable to the said chancery court for the proper handling of such assets not taken into the reopened bank and the payment of the proceeds thereof to the creditors entitled thereto; but without restriction upon the public in dealing with the reopened bank relative thereto nor obligation upon the public so dealing to see that such bank properly accounts therefor.

This section is to be liberally construed as an exercise of the police power of the state as a sovereign to legislate with reference to banks as public utilities to promote the public welfare, and shall apply to all closed banks whether heretofore, now or hereafter closed.

1. In general.

Previous similar provision (Laws 1932, ch. 251) was held merely to change the method of liquidation, making the resumption of business a means of payment of creditors, and therefore not to impair contractual rights or to annul rights of property in violation of Art. I § 10, or of the Fourteenth Amendment of the Federal Constitution. *Doty v. Love*, 295 U.S. 64, 55 S. Ct. 558, 79 L. Ed. 1303, 96 A.L.R. 1438 (1935).

Provision of plan for reorganization of closed state bank, pursuant to previous similar statute (Laws 1932, ch. 251), in effect releasing old stockholders who participate in reorganization and advance new capital from part of stockholders' liability, held not invalid as impairing obligation of contract arising with stockholders who took stock in bank, where plan was substantially more beneficial to depositors than continuance of ordinary liquidation, and depositors could not show substantial prejudice. *Dunn v. Love*, 172 Miss. 342, 155 So. 331, 92 A.L.R. 1323 (1934), *aff'd*, 295 U.S. 64, 55 S. Ct. 558, 79 L. Ed. 1303, 96 A.L.R. 1438 (1935).

2. Disposition of assets and deposits.

When money of a ward is deposited in a bank under the authorization and direction of the chancery court, pursuant to previous similar provision (Laws 1932, ch. 251, § 2), the minor is bound by the provisions of this section [Code 1942, § 5245] as to funds on deposit; and such funds would be subject to the business risks taken by others in the prudent handling of the bank's business. *Dorsey v. Murphy*, 188 Miss. 291, 194 So. 603 (1940).

Where under a freezing agreement the bank established a pool of notes for collection to apply on certain frozen deposits, the bank could not collect on such notes and apply the receipt therefrom to its own

purposes, since under the agreement collections should be applied to the account of either the frozen deposit or the funds placed in the pool for the depositors whose claims were pooled. *Dorsey v. Murphy*, 188 Miss. 291, 194 So. 603 (1940).

3. Process.

Petition for reorganization of closed state bank is part of liquidation proceedings, and no original process by way of summons to depositors is necessary, since liquidation proceeding is quasi receivership. *Dunn v. Love*, 172 Miss. 342, 155 So. 331, 92 A.L.R. 1323 (1934), *aff'd*, 295 U.S. 64, 55 S. Ct. 558, 79 L. Ed. 1303, 96 A.L.R. 1438 (1935).

4. —Notice by citation.

In proceedings for liquidation of state bank wherein petition was filed for reorganization of bank, citation directed to parties in interest should be served in reasonable manner and for reasonable length of time, all circumstances considered. *Dunn v. Love*, 172 Miss. 342, 155 So. 331, 92 A.L.R. 1323 (1934), *aff'd*, 295 U.S. 64, 55 S. Ct. 558, 79 L. Ed. 1303, 96 A.L.R. 1438 (1935).

In proceeding for liquidation of state bank, wherein petition was filed for reorganization of bank, personal service of citation on selected fifteen out of five thousand depositors, and publication of citation in newspaper published in county wherein bank was located, held sufficient compliance with requirement that notice by citation should be given. *Dunn v. Love*, 172 Miss. 342, 155 So. 331, 92 A.L.R. 1323 (1934), *aff'd*, 295 U.S. 64, 55 S. Ct. 558, 79 L. Ed. 1303, 96 A.L.R. 1438 (1935).

Where petition for reorganization of closed state bank is filed in proceedings for liquidation of bank, citation to parties in interest need not be served either with same formality or for same length of time as original process by way of summons. *Dunn v. Love*, 172 Miss. 342, 155 So. 331, 92 A.L.R. 1323 (1934), *aff'd*, 295 U.S. 64, 55 S. Ct. 558, 79 L. Ed. 1303, 96 A.L.R. 1438 (1935).

Where a bank chartered under the laws of the State of Mississippi has failed, or may hereafter fail, and in the process of liquidation or after reorganization or reopening of such failed bank certain assets are placed in a separate fund for the benefit of creditors of such bank, it is found that said bank, or the owner of such trust assets, owns stock in, has a lien on, or is in any way interested in the stock of a corporation, organized and doing business under the laws of the State of Mississippi, and such bank, or owners of such trust assets, is unable to sell such stock at its reasonable fair value, and such stock is less than ten percent of the outstanding stock of said corporation, and the remainder of the stock of such corporation is owned by a small number of persons, then the chancery court of the county in which said bank is located is authorized and empowered in a suit brought for that purpose, to fix the value of said stock. In the event the holders of the majority of the stock will not pay the value as fixed by the court then the court shall order the assets of said corporation, or a sufficient amount thereof, to be sold to pay the value of said stock as fixed by the court, if the surplus undivided profits and other accumulations of said corporation are sufficient to take care of the value of said stock as fixed by the court without seriously interfering with the continued operation of said corporation.

JUDICIAL DECISIONS

1. In general.

Where receiver is merely custodian of fund for distribution to beneficiaries of proceeds of law suit which has been compromised and settled, it is within discretion of trial court to permit a beneficiary to intervene and file claim to portion of the fund after the expiration of the time allowed by order of the court for that pur-

pose. *Edwards v. Williams*, 196 Miss. 618, 18 So. 2d 128 (1944).

A claim should be admitted at any time before actual distribution, or even after partial distribution if there is surplus in hands of receiver so as not to interfere with payments already made, even though not filed within the time specified in an order given for the publication of

notice, where reasonable excuse for such delay is shown. *Edwards v. Williams*, 196 Miss. 618, 18 So. 2d 128 (1944).

entitled to participate in first dividend declared payable to those who had complied with the terms of such notice, where no notice had been mailed to the claimant who neither knew of the appointment of the receiver nor of the fact that a fund was to be distributed until after the time limitation had expired, and where the receiver had on hand undistributed funds sufficient to pay the declared dividend to all certificate holders. *Edwards v. § 81-9-37. Reports by receiver; petition for discharge.

(1) The receiver shall make such reports of his administration to the chancellor as the chancellor may require, which reports shall be filed in the court file of the receivership cause. Before the receivership cause shall be closed, a final report shall be made of such matters as may be required by the chancellor, and which shall include classified lists and totals of expenses; the gross amount of collections; classified lists and totals of disbursements to common creditors and other claimants; and all dividends on hand belonging to depositors, creditors, stockholders or others which for any reason have not been distributed; also the names of such depositors, creditors and stockholders, together with the amount of dividends belonging to each.

(2) The receiver shall file a petition for discharge with his final report, and the final report, together with said petition, shall remain on file subject to the inspection of any person interested. If the chancellor is satisfied with the final report of the receiver, he shall, by order entered on the minutes of the court, direct that the clerk of the court cause a notice to be run in a newspaper published in the county wherein the receivership is pending, or if none is so published, in some newspaper having a general circulation therein, which notice shall state that the liquidation of the bank has been completed and that the final report of the receiver and petition for his discharge are on file; that unless written objection is filed with the clerk of the court within thirty days from the date of the first publication of the notice, all persons shall be forever precluded from filing any claim against the bank or the receiver, and from questioning any of the acts of the receiver, except for fraud. Said notice shall be published once a week until the expiration of said thirty day period.

(3) Should the receiver have dividends on hand belonging to depositors, creditors, stockholders or others which have not been distributed the notice hereinabove referred to shall specify this fact, and shall give the name of each party who is entitled to such dividend, but it shall not be necessary to give the amount thereof. The notice shall direct that said parties call for said dividends prior to the day set for the filing of written objections, otherwise, their claim thereto shall be forfeited. On the day of the final hearing if there are dividends on hand which have not been called for, the receiver shall not be discharged, but the chancellor, by order entered on the minutes of the court, shall direct the receiver to make distribution of such unclaimed dividends to the known

depositors and creditors pro rata. In the event the known depositors and creditors have already been paid in full, or if any are unpaid an amount in cash equal to that requisite to pay every such person, as shown to be due to them by the books of the bank is set apart and paid over in accordance herewith to the state comptroller as herein provided, the amount, if any, remaining shall be distributed to the stockholders pro rata.

(4) If on the day of the final hearing there are no dividends on hand for distribution and there have been no objections filed to the discharge of the receiver, the chancellor shall enter an order granting his discharge. If there are dividends on hand, the chancellor shall direct their distribution as above provided. Should written objections be filed to the discharge of the receiver within the time above provided, the chancellor shall set the matter for hearing in vacation or in term time as he may deem proper, and the same shall be proceeded with as any other action in chancery. In no event shall anyone be permitted to file an objection after the time specified in the notice above provided for.

(5) Should there be any dividends to stockholders not called for at the expiration of thirty days from the date the chancellor orders the distribution as above provided in subsection 3 of this section, the receiver shall pay the same and all amounts due to depositors and creditors who have not called for payment, to the state comptroller, who shall hold the same for the parties entitled thereto hereunder for a period of at least one year from the date of its receipt by him, and notice shall be given as hereinafter provided.

(6) Where any depositors' liquidating corporation has not paid its depositors in full, and has realized everything possible from its assets, but still has on hand insufficient money to make a distribution to its creditors, the chancery court creating such corporation may, upon finding such facts, dissolve such liquidating corporation and discharge its directors and their sureties, and make such orders with respect to the cash on hand as may appear equitable and proper, after an application for a dissolution of said corporation, accompanied by a final report of the administration thereof from the date of the creation of said corporation, has been on file with the clerk of said court not less than thirty days, and notice of the filing thereof has been given by inserting one notice in a newspaper published in the county wherein the receivership is pending not less than ten days before the date set for the hearing thereof.

(7) Nothing contained in this section shall apply to any bank heretofore or hereafter liquidated by the Federal Deposit Insurance Corporation.

It is the purpose of this section to require that the claims of all depositors and creditors as reflected by the books of the bank, be paid, whether proven or not, provided they are called for within the period stipulated in this section. The bank shall continue as a corporation until that authorized hereunder to be done has been accomplished whereafter its charter shall be surrendered as provided by law.

(a) If the receiver shall have heretofore paid, or shall hereafter pay, or have assets readily convertible for payment to each and every depositor, creditor and claimant of such bank whose claim or claims shall have been filed, whether duly proven and allowed or undisposed of, the principal amount, with additions, if any, shown by the books of the bank to be due by the bank, or if every such unpaid depositor, creditor or claimant for whom no such provision has been made as above, if any there be, consents thereto in writing, and the receiver shall have paid all expenses of the liquidation, all out of the assets of the failed bank, upon petition of a board of directors to be selected by the stockholders of the bank at a special meeting to be held therefor on call of any of the former officers of the bank, and with the consent of all claimants or creditors who have filed claims which have not been finally disposed of or which are disputed, and with the consent of every person, firm or corporation having a lien on the assets of the bank, if any there be, the receiver shall deliver to any such agent or agents of said bank, selected by the board of directors as hereinabove provided, upon a decree therefor made by the chancery court or the chancellor in vacation, all undivided and uncollected or other assets of said bank then remaining in his hands or under his control subject to any liens thereupon. On such delivery, the receiver and the surety on his bond shall be discharged from any and all liability to the bank, its creditors and all other persons, provided that (1) before making such delivery, the receiver shall have turned over to the state comptroller for depositors the principal amount, with additions, if any, shown by the books of the bank to be due by the bank to such depositors, and provided, (2) that the receiver shall file a final report showing all such matters and things as should be embraced in the final report hereinabove required for complete liquidation. Thereupon the chancellor shall by order entered direct that the clerk of the court cause a notice to be run in a newspaper published in the county where the receivership is pending, or if none is so published, in some newspaper having a general circulation therein, which notice shall state that the liquidation of the bank by the receiver is to be terminated and the assets remaining delivered to the bank as herein provided, and that the final report of the receiver has been filed and an application made to transfer the remaining assets in accordance

herewith to an agent of the bank, and unless written objection is filed with the clerk within thirty days from the first publication of the notice, all persons shall be forever precluded from filing any claim against the receiver or from questioning any of the acts of the receiver except for fraud, or claims, demands and rights which are to be assumed by the bank and subject to which the transfer is to be made. Said notice shall be published once a week until the expiration of said thirty day period.

(b) All unpaid deposits, debts and dividends hereunder paid over to the state comptroller of banks shall be held in trust for the parties rightfully entitled thereto, to whom payment thereof shall be made, less any costs lawfully deductible therefrom. In case the state comptroller shall be in doubt as to the person or amount, he may file in regard thereto a bill of interpleader and thereupon be finally discharged, paying from such amount so deposited in court, the requisite costs for filing such bill.

Within one year after receipt of any amount from a receiver, the state comptroller shall give notice of unclaimed amounts by publication in some newspaper having a general circulation in the county where such banking corporation was domiciled, once a week for three consecutive weeks, notifying such unpaid persons to come forward and claim the amounts due, and in said notice stating the amount of money received, the name of the party who is entitled to any portion thereof according to the books of the bank, but without specifying the amount, and shall command said parties to call for such amounts prior to the date fixed for payment to the state treasurer, and stating that unless they shall do so, the amounts will be paid over to the state treasurer in trust on or after a day therein to be named. After the expiration of said time, the state comptroller shall pay over such amounts held by him to the state treasurer, less any publication or other costs incurred in connection therewith and give to the state treasurer a list of all persons entitled to any amount together, if possible, with the amount thereof and the residence, if possible, of such person. Thereupon the state treasurer shall be required to place the amount so paid over to him in a special trust fund in the state treasury for the benefit of any and all persons rightfully entitled thereto, and thereafter when said funds are so paid over, there shall be no further liability on the bank, its receiver, the state comptroller, his bond or any other agent or employee, for any amount so thus paid over to the state treasurer under this section. Persons rightfully entitled to any such amounts so paid over into this trust fund shall be paid the amount thereof direct from such trust fund by the state treasurer without specific appropriation therefor, such payment to be made by the state treasurer upon requisition drawn by the state comptroller on the written approval of the attorney general. The state comptroller and the state treasurer shall have power to pay from such amount on hand the cost of any publication and other expense items properly incurred chargeable thereto, which amounts shall be deducted from the amount to be paid over. The state comptroller or the state treasurer may apply the interest earned by the money so held by either of them, if any, towards defraying the expenses of the payment and the distribution to the persons entitled.

(c) After the expiration of fifteen (15) years from the date of the receipt of such amount by the state treasurer, the deposits and amounts then unclaimed shall be placed by the state treasurer in the general fund of the State of Mississippi, and such fund shall belong to the State of Mississippi, free from the claims of all persons whatsoever.

(d) The delivery of such assets to such agent of said bank, selected as aforesaid, and the discharge of such receiver shall not release, discharge or affect any right, claim or action which any creditor or claimant consenting to such transfer and discharge might then or thereafter have against said bank, or the stockholders of the bank on account of their double liability, if any, if the assets of the bank are insufficient to pay said creditors' or claimants' claims in full, with interest, if any is due; it being the intention hereof that the liability of the bank and its stockholders, if any, shall not be affected or released by the discharge of the receiver. The court having jurisdiction of the receivership shall retain jurisdiction over any suit, petition or proceeding brought pursuant hereto, and especially involving a contested claim for depositor or creditor, and such suit, or suits, may be as fully and completely determined and adjudicated by said court as if had under the receivership.

(e) Such agent or agents under the direction of the board of directors of said bank shall convert the assets coming into his or their possession into cash, if so directed, and after paying all taxes and any and all unpaid claims, lawfully established, and the expenses of said liquidation, shall distribute the assets in cash or kind pro rata among the stockholders of the bank in proportion to the stock held by each and every stockholder. Such bank may from time to time hold meetings of its stockholders in accordance with its by-laws for the election of boards of directors and such other corporate business as may properly come before the meeting looking towards its liquidation, and such directors may, from time to time, replace such agent or agents in charge of such liquidation, paying such agent or agents such compensation as they may determine. All expenses of such liquidation by such agent or agents shall be subject to approval by the board of directors of the bank.

(f) Prior to or contemporaneously with the delivery of said assets to the agent or agents of said bank, it shall be a condition thereto that all persons having a direct lien on the assets of the trust and also all persons having an undisposed of disputed claim, if any there be, pending in the receivership, be required to give their consent in writing to the release of the assets in the hands of the receiver to the bank. When the court is satisfied of compliance with all requirements hereinbefore contained, a decree shall be entered which shall have the effect (1) to discharge the receiver and his surety from all liability to all persons; (2) to revest title to all assets withheld by the receiver in the old banking corporation and to vest such corporation with full authority to receive and deal with such property for purposes only of effective liquidation.

JUDICIAL DECISIONS

1. In general.

All persons are charged with notice of the conditions under which settlements may be made under this statute, and in cases not involving the approval of the chancery court as to settlements of indebtedness due a bank being liquidated, this section must be complied with. Under this section [Code 1942, § 5271] the power of the liquidating agent to make a settlement is dependent upon the order of the

directors spread on the minutes and, in the absence of such authority so entered on the minutes, signed by all five of the directors, a settlement could not be bindingly made without presenting the matter to the chancery court which created the liquidating corporation, and securing its approval of the settlement. *Williams v. Peoples Bank Liquidating Corp.*, 184 Miss. 167, 185 So. 579 (1939).

§ 81-9-63. Sale of assets to going bank.

By and with the approval of the chancellor and of the state comptroller any liquidating corporation may sell any portion or all of the assets of the bank being liquidated by such corporation to an active and operating bank, the purchase price to be in cash or on terms, or otherwise; or, the purchasing bank may be allowed to assume a percentage of the liabilities of the insolvent bank, with optional privilege to the creditors to receive cash or other property in settlement of their claims. Under this section chancellors shall have broad powers and discretion to approve plans which are for the best interests of creditors of closed banks taken as a whole.

§ 81-9-71. Final report and dissolution of the corporation.

(1) When the affairs of the bank shall be completely liquidated, or liquidated in so far as it is practical for the directors so to do, they shall make, or cause to be made, to the chancery court of the county in which the corporation is domiciled a final report, the correctness of which shall be sworn to by at least one director of the corporation, either upon personal knowledge or upon information and belief, after a careful examination of the report. Such report shall include the gross amount of collections and the total amount of all disbursements to common creditors, depositors, or other claimants, and the amount of all dividends on hand belonging to common creditors, stockholders, or others, which for any reason have not been distributed and they shall also file as part of such report the following books and records of said corporation, to wit: The journal and the general ledger kept by the corporation and the minute book of the corporation and also the ledger showing the amount due each depositor and other creditors at the time the corporation was created and upon which dividends were paid, or such other books, set of books, or records used by or that were set up by said corporation which reveal the above enumerated facts, and if available the audit of the department of bank supervision showing all assets and liabilities of the bank in liquidation.

(2) The directors shall file a petition for their discharge and a dissolution of the corporation with their report, and the final report together with said petition shall remain on file subject to the inspection of any person interested for the time and in the manner hereinafter provided. Upon the filing of said petition and report in the chancery clerk's office in the county in which the corporation is domiciled, the clerk shall immediately notify the chancellor by registered mail of the filing of said petition and report whereupon the chancellor by order entered upon the minutes of the court shall direct the clerk of the court to have a notice published in some newspaper in the county wherein the corporation is domiciled, or if none is so published, then in some newspaper having a general circulation therein, which notice shall state that the liquidation of the bank has been completed and that the final report of the directors and petition for their discharge and dissolution of the corporation are on file; that unless written objection is filed with the clerk of the court within forty-five (45) days from the date of the first publication of the notice, all persons shall be forever precluded from filing any claim against the bank, corporation, or the directors and officers, and from questioning any of the acts of the directors or officers except for fraud. Said notice shall be published once a week for four successive weeks.

(3) Should the directors have dividends on hand belonging to the depositors, creditors, stockholders or others which have not been distributed, the

notice hereinabove referred to shall specify this fact, and shall give the name of each party who is entitled to such dividend, but it shall not be necessary to give the amount thereof. The notice shall direct that said parties call for said dividends prior to the day set for the filing of written objections, otherwise their claim thereto shall be forfeited. On the day of the final hearing if there are dividends on hand which have not been called for, the directors shall not be discharged, or the corporation dissolved, but the chancellor by order entered on the minutes of the court shall direct the directors to make distribution of such unclaimed dividends to the known depositors and creditors pro rata; provided, that in the event the known depositors and creditors have already been paid in full, such unclaimed dividends shall be distributed to the stockholders pro rata.

(4) If on the day of the final hearing there are no dividends on hand for distribution and there have been no objections filed to the discharge of the directors and the dissolution of the corporation, the chancellor shall enter an order granting the discharge of the directors and a dissolution of the corporation. If there are dividends on hand, the chancellor shall direct their distribution as above provided. Should written objections be filed to the discharge of the directors and the dissolution of the corporation within the time above provided, the chancellor shall set the matter for hearing in vacation or term time as he may deem proper, and the same shall be proceeded with as any other action in chancery. In no event shall anyone be permitted to file objections after the time specified in the notice above provided for.

(5) Should there be any dividends not called for at the expiration of forty-five (45) days from the date the chancellor orders the distribution as provided in subsection (3) hereof, the directors shall pay the same to the state comptroller who shall hold the same for parties entitled thereto for a period of one year from the date of the order of the chancellor directing the distribution. If said funds are not called for before the expiration of said period, the owners shall lose all right thereto, and the state comptroller shall pay the same, or so much thereof as remains in his hands, into the state treasury. Upon the directors making the distribution provided for in subsection (3) hereof, either by paying said funds to the parties entitled thereto, or by paying the same or a part thereof to the state comptroller, they shall report such fact to the chancellor, who shall enter his decree granting the discharge of the directors and the dissolution of the corporation, and the court or chancellor in vacation, shall have the power and authority during the course of proceedings under this section to make all such orders as he may deem right and proper to fully carry out the purposes of this section.

(6) When the final decree of the discharge and dissolution is entered by the court or chancellor in vacation, it shall be the duty of the clerk to immediately turn over to the state comptroller all the books of the corporation which have been filed with said cause and take a receipt from said comptroller therefor and file said receipt with the papers in said cause. It shall be the duty of the state comptroller to receive said books, and receipt therefor and to file and preserve the same in his office as other bank records.

JUDICIAL DECISIONS

11. Under former § 81-11-23.

1.-10. [Reserved for future use.]

11. Under former § 81-11-23.

In granting or denying the right to establish a savings and loan association or a branch office, the board exercises a licensing power which is essentially a legislative function, so that the scope of judicial review in such cases is to determine whether the order granting or denying the license is supported by substantial evidence, is arbitrary or capricious, is beyond the board's power, or violates some constitutional or statutory right of an interested party. *Bankers Trust Sav. & Loan Ass'n v. Bank of Winona*, 243 So. 2d 415 (Miss. 1971).

A state chartered savings and loan association, by substantial compliance with the provisions of the former Code 1942, § 5310, obtained a charter amendment, which became effective prior to the effective date of Code 1942, §§ 5288-01 et seq., authorizing it to move its principal office or place of business from Columbus to Oxford. *North Miss. Sav. & Loan Ass'n v. Confederate States Sav. & Loan Ass'n*, 250 Miss. 463, 166 So. 2d 119 (1964).

The right given to a state chartered savings and loan association by Code 1942, § 5319, prior to the 1962 amendment, to choose or elect to maintain an office in the county of its domicile was one

which the Board of Savings and Loan Associations could not impair or modify in a proceeding to prevent the savings and loan association from changing the location of its home office from one city to another within the state. *North Miss. Sav. & Loan Ass'n v. Confederate States Sav. & Loan Ass'n*, 250 Miss. 463, 166 So. 2d 119 (1964).

Since the rights vested in a state chartered savings and loan association by virtue of its charter amendment, changing its domicile from Columbus to Oxford, including the right to establish and maintain an office in Oxford, were rights created prior to the effective date of Code 1942, §§ 5288-01 et seq., the Board of Savings and Loan Associations could not precipitately annul or modify such rights in view of Code 1942, § 5288-38. *North Miss. Sav. & Loan Ass'n v. Confederate States Sav. & Loan Ass'n*, 250 Miss. 463, 166 So. 2d 119 (1964).

A savings and loan association seeking to prevent another savings and loan association from changing its home office from one city to another within the state could not, in that proceeding, attack the validity or legality of the stockholders' meeting at which the charter amendment, authorizing the other savings and loan association to make the change of location, was approved by its stockholders. *North Miss. Sav. & Loan Ass'n v. Confederate States Sav. & Loan Ass'n*, 250 Miss. 463, 166 So. 2d 119 (1964).

§ 81-12-24. Removal of officers and directors.

(1) If, in the commissioner's opinion, after an examination, audit, or investigation, it is determined that any director or officer or any employee or controlling stockholder of any association has knowingly participated in or consented to any violation of this chapter, or any other law, rule, regulation or order, or any repeated violation of or failure to comply with any association's bylaws, and that as a result, a situation exists requiring immediate corrective action, the commissioner shall give notice to the board of directors of the association setting forth the violations and the remedies for same. Failure of the board of directors to comply with the requirements of the commissioner within ten (10) days from the date of the notice shall render the board of directors in default thereupon. Upon the expiration of such ten (10) days and upon continuation of such noncompliance and default, the commissioner may issue an order temporarily removing such person or persons cited for improper conduct as above described pending a hearing before the commissioner. In regard to a controlling stockholder, the commissioner may order the stockholder to place all his voting stock in a voting trust, the trustee of the voting trust to be designated by the commissioner. (2) Any removal pursuant to subsection (1) of this section shall be effective in all respects as if such removal had been made by the board of directors or the shareholders of the association in question.

(3) Without the prior written approval of the commissioner, no director or officer removed pursuant to this section shall be eligible to be elected or reelected to any position as an officer or director of that association nor shall such an officer or director be eligible to be elected to or retain a position as an officer or director of any other association or financial institution.

(4) The commissioner may appoint a director or officer to fill any vacancy caused by a removal pursuant to this section, but such appointed director or officer, should such removal be permanent, shall be appointed only to serve the balance of the term of the vacant position. The commissioner may waive the requirements of Section 81-12-83(3) of a director appointed under the provisions of this section. Such director shall be eligible to be elected by the shareholders thereafter. Such officer shall be eligible to be elected by the board of directors of an association.

§ 81-12-35. Organization of mutual association; subscription by incorporators; bond; expense fund; organization meeting.

(1) A mutual association shall be organized in accordance with this section. The incorporators shall appoint one (1) of their number as chairman of the incorporators. The incorporators, before a certificate of incorporation is issued, shall pay in cash to such chairman, as subscription to the savings accounts of any proposed association, including that part of the original subscription paid by such chairman, an aggregate amount, fixed as follows in relation to the population of the municipality in which the home office of the association is to be located: (a) in municipalities having not more than twenty-five thousand (25,000) inhabitants, the minimum sum of Five Hundred Thousand Dollars (\$500,000.00); (b) in municipalities having more than

twenty-five thousand (25,000), but not more than one hundred thousand (100,000) inhabitants, the minimum sum of One Million Dollars (\$1,000,000.00); (c) in municipalities having one hundred thousand (100,000) or more inhabitants, the minimum sum of One Million Five Hundred Thousand Dollars (\$1,500,000.00). The population of the municipality shall be determined by the commissioner based upon the latest federal decennial census.

(2) The incorporators shall procure from a surety company or other surety acceptable to the commissioner, a surety bond in form approved by the commissioner in an amount equal to seventy-five percent (75%) of the minimum original subscription required by paragraph (1). Such bond shall name the commissioner as obligee and shall be delivered to him. It shall assure the safekeeping of the funds subscribed and their delivery to the association after the issuance of the certificate of incorporation and after the bonding of the officers. In the event of the failure to complete organization, such bond shall assure the return of the amounts collected to the respective subscribers or their assigns, less reasonable expense which shall be deducted from the expense fund.

(3) The incorporators, in addition to their subscriptions to savings accounts, shall create an expense fund in an amount not less than twenty-five percent (25%) of the minimum amount of savings account subscriptions required to be paid in under this chapter, from which expense fund the expense of organizing the association and its operating expenses may be paid until such time as its net income is sufficient to pay such earnings as may be declared and paid or credited to its savings account holders from sources available for payment of earnings. The incorporators and others, before a certificate of incorporation is issued, shall deposit to the credit of the chairman of the incorporators in cash the amount of the expense fund. The amounts contributed to the expense fund by the incorporators and others shall not constitute a liability of the association except as hereinafter provided.

(4) Contributions made by the incorporators and others to the expense fund may be repaid pro rata to the contributors from the net income of the association after provision for statutory reserves and declaration of earnings of not less than the contract or prevailing rate whichever may be applicable. In case of the liquidation of an association before contributions to the expense fund have been repaid, any contributions to the expense fund remaining unexpended, after the payment of expenses of liquidation, all creditors, and the withdrawal value of all savings accounts, shall be repaid to the contributors pro rata. The books of the association shall reflect the expense fund. Contributors to the expense fund shall, at the times earnings regularly are distributed to savings account holders, be paid earnings on the amounts paid in by them and remaining unreimbursed, and for such purpose such contributions shall be considered as savings accounts of the association.

(5) Within thirty (30) days after the corporate existence of an association begins, the directors of the association shall hold an organization meeting and shall elect officers pursuant to the provisions of this chapter and the bylaws. At

the organization meeting the directors shall take such other action as is appropriate in connection with beginning the transaction of business by the association. The commissioner may extend by order the time within which the organization meeting shall be held for a period not to exceed thirty (30) days.

§ 81-12-37. Capital stock association; minimum required capital; paid-in surplus; determining and maintaining adequate net worth.

A capital stock association shall be organized in accordance with this section. The incorporators shall appoint one (1) of their number as chairman of the incorporators. The capital of a capital stock association shall be the sum of the par value of all shares of voting capital stock. The minimum required capital shall be: (a) in municipalities having not more than twenty-five thousand (25,000) inhabitants, the minimum sum of Five Hundred Thousand Dollars (\$500,000.00); (b) in municipalities having more than twenty-five thousand (25,000), but not more than one hundred thousand (100,000) inhabitants, the minimum sum of One Million Dollars (\$1,000,000.00); (c) in municipalities having more than one hundred thousand (100,000) inhabitants, the minimum sum of One Million Five Hundred Thousand Dollars (\$1,500,000.00). No commissions, fees or other remuneration shall be paid for the sale of shares of capital stock necessary to meet the minimum capital and paid-in surplus requirements of this section. No incentive stock shall be issued. All stock shall be sold at not less than par value.

In addition to the minimum capital required above, the subscribers shall pay an additional amount equal to not less than twenty-five percent (25%) of the par value of the stock subscribed, which shall be credited to paid-in surplus and may be used to offset losses from operations. Such minimum capital and surplus may be used for the reserves required by law as may be permitted by the board.

After organization or conversion, each capital stock association shall maintain an adequate net worth appropriate for the conduct of its business and the protection of its savings account holders. The net worth adequacy of a capital stock association shall be determined by the commissioner on a regular basis but not less than one (1) time per year after evaluating the character of management, the liquidity or quality of assets, history of earnings and the retention thereof, the potential volatility of the deposit structure, and the

association's capacity to furnish the broadest service to the public. A written report of such finding and determination shall be made and filed. Such report shall include actions recommended to be taken. A copy of such report shall be sent to each member of the board and considered by the board at its next meeting.

any person to believe that his or its business is that of an association. Upon application by the commissioner or any association, an injunction may issue to restrain any such entity from violating or continuing to violate any of the foregoing provisions of this subsection. Any person who violates any provision of this subsection shall be punished by a fine of not more than Five Thousand Dollars (\$5,000.00), and each day of violation shall constitute a separate offense. Five (5) copies of an application to the commissioner for approval shall be signed by two (2) officers of the association and acknowledged before an officer competent to take acknowledgments of deeds, and filed with the commissioner.

(ii) Whenever the commissioner shall receive from any association pursuant to item (i) of this paragraph (b) an application for change of location of its home office to a municipality other than that in which it is located, he shall make a determination based upon the criteria set out in Section 81-12-27 in the case of establishment of a newly chartered association, and thereafter a hearing shall be held in the manner, within the time and on the notice provided for in Section 81-12-29 and no change of location shall be made without approval of the board.

(iii) Whenever the commissioner shall receive from any association pursuant to item (i) of this paragraph (b) an application for change of location of its home office to another location within the same municipality, the commissioner shall prescribe the form of the petition, prerequisites and requirements. If no protests are filed after notice is given as provided in Section 81-12-29(1), the commissioner may approve such application if it meets the established prerequisites and requirements. If protests are filed, the commissioner, upon reasonable notice to the applying association and its attorney and to the protestants and their attorneys, shall hold a hearing and, based upon his written findings at such hearing, issue a certificate of approval or disapproval.

(3) Upon approval of an application for a change of name or home office location, the commissioner shall endorse on each copy of such application a certificate of approval, as provided in this chapter. When the commissioner shall have endorsed such approval upon the copies of an application for approval of change of name or change of location of home office, he shall file one

(1) copy thereof with the Secretary of State, two (2) copies with the federal home loan bank of which the association is a member, return one (1) copy to the applicant association and retain the original copy in the permanent files of his office.

Any association which obtains its charter of incorporation subsequent to July 1, 1977, and which shall not commence business within six (6) months after the date upon which its corporate existence shall have begun, shall forfeit its corporate existence, unless the commissioner, before the expiration of such period of six (6) months shall have approved the extension of time within which it may commence business not to exceed ninety (90) days, upon a written application stating the reasons for such delay. § 81-12-47. Insurance accounts; liquidation of noncomplying existing associations; false representation as to insurance; penalty; injunction.

(1) Each association which obtained its charter of incorporation prior to July 1, 1977, and was organized and engaged in business on July 1, 1977, must submit evidence satisfactory to the commissioner that it has:

(a) Obtained insurance of its savings accounts and share accounts by the Federal Deposit Insurance Corporation or an agency of this state established for the purpose of insuring savings accounts of associations organized under this chapter; or

(b) Become a federal savings and loan association and a member of the federal home loan bank system; or

(c) Merged into, been acquired by, or otherwise consolidated with an existing association whose savings accounts and share accounts are insured by the Federal Savings and Loan Insurance Corporation or by some other federal agency or an agency of this state established for the purpose of insuring savings accounts of associations organized under this chapter; provided any merger into, acquisition by or consolidation with an insured association must have prior approval of the board; or

(d) Entered into voluntary or involuntary liquidation.

(2) No charter of incorporation shall be granted or approved by the board after July 1, 1977, unless the applicant for such charter submits sufficient evidence satisfactory to the board that its savings accounts and share accounts are insured by the Federal Deposit Insurance Corporation or an agency of this state established for the purpose of insuring savings accounts of associations organized under this chapter, or will be so insured immediately subsequent to the approval of the charter of incorporation by the board.

(3) No association that obtained its charter prior to July 1, 1977, but which was not organized and engaged in business on July 1, 1977, shall accept deposits unless and until it first complies with subsection (2) of this section, and any additional requirements imposed as to charters granted after July 1, 1977.

(4) Notwithstanding any other provision of state law to the contrary, if any association which obtained its charter of incorporation prior to July 1, 1977, and was organized and engaged in business on July 1, 1977, has not accomplished one (1) of the four (4) conditions prescribed in subparagraphs (a), (b), (c) and (d) of subsection (1) on July 1, 1977, the conservator appointed pursuant to Section 81-11-91 shall apply to the chancery court judge designated by the Supreme Court as hereinafter provided for appointment of a liquidating receiver for purposes of liquidating the assets of the association; however, if any such association shall furnish sufficient evidence satisfactory to the conservator appointed pursuant to Section 81-11-91 that a definite plan of accomplishment of one (1) of the four (4) conditions prescribed in subsection (1) has been substantially completed, the conservator appointed pursuant to Section 81-11-91 may extend the time for taking action for the appointment of such receiver, but not beyond March 31, 1978, upon such terms and conditions as the conservator may prescribe. In the absence of a compelling reason to do otherwise, the chancery court judge shall appoint the conservator appointed pursuant to Section 81-11-91 as the liquidating receiver. For the purposes of this subsection, the Supreme Court, upon application of the conservator appointed pursuant to Section 81-11-91, shall designate a chancery court judge who shall, after such designation, have exclusive jurisdiction of all proceedings initiated under this subsection.

(5) No association or officer or employee thereof shall represent in any way that its accounts are insured, unless such accounts are in fact insured by the Federal Deposit Insurance Corporation or an agency of this state established for the purpose of insuring savings accounts in associations. Any person who shall violate this provision shall be guilty of a misdemeanor and, upon

conviction, shall be punished as such. Upon application of the Attorney General to the chancery court of the county in which the association is domiciled, violations of this provision shall be enjoined.

The directors may pledge or authorize the officers to pledge any assets of the association to secure any loans herein permitted. For the purpose of this paragraph, use of savings accounts in the association shall not be considered borrowing;

(k) To maintain and let safes, boxes or other receptacles for the safekeeping of personal property upon such terms and conditions as may be agreed upon;

(l) To sell money orders, travel checks and similar instruments drawn by it on its bank accounts or as agent for any organization empowered to sell such instruments through agents within this state;

(m) If and when an association is a member of a federal home loan bank, to act as fiscal agent of the United States, and, when so designated by the Secretary of the Treasury, to perform, under such regulations as he may prescribe, all such reasonable duties as fiscal agent of the United States as he may require;

(o) Upon application to and approval by the commissioner, to act as trustee, and to receive reasonable compensation for so acting, of any trust created or organized in the United States and forming part of a plan which qualifies for specific tax treatment under Section 401(d) of the Internal Revenue Code of 1954, including any Keogh or IRA plan, or any trust created or organized in the United States for the purpose of paying burial or cemetery expenses, if the funds of such trust are invested only in savings accounts or deposits in such association or in obligations or securities issued by such association. All funds held in such fiduciary capacity by any such association may be commingled for appropriate purposes of investment, but individual records shall be kept by the fiduciary for each participant and shall show in proper detail all transactions engaged in under the authority of this subsection;

(p) To acquire savings and pay earnings thereon, and to lend and invest its funds as provided in this chapter;

§ 81-12-51. Additional powers of capital stock associations.

A capital stock savings and loan association (hereinafter referred to as a "capital stock association") shall have the powers enumerated in the preceding section, and shall have the following additional powers:

(a) Capital stock may be issued as follows:

(i) A capital stock association may issue the shares of stock authorized by its articles of incorporation and none other. Capital stock shall have the par value as stated in the articles of incorporation and, with the prior approval of the commissioner, may consist of common stock and preferred stock, which may be divided into classes and classes into series. Each kind, class and series may have such distinguishing characteristics, including designations, preferences, or restrictions as regards dividends, redemption, voting powers or restrictions or qualifications of voting powers as are imposed in the articles of incorporation. Restrictions and qualifications of voting powers so imposed shall control in any case in which any vote or consent of stockholders is now or hereafter required by statute unless such statute shall expressly provide a voting procedure to the contrary.

(ii) With the prior approval of the commissioner, shares of preferred or special stock of any class may be divided by number from time to time into, and issued in, designated series. Such shares of preferred or special stock of any class or series thereof shall have such relative rights and preferences with regard to dividend rates, redemption rights, conversion privileges, voting powers and other distinguishing characteristics, as shall be stated and expressed with respect to such class or series, either in the articles of incorporation or in the resolution or resolutions providing for the issue of such stock adopted by the board of directors of the corporation.

(iii) Except for stock issued pursuant to a plan of merger, consolidation or conversion from a mutual to a stock association or other type of reorganization which has been approved as provided herein, the consid-

eration for the issuance of voting capital stock, the par value of which shall be maintained as the permanent capital of the association, except as otherwise provided in subparagraph (a)(iv) of this section, shall be paid in cash, and any excess shall be credited to paid-in surplus which shall not be available for dividends or other distribution to stockholders, except upon liquidation.

(iv) Except as provided herein, the total of the par values of all outstanding shares of voting capital stock shall be the permanent capital of the association and shall not be retired until final liquidation of the association. Notwithstanding the foregoing limitation, a capital stock association may reduce its permanent capital through a reduction of its outstanding voting capital stock pursuant to a plan adopted by its board of directors, and approved by an affirmative vote of a majority of the shares eligible to vote, and by an affirmative vote of two-thirds (2/3) of those shares present and voting, in person or by proxy, at an annual or special meeting of the stockholders of the association. In the event approval of any such plan for the reduction of stock as herein provided shall result in fractional shares, the association may acquire such fractional shares of its own stock by tender of payment of the price per share prior to such reduction as stipulated in the plan. Such tender may be made by bank check drawn upon association funds payable to the record holders of such fractional shares and mailed United States postage prepaid to such holders at the last address of record with the association. Pursuant to such plan, a capital stock association may purchase or redeem whole shares of its own stock at the price per share stipulated in the plan upon written assent of the holders thereof prior to such reduction. No plan for the reduction of the permanent capital or outstanding voting capital stock of an association shall be effective without first obtaining the written consent of the commissioner.

(v) Unless otherwise provided by the articles of incorporation, every stockholder, upon the sale for cash of any new stock of the same kind, class or series as that which he already holds, shall have the right to purchase his pro rata share thereof, as nearly as may be done without issuance of fractional shares, at the price at which it is offered to others, which price must be in excess of par.

(vi) An association shall not make a loan secured by the pledge of its capital stock.

(vii) A capital stock association may sell any authorized but unissued shares of capital stock for cash at a price which must be in excess of par. No incentive stock shall be issued. Subject to the requirements of Section 81-12-51(a)(v), an association may employ an agent to sell those shares of authorized capital stock not necessary to meet the minimum capital and paid-in surplus requirements of Section 81-12-37, provided that the proposed agreement with the agent for the sale of such stock is approved by the commissioner before the association enters into such agreement.

(b) No capital stock savings and loan association shall declare or pay any dividend upon its common stock unless such association has received

written approval by the Commissioner of Banking and Consumer Finance. Directors declaring a dividend in violation of the provisions of this section shall be personally liable to the full amount of the dividend so declared and it shall be the duty of the commissioner, upon discovering the payment of any such dividend, to forthwith make demand upon the directors that the same be restored to the association, and upon their failure so to do he shall cause suit to be brought against them in the chancery court of the county in which the association is located, either in his name or in the name of the association, to recover the same for the benefit of the association.

§ 81-12-53. Conversion of association organized under state law into federal association.

At an annual meeting or at any special meeting of the members called to consider such action, any mutual association as defined in this chapter may convert itself into a federal mutual savings association or federal mutual savings and loan association, hereinafter in this subsection called “federal association,” in accordance with the provisions of the laws of the United States, as now or hereafter amended, upon an affirmative vote of fifty-one percent (51%) or more of the total number of votes of the members eligible to be cast. A copy of the minutes of the proceedings of such meeting of the members, verified by the affidavit of the secretary or an assistant secretary, shall be filed in the office of the commissioner within ten (10) days after the date of such meeting. A sworn copy of the proceedings of such meeting, when so filed, shall be presumptive evidence of the holding and action of such meeting. Any member challenging the accuracy of such minutes by sworn objection may appeal to the commissioner. Within three (3) months after the date of such meeting, the association shall take such action in the manner prescribed and authorized by the laws of the United States as shall make it a federal association. There shall be filed with the commissioner a copy of the charter issued to such federal association by the appropriate federal regulatory authority or a certificate showing the organization of such association as a federal association, certified by the secretary or assistant secretary of the appropriate federal regulatory authority. A similar copy of the charter, or of such certificate, shall be filed by the association with the Secretary of State. No failure to file any such instruments with either the commissioner or the

Secretary of State shall affect the validity of such conversion. Upon the grant to any association of a charter by the appropriate federal regulatory authority, the association receiving such charter shall cease to be an association incorporated under this chapter and shall no longer be subject to the supervision and control of the commissioner. Upon the conversion of any association into a federal association, the corporate existence of such association shall not terminate, but such federal association shall be deemed to be a continuation of the entity of the association so converted and all property of the converted association, including its rights, titles and interests in and to all property of whatever kind, whether real, personal or mixed, and things in action, and every right, privilege, interest and asset then existing, or pertaining to it, or which may inure to it, shall immediately by operation of law and without any conveyance or transfer and without any further act or deed remain and be vested in and continue and be the property of such federal association into which the association has converted itself, and such federal association shall have, hold and enjoy the same in its own right as fully and to the same extent as the same was possessed, held and enjoyed by the converting association, and such federal association, as of the time of the taking effect of such conversion, shall continue to have and succeed to all the rights, obligations and relations of the converting association. All pending actions and other judicial proceedings to which the converting association is a party shall not be deemed to have abated or to have discontinued by reason of such conversion, but may be prosecuted to final judgment, order or decree in the same manner as if such conversion into such federal association had not been made and such federal association resulting from such conversion may continue such action in its corporate name as a federal association, and any judgment, order or decree may be rendered for or against it which might have been rendered for or against the converting association theretofore involved in such judicial proceedings. Any association or corporation which has heretofore converted itself into a federal association under the provisions of the laws of the United States and has received a charter from the appropriate federal regulatory authority shall hereafter be recognized as a federal association, and its federal charter shall be given full recognition by the courts of this state to the same extent as if such conversion had taken place under the provisions of this section; however, there shall have been compliance with the foregoing requirements with respect to the filing with the commissioner of a copy of the federal charter or a certificate showing the organization of such association as a federal association.

At an annual meeting or at any special meeting of the members or stockholders called to consider such action, any federal mutual or capital stock savings association or federal mutual or capital stock savings and loan association, hereinafter in this subsection called "federal association," may apply for conversion into a state-chartered association under this chapter upon an affirmative vote of fifty-one percent (51%) or more of the total number of votes of the members eligible to be cast or an affirmative vote of sixty-six and two-thirds percent (66-2/3%) or more of all the issued and outstanding stock of such federal association. Upon such affirmative vote, the federal association may apply for a certificate of authority by filing with the commissioner a certificate signed by its president or secretary which sets forth the corporate action herein prescribed and asserts that the institution has complied with the provisions of the laws of the United States. The federal association shall also file with the commissioner the plan of conversion and the proposed amendments to its articles of association as approved by the members or stockholders for the operation of the association as a state-chartered association. § 81-12-57. Conversion of association organized under state law or of federal association into capital stock association.

If the board of directors determines, and the commissioner concurs, that substantial business benefit to the association will or may result, and if federal law, regulations or administrative rulings authorize federal associations to convert to capital stock associations, the voting members of a mutual association organized pursuant to this chapter, or otherwise subject to the provisions of this chapter or a federal mutual savings or savings and loan association (hereinafter in this subsection referred to as a "federal association") located in this state may vote to convert the association into a total or partial capital stock association by adopting a plan of conversion which is approved by the commissioner.

(a) The plan of conversion must be approved at a meeting of voting members called to consider such action by an affirmative vote of fifty-one percent (51%) or more of the total number of votes eligible to be cast. The commissioner may approve or disapprove the plan of conversion in his discretion, but he shall not approve the plan unless he finds that the plan is fair and equitable to members of the association and that the interests of the savings account holders and the public are adequately protected. Notice of the meeting, giving the time, place and purpose thereof, together with a proxy statement and proxy form approved by the commissioner, covering all matters to be brought before the meeting, shall be mailed at least thirty (30) days prior thereto to the commissioner and to each voting member at his last address as shown on the books of the association. The notice shall advise the savings account holders of their right to the public hearing provided in Section 81- 12-59.

(b) Copies of the minutes of the meeting of members, verified by the affidavit of the secretary or assistant secretary of the association, shall be filed in the office of the department and with the appropriate federal regulatory authority within a reasonable time after the meeting. When so filed, the verified copies of the minutes are presumptive evidence of the holding of the meeting and of the action taken. Any member or stockholder challenging the accuracy of such minutes by sworn objection may appeal to the commissioner.

(c) The directors of the association shall execute and file with the supervisory authority proposed articles of incorporation as provided for in Section 81-12-25, together with an application for conversion and a firm commitment for, or evidence of, insurance of deposits and other accounts of a withdrawable type. The articles shall contain a statement that the corporation resulted from the conversion of a mutual or federal association to a capital stock association. If approved by the commissioner, he shall affix the same to the articles of incorporation. An authenticated copy of the articles of incorporation shall be filed with the Secretary of State and one (1) copy of the articles of incorporation and the certificate of incorporation shall be returned to the association. The association shall cease to be a mutual

association at the time and on the date specified in the approved articles of incorporation.

(d) All the provisions regarding property and other rights contained in Section 81-12-53 shall apply to the conversion of a mutual or federal association to a capital stock association, so that the capital stock association shall be a continuation of the corporate entity of the mutual or federal association and continue to have all of its property and rights.

§ 81-12-61. Conversion of capital stock association organized under state law into federal association.

(1) A capital stock association organized under this chapter may vote to convert itself into a federal mutual or capital stock savings or savings and loan

association, hereinafter in this subsection referred to as a "federal association," at any legal meeting called to consider the action. The required affirmative vote to effect the conversion shall be not less than sixty-six and two-thirds percent (66-2/3%) of the issued and outstanding stock of such association. Notice of the meeting giving the time, place and purpose thereof, together with a proxy statement and proxy form covering all matters properly brought before the meeting shall be mailed at least thirty (30) days prior thereto to the commissioner and the appropriate federal regulatory authority and to each stockholder at his last address as shown on the books of the association. A copy of the minutes of the proceedings of the meeting, verified by the affidavit of the secretary or an assistant secretary of the association, shall be filed in the office of the commissioner within ten (10) days after the date of the meeting. When filed, a verified copy of the proceedings of the meeting is presumptive evidence of the holding of the meeting and of the action taken. Any stockholder challenging the accuracy of such minutes by sworn objection may appeal to the commissioner. Within three (3) months after the date of the meeting, the association shall take such further action, in the manner prescribed and authorized by the laws of the United States, as shall make it a federal association. Three (3) copies of the charter issued by the appropriate federal regulatory authority, or three (3) copies of a certificate showing the organization of the association as a federal association, certified by the secretary or an assistant secretary of the appropriate federal regulatory authority shall be filed with the commissioner. Upon the payment of the fees prescribed by law, the commissioner shall note the filing upon each of the copies and shall retain one (1) copy in his office, file one (1) copy with the Secretary of State, and return one (1) copy to the association. The failure to file the instruments with the commissioner shall not affect the validity of the conversion. Upon the grant to any association of a charter by the appropriate federal regulatory authority, the association shall cease to be an association incorporated under this chapter and shall no longer be subject to the supervision and control of the department. All provisions regarding property and other rights contained in Section 81-12-53 above apply to the conversion of a capital stock association into a federal association.

(2)(a) The plan of conversion must provide:

(i) That each savings account holder of the mutual association will receive a withdrawable account in the capital stock association equal in amount to his withdrawable account in the mutual association;

(ii) That each savings account holder of record as provided in paragraph (iii) will be entitled to receive voting stock or rights to purchase voting stock in equal proportion to the amount his account bears to all savings accounts;

(iii) That the record date fixed by the commissioner for determining savings account holders is to be used. During the month of January each year the commissioner shall publish a record date which shall be used in determining the respective interests of account holders. The date shall be not more than eighteen (18) months prior to its publication;

(iv) That the business purpose to be accomplished by the conversion is set forth with particularity;

(v) Such other information in such form as required by the commissioner to enable him to determine whether the plan is fair and equitable to members of the association and that the interest of the savings account holders and the public is adequately protected.

(b) A plan of conversion will not be considered unfair or inequitable merely because it contains provisions which provide:

(i) That shares of stock will be issued to savings account holders with or without cost;

(ii) That shares of stock will be issued with cost to all savings account holders and that no stock will be issued without cost;

(iii) That savings account holders will or will not have preemptive rights to all stock proposed to be issued;

(iv) That those persons who were savings account holders during a particular number of years have preemptive rights to purchase voting stock at the fair market value thereof;

(v) That employment contracts are provided for officers and employees of the association;

(vi) That no more than ten percent (10%) of the voting stock proposed to be issued pursuant to the plan of conversion is reserved by the association for stock options for officers and employees.

§ 81-12-65. Reorganization, merger and consolidation of associations.

Pursuant to a plan adopted by the board of directors and approved by the commissioner as equitable to the members of the association and as not impairing the usefulness and success of other properly conducted associations in the community and serving the needs of the community, an association shall have power to reorganize or to merge or consolidate with another association or federal association within its primary lending area, provided that the plan of such reorganization, merger or consolidation shall be approved at an annual meeting or at any special meeting of the members or stockholders called to consider such action by an affirmative vote of fifty-one percent (51%) or more of the total number of votes of the members or an affirmative vote of sixty-six and two-thirds percent (66-2/3%) of those shares of stock of such association voted, in person or by proxy. Any such plan must set forth (a) the names of the associations proposing to merge or consolidate and the name of the association into which they propose to merge or consolidate, which is herein designated as "the surviving association"; (b) the terms and conditions of the proposed merger or consolidation and the mode of carrying it into effect; (c) the manner and basis of converting the savings accounts of each merging or consolidating association into savings accounts of the surviving association; (d) the manner and basis of the cancellation and issuance of the capital stock of the merging and surviving associations; (e) a statement of any changes in the articles of incorporation of the surviving association to be effected by the merger or consolidation; (f) a statement of the contracts pertaining to the employment, or the retention as consultant, of officers and directors of the merged or consolidated association; and (g) such other provisions with respect to the proposed merger or consolidation as are deemed necessary or desirable by the boards of directors or the commissioner. § 81-12-67. Acquisition of controlling interest in capital stock association; certificate of approval; definitions; restrictions on ownership or control; reports; examinations.

(1) In any case in which a person or group of persons propose to purchase or acquire voting stock of any capital stock association, which purchase or

acquisition would cause such person or group of persons to have control, as defined in subsection (3) of this section, of the association, such person or group of persons shall first make application to the commissioner for a certificate of approval of such purchase or acquisition. The application shall contain the name and address of the proposed new owner or owners of voting stock, and the commissioner shall issue the certificate of approval only after he has become satisfied, by a hearing or otherwise, that the proposed new owner or owners of voting stock are qualified by character, experience and financial responsibility to control the association in a legal and proper manner and that the interest of the stockholders, depositors and creditors of the association and the interest of the public generally will not be jeopardized by the proposed purchase or acquisition of voting stock.

(2) As used in this section, unless the context otherwise requires:

(a) "Business organization" or "company" means any corporation, partnership, trust, joint stock company or similar organization, but does not include any company the majority of the stock of which is owned by the United States or this state, by an officer of the United States or this state in his official capacity, or by an instrumentality of the United States or this state.

(b) "Savings and loan holding company" means any company which directly or indirectly controls an association or controls any other company which is a savings and loan holding company by virtue of this section.

(c) "Person" means an individual or company.

(d) "Subsidiary" of a person means any company which is controlled by such person or by a company which is a subsidiary of such person by virtue of this section.

(3) For purposes of this section, a business organization shall be deemed to have control of an association or any other business organization if the business organization:

(a) Directly or indirectly, or acting in concert with one or more persons or through one or more subsidiaries, owns, controls, holds with powers to vote, or holds proxies representing, more than twenty-five percent (25%) of the voting stock of such association or other business organization;

(b) Controls in any manner the election of a majority of the directors of such association or other business organization;

(c) Exercises a controlling influence over the management or policies of such association or other business organization.

(4) The following restrictions shall apply to ownership or control of associations in this state:

(a) Unless organized pursuant to the laws of this state, and not controlled by a business organization organized under the laws of another jurisdiction, no business organization shall either directly or indirectly control any association located in this state.

(b) No business organization shall acquire control of a capital stock association located in this state without first obtaining the prior written approval of the commissioner. Prior to such acquisition, such business

organization shall file an application with the commissioner containing such information as the commissioner may require and as will aid in determining that the acquisition will not be detrimental to the public interest.

(5) Each savings and loan holding company and each subsidiary thereof shall file such reports as the commissioner may require from time to time or as required by this chapter. Each savings and loan holding company and each subsidiary thereof shall be subject to such examination as the commissioner shall prescribe or as required by this chapter. § 81-12-69. Termination of association; liquidation of assets; surrender of charter.

(1) Subject to the limitations of Section 81-12-65 of this chapter, any association may, at any special meeting of the members or stockholders called to consider such action, terminate its existence in accordance with the provisions of this section upon an affirmative vote of fifty-one percent (51%) or more of the total number of votes of members, in the case of a mutual association, or an affirmative vote of sixty-six and two-thirds percent (66-2/3%) of all the issued and outstanding stock, in the case of a capital stock association.

(2) Upon such vote, five (5) copies of a certificate of dissolution, which shall state the vote cast in favor of dissolution, shall be signed by two (2) officers and acknowledged before an officer competent to take acknowledgments of deeds. Five (5) copies of such certificate shall be filed with the commissioner, who shall examine such association, and, if he finds that it is not in an impaired condition, shall so note, together with his approval of such dissolution, upon all the copies of the certificate of dissolution. The commissioner shall place a copy in the permanent files in his office, file a copy with the Secretary of State, and return the remaining copies to the parties filing the same.

(3) Upon such approval, the association shall be dissolved and shall cease to carry on business but nevertheless shall continue as a corporate entity for the sole purpose of paying, satisfying and discharging existing liabilities and obligations, collecting and distributing assets, and doing all acts required to adjust, wind up and dissolve its business and affairs.

(4) The board of directors shall act as trustees for liquidation as provided in this section. They shall proceed as quickly as may be practicable to wind up the affairs of the association and, to the extent necessary or expedient to that

end, shall exercise all the powers of such dissolved association and, without prejudice to the generality of such authority, may fill vacancies, elect officers, carry out the contracts, make new contracts, borrow money, mortgage or pledge the property, sell its assets at public or private sale, or compromise claims in favor of or against the association, apply assets to the discharge of liabilities, distribute assets either in cash or in kind among savings account members or savings account holders according to their respective pro rata interests after paying or adequately providing for the payment of other liabilities, distribute assets either in cash or in kind among stockholders, and perform all acts necessary or expedient to the winding up of the association. Provided, however, that upon liquidation, savings account holders shall be first paid the value of their accounts, if such funds are available, before any sums are paid to the stockholders. All deeds or other instruments shall be in the name of the association and executed by the president or a vice president and the secretary or an assistant secretary. The board of directors shall also have power to exchange or otherwise dispose of or to put in trust all or substantially all or any part of the assets, upon such terms and conditions and for such considerations, which may be money, stock, bonds, shares or accounts of any insured association, or of any federal association, or other instruments for the payment of money, or other property, or other considerations, as the board of directors may deem reasonable or expedient, and may distribute such considerations or the proceeds thereof, or trust receipts, or certificates of beneficial interest among the savings accountmembers or savings account holders in proportion to their pro rata interests therein.

(5) The association, during the liquidation of the assets of the association by the board of directors, shall continue to be subject to the supervision of the commissioner, and the board of directors shall report the progress of such liquidation to the commissioner from time to time as he may require. Upon completion of liquidation, the board of directors shall file with the commissioner a final report and accounting of such liquidation and shall surrender the charter of the association. If such report is approved, the commissioner shall promptly cancel said charter. The approval of such report by the commissioner shall operate as a discharge of the board of directors and each member thereof in connection with the liquidation of such association. No such dissolution or any action of the board of directors in connection therewith shall impair any contract right between such association and any borrower or other person or persons or the vested rights of any member or savings account holder of such association.

Such calls shall be made by the commissioner in writing by letter or other similar means of written communications for the same dates and as often as calls are issued by the appropriate federal regulating authority for reports from federal associations. The commissioner shall prescribe the forms for such reports. The reports shall be sworn to by either the president, vice president or cashier of the association making them, attested by not less than two (2) of the board of directors, and shall exhibit in detail, under appropriate heads, the total resources and total liabilities of the association on the day specified by the commissioner. Associations shall transmit to the department such call reports within a time limitation established by regulation by the commissioner; however, such time limitation cannot exceed that set by the Federal Deposit Insurance Corporation for state insured associations. For any failure or delay in furnishing this report, the president, vice president or cashier of any such association, so in default, and the members of the board of directors of the association refusing to attest the report, shall be subject to an administrative fine, which may be imposed by the commissioner, of Fifty Dollars (\$50.00) a day for each day while in such default.

§ 81-12-81. Board of directors to direct business of association; number and qualifications of members; oath; procedure for filling vacancies.

(1) The business of the mutual association shall be directed by a board of directors of not less than five (5) nor more than fifteen (15) as determined by, and elected by, ballot from among the members by a plurality of the votes of the members present or voting by proxy. At all times at least two-thirds (2/3) of the directors shall be bona fide residents of this state.

(2) In order to qualify as a director, a member of an association must hold individually, or jointly with his spouse, a savings account, the withdrawal value of which is at least Five Hundred Dollars (\$500.00); provided that if the assets of the association exceed Five Million Dollars (\$5,000,000.00), the withdrawal value of such account must be at least One Thousand Dollars (\$1,000.00). No member shall be eligible for election or shall serve as a director or officer of an association who has been convicted of a criminal offense involving dishonesty or a breach of trust. A director shall cease to be a director

when he ceases to be a member, or when he is adjudicated a bankrupt or is convicted of a criminal offense as herein provided, or when the net equity above loans of all savings accounts in the association held by him aggregates for a period of thirty (30) consecutive days less than the minimum required to be eligible for election as a director, but no action of the board of directors shall be invalidated through the participation of such director in such action unless the vote of such director be challenged prior to such action; provided that if a director becomes ineligible under the terms of this subsection by reason of the exercise by the association of the right of redemption of savings accounts provided for in Section 81-12-153 he shall remain validly in office until the expiration of his term or until he otherwise becomes ineligible, resigns or is removed, whichever may occur first.

(3) Directors shall be classified as set forth in the bylaws of the association.

(4) The authorized number of directors determined by the members within the limits hereinabove specified may subsequently be increased or decreased only by vote of the members.

(5) Each director, upon assuming office, shall take an oath that he will, so far as the duty devolves on him, diligently and honestly administer the affairs of the association and will not knowingly violate or permit to be violated, any of the provisions of this chapter, and a written copy of such oath shall be filed with the commissioner.

(6) If the members fail to elect a director to fill each vacancy created by any such increase, the directors may fill such vacancy by electing a director to serve until the next annual meeting of the members, at which time a director shall be elected to fill the vacancy for the unexpired term of the class of director in which such vacancy exists.

(7) Whenever under the provisions hereof the number of directors is changed and vacancies caused by such change are filled, the directors so elected shall be classified in accordance with the provisions of the bylaws of the association.

(8) Any vacancy among directors, not so filled by the members, may be filled by a majority vote of the remaining directors, though less than a quorum, by electing a director to serve until the next annual meeting of the members, at which time a director shall be elected to fill the vacancy for the unexpired term for the class of director in which such vacancy exists. In event of a vacancy on the board of directors from any cause, the remaining directors shall have full power and authority to continue direction of the association until such vacancy is filled.

§ 81-12-83. Board of directors to manage business and exercise powers of capital stock association; election of members; term of office; qualifications; oath; vacancies.

(1) The business of a capital stock association shall be managed and its powers exercised by a board of directors. The board shall consist of not less than five (5) adult natural persons who shall be elected at the annual meeting of stockholders in the following manner:

At each election for directors every shareholder entitled to vote at such election shall have the right to vote, in person or by proxy, the number of shares owned by him for as many persons as there are directors to be elected and for whose election he has a right to vote.

(2) The term of office of the directors shall be for one (1) year; provided that when the board of directors shall consist of nine (9) or more members, in lieu of electing the whole number of directors annually, the articles of incorporation may provide that the directors be divided into either two (2) or three (3) classes, each class to be as nearly equal in number as possible, the term of office of directors of the first class to expire at the first annual meeting of the shareholders after their election; that of the second class to expire at the second annual meeting after their election; and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification, the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two (2) classes, or until the third succeeding annual meeting, if there be three (3) classes. No classification of directors shall be effective prior to the first annual meeting of shareholders.

(3) Every director must, during his whole term of service, be a citizen of the United States, and at least three-fifths (3/5) of the directors must have resided in this state for at least one (1) year preceding their election and must be residents therein during their continuance in office. No person shall be eligible for election or shall serve as a director or officer of a capital stock association who has been convicted of a criminal offense. A director or officer shall automatically cease to be a director when he is adjudicated a bankrupt or convicted of a criminal offense. However, no action of the board of directors shall be invalidated through the participation of such director in such action unless challenge is made to such director's vote prior to such action. Each director shall, in his own name, own capital stock in, or have a deposit relationship with, the association on an unencumbered basis as follows:

(a) For stock associations under Fifty Million Dollars (\$50,000,000.00) in assets, stock ownership in the institution or its holding company of Two Thousand Five Hundred Dollars (\$2,500.00) in market value at time of purchase; or

(b) For mutual associations under Fifty Million Dollars (\$50,000,000.00) in assets, a Two Thousand Five Hundred Dollar (\$2,500.00) deposit relationship; or

(c) For stock associations over Fifty Million Dollars (\$50,000,000.00) in assets, stock ownership in the institution or its holding company of Five Thousand Dollars (\$5,000.00) in market value at the time of purchase; or

(d) For mutual associations over Fifty Million Dollars (\$50,000,000.00) in assets a Five Thousand Dollar (\$5,000.00) deposit relationship.

For associations that cross the Fifty Million Dollar (\$50,000,000.00) threshold, the commissioner shall allow a reasonable period for the directors to comply with the ownership interest requirement.

(4) Each director, upon assuming office, shall take an oath that he will, so far as the duty devolves on him, diligently and honestly administer the affairs of such capital stock association and will not knowingly violate or permit to be violated, any of the provisions of this chapter, and a written copy of such oath shall be filed with the commissioner.

(5) The board of directors of each capital stock association shall hold meetings as set forth in the bylaws of the association.

(6) Vacancies on the board of directors may be filled at a meeting by the stockholders called for that purpose.

§ 81-12-87. Fiduciary relationship of directors and officers; disclosure of personal interests; restrictions governing conduct; penalty.

Directors and officers occupy a fiduciary relationship to the association of which they are directors or officers, and no director or officer shall engage or participate, directly or indirectly, in any business or transaction conducted on behalf of or involving the association, which would result in a conflict of his own personal interests with those of the association which he serves. Without limitation by any of the specific provisions of any of the subsections hereof, the commissioner may require the disclosure by directors, officers and employees of any personal interest, directly or indirectly, in any business or transactions on behalf of or involving the association and of their control of or active participation in enterprises having activities related to the business of the association. The following restrictions governing the conduct of directors and officers expressly are specified, but such specification is not to be construed in any manner as excusing such persons from the observance of any other aspect of the general fiduciary duty owed by them to the association which they serve:

(a) From and after January 1, 1979, no officer or director of an association shall hold office as a director or officer of another thrift institution the principal office of which is located in the association's primary lending area.

(b) No director of an association shall receive remuneration as director except reasonable fees for service as a director or for service as a member of a committee of directors, except that nothing herein contained shall be deemed to prohibit or in any way to limit any right of a director who is also an officer or employee of or attorney for the association to receive compensation for service as an officer, employee or attorney.

(c) Loans aggregating fifteen percent (15%) of the unimpaired capital and unimpaired surplus may be made by any association to any director or executive officer thereof, as defined in Regulation O promulgated by the

Board of Governors of the Federal Reserve System, less existing direct and indirect liabilities thereto, upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, provided, such loan is made on substantially the same terms and conditions extended to other borrowers for comparable transactions. Any association may lend to any such director or executive officer thereof, upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, not more than twenty percent (20%) of the unimpaired capital and unimpaired surplus of the association, less the amount of existing direct and indirect liabilities, when secured; or when the portion thereof in excess of any amount loaned under the first provision hereof is secured by obligations of the United States government, the State of Mississippi, and the levee districts, counties, road districts, school districts, and municipalities of the State of Mississippi, obligations of any other state of the United States and other bonds of recognized character and standing, which are the subject of daily newspaper market quotations, provided such loan shall not exceed eighty percent (80%) of the market or par value (whichever is less) of the bonds or obligations offered as security. Any association may lend to any executive officer or director thereof upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, such amount as is safe and proper, when secured by warehouse receipts or shippers' order bills of lading representing actual existing values, provided the amount loaned shall not exceed eighty percent (80%) of the market value of the commodities representing the actual existing values, and loans of this nature shall be made payable on demand so that the security held therefor may be sold on any date and the proceeds thereof applied to the payment of the loan. However, an association's board of directors may, as shown in its minutes, give to an association officer the authority to make secured or unsecured loans to an executive officer or director of such association, without receiving the board's prior approval, in an amount that, when aggregated with the amount of all other extensions of credit to that person and to all related interests of that person, does not exceed the greater of Twenty-five Thousand Dollars (\$25,000.00) or five percent (5%) of the association's unimpaired capital and unimpaired surplus.

However, no association shall extend credit to any director or executive officer thereof, in an amount that, when aggregated with all other extensions of credit to that person and to all related interests of that person, exceeds Five Hundred Thousand Dollars (\$500,000.00) without documented prior affirmative approval of a majority of its directors.

Loans and discounts by an association to a director or executive officer thereof secured in full by funds on deposit in time or savings accounts with the lending association to the credit of the borrower shall not be restricted to the fifteen percent (15%) or twenty percent (20%) limitations herein prescribed.

The limitations of this section shall not apply where an executive officer or director shall bona fide purchase from the association at a reasonable

price real or personal property acquired by the association in payment of debts due the association, provided such transactions are approved by a majority of the board of directors, such approval to be shown in their minutes; and, in cases where loans are made by branch offices, the sum total of loans made by any branch or branches and its parent association to such executive officer or director shall be computed as against the total capital stock and surplus of the parent association and its branch or branches. Loans heretofore made to executive officers or directors may be renewed or extended if in accord with sound banking practice.

(d) No director or officer shall have any interest, directly or indirectly, in the proceeds of a loan or investment or of a purchase or sale made by the association, unless such loan, investment, purchase or sale is authorized expressly by resolution of the board of directors, and unless such resolution is approved by vote of at least two-thirds (2/3) of the directors authorized by the association, any interested director taking no part in such vote.

(e) No director or officer shall have any interest, directly or indirectly, in the purchase at less than its face value of any evidence of a savings account, deposit or other indebtedness issued by the association.

(f) No director, association or officer thereof shall require, as a condition to the granting of any loan or the extension of any other service by the association, that the borrower or any other person undertake a contract of insurance or any other agreement, or understanding with respect to the furnishing of any other goods or services, with any specific company, agency or individual.

(g) No officer or director acting as proxy for a member or stockholder of record of an association shall exercise, transfer or delegate such vote or votes in any consideration of a private benefit or advantage, direct or indirect, accruing to himself, nor shall he surrender control or pass his office to any other for any consideration of a private benefit or advantage, direct or indirect. The voting rights of members, stockholders and directors shall not be subject to sale, barter, exchange or similar transaction, either directly or indirectly. Any officer or director who violates the provisions of this section shall be held accountable to the association for any increment and subject to the criminal penalty below.

(h) No director or officer shall solicit, accept or agree to accept, directly or indirectly, from any person other than the association any gratuity, compensation or other personal benefit for any action taken by the association or for endeavoring to procure any such action.

(i) Any violation of the provisions of this section shall be punishable by not more than five (5) years' imprisonment or a fine of not more than Five Thousand Dollars (\$5,000.00).

JUDICIAL DECISIONS

1. In general.

Since § 81-12-127 concerns the regulation of the savings association itself, and not the ownership of funds it holds, the statute could not be used as a lever to

overturn the finding of the circuit court that the depositor owned the accounts which she had opened in names of various relatives. *Carter v. State Mut. Fed. Sav. & Loan Ass'n*, 498 So. 2d 324 (Miss. 1986).

§ 81-12-135. Savings accounts issued to minors or persons under disability; payment of withdrawals; powers of parent or guardian; withdrawals on death of holder.

An association and any federal association may issue savings accounts to any minor or other person under disability as the sole and absolute owner of such savings account, and receive payments thereon by or for such owner, and pay withdrawals, accept pledges to the association, and act in any other manner with respect to such accounts on the written instruction of such savings account holder in accord with this chapter. Any payment or delivery of rights to any minor or other person under a disability, or a receipt or acquittance signed by a minor or other person under a disability, who holds a savings account, shall be a valid and sufficient release of such association for any payment so made or delivery of rights to such minor or person. The receipt, acquittance, pledge or other action required by the association to be taken by such minor or person shall be binding upon such minor or person with like effect as if he were of full age and legal capacity. The parent or guardian of such minor or person shall not in his capacity as parent or guardian have the power to attach or in any manner to transfer any savings account issued to or in the name of such minor or person; provided, however, that in the event of the death

of such minor or person the receipt or acquittance of either parent, a person standing in loco parentis, guardian or conservator of such minor or person shall be a valid and sufficient discharge of such association for any sum or sums not exceeding in the aggregate One Thousand Dollars (\$1,000.00) unless the minor or person shall have given written notice to the association not to accept the signature of such person.

(1) Accounts may be in the name of two (2) or more persons, whether minor or adult, in such form that the monies in the accounts are payable to either, or the survivor or survivors, and such money due under such accounts and all additions thereto shall be the property of such persons as joint tenants with the right of survivorship. The monies due under such accounts may be paid to or on the order of any one (1) of such persons during his lifetime or to or on the order of any one (1) of the survivors of them after the death of any one or more of them. The opening of the account in such form shall be conclusive evidence as to the liability of the association only in any action or proceeding to which the association is a party, of the intention of all of the parties to the account to vest title to money due under the account and the additions thereto in such survivor or survivors. By written instructions given to the association by all the parties to the account, the signatures of more than one (1) of such persons during their lifetime or of more than one (1) of the survivors after the death of any one (1) of them may be required for withdrawal, in which case the association shall pay the monies in the account only in accordance with such instructions, but no such instructions shall limit the right of the survivor or survivors to receive the money in the account. By written agreement with the association, any person may create a joint account with other persons as joint tenants with the right of survivorship and said agreement may be signed only by the persons creating said account.

(2) The association, unless instructed in writing to the contrary, may loan money to any one or more persons constituting a single membership or account as joint tenants with the right of survivorship, and any person authorized to make withdrawals as provided in this section may pledge, hypothecate or assign all or any part of the money due or to become due under such account. Any such pledge, hypothecation or assignment or any increase to or withdrawal from the account shall not destroy the joint tenancy with right of survivorship.

(3) Payment of all or any of the monies in such account, as provided in this section, shall discharge the association from liability with respect to the monies so paid, prior to receipt by the association of a court order. After receipt of such court order, an association may refuse, without liability, to honor any withdrawal on the account pending determination of the rights of the parties. No association paying any survivor in accordance with the provisions of this section shall thereby be liable for any estate, inheritance or succession taxes which may be due this state.

JUDICIAL DECISIONS

1. In general.
2. Garnishment of joint account.

1. In general.

Section 81-5-63 and § 81-12-137, which deal, respectively, with joint deposits in a bank checking account and in a savings account in a savings association, create a presumption of joint tenancy ownership with the right of survivorship. On the other hand, such presumption does not apply to bank issued certificates of deposit held in the names of 2 or more persons, in

the absence of express intent on the certificate to create such joint tenancy. *Delta Fertilizer, Inc. v. Weaver*, 547 So. 2d 800 (Miss. 1989).

2. Garnishment of joint account.

A joint account should be garnishable only in proportion to the debtor's ownership of the funds, as to which evidence is admissible to show what portion of the funds is actually owned by each depositor. *Delta Fertilizer, Inc. v. Weaver*, 547 So. 2d 800 (Miss. 1989).

§ 81-12-139. Accounts of administrators, executors, guardians, trustees, and other fiduciaries.

Any association may accept accounts in the name of any administrator, executor, guardian, trustee or other fiduciary in trust for a named beneficiary or beneficiaries. Any such fiduciary shall have power to vote as a member as if any membership account were held absolutely, to make payments upon, and to withdraw any such account, in whole or in part. The withdrawal value of any such account, or other rights relating thereto may be paid or delivered, in

whole or in part, to such fiduciary, without regard to any notice to the contrary, as long as such fiduciary is living. The payment or delivery to any such fiduciary or a receipt of acquittance signed by any such fiduciary to whom any such payment or any such delivery of rights is made shall be valid and sufficient release and discharge of any association for the payment or delivery so made. Whenever a person holding an account in a fiduciary capacity dies and no written notice of the revocation or termination of the trust relationship shall have been given to an association and the association has no notice of any other disposition of the trust estate, the withdrawal value of such account, or other rights relating thereto may, at the option of an association, be paid or delivered, in whole or in part, to the beneficiary or beneficiaries of such trust. Whenever an account shall be opened by any person describing himself in opening such account as trustee for another and there is no other or further notice of the existence and terms of a legal and valid trust, then such description shall be given in writing to such association. In the event of the death of the person so described as trustee, the withdrawal value of such account or any part thereof may be paid to the person for whom the account was thus stated to have been opened, and such account and all additions thereto shall be the property of such person, unless prior to payment the trust agreement is presented to the association showing a contrary interest. When made in accord with this section, the payment or delivery to any such beneficiary, beneficiaries or designated person, or a receipt or acquittance signed by any such beneficiary, beneficiaries or designated person for any such payment or delivery shall be valid and sufficient release and discharge of an association for the payment or delivery so made. Trust accounts permitted by this chapter shall not be required to be acknowledged and recorded. When an account is opened in a form described in this section, the right set forth in Section 81-12-145 shall apply. No association paying any beneficiary in accordance with the provisions of this section shall thereby be liable for any estate, inheritance or succession taxes which may be due this state.

When an account is held in any association by a person residing in another state or country, the account, or any part thereof not in excess of Two Thousand Five Hundred Dollars (\$2,500.00), may be paid to the administrator or executor appointed in the state or country where the account holder resides at the time of death, provided such administrator or executor has furnished the

association with (a) authenticated copies of his letters and of the order of the court which issued the letters to him authorizing him to collect, receive and remove the personal estate, and (b) an affidavit by the administrator or executor that to his knowledge no letters are then outstanding in this state and no petition for letters by an heir, legatee, devisee or creditor of the decedent is pending on the estate in this state, and that there are no creditors of the estate in this state. Upon payment or delivery to such representative after receipt of the affidavit and authenticated copies, the association is released and discharged to the same extent as if the payment or delivery had been made to a legally qualified resident executor or administrator, and is not required to see to the application or disposition of the property. No action at law or in equity shall be maintained against the association for payment made in accordance with the above provisions.

§ 81-12-145. Accounts payable at death.

Accounts payable at death may be established under the following conditions:

(a) An account in an association may be opened by any person or persons with directions to make such an account payable on the death of the person or persons opening such an account to the named beneficiary or beneficiaries. When an account is so opened, the association shall pay any monies to the credit of the account from time to time to, or pursuant to the order of the person or persons opening such an account during his or their lifetime in the same manner as if the account were in the sole name or names of such person or persons.

(b) If the named beneficiary or one (1) of the beneficiaries so named survive the death of the person opening such an account and the beneficiary or all of the beneficiaries so named are sixteen (16) years of age or over at the death of the person opening such an account, the association shall pay the monies to the credit of the account, less all proper setoffs and charges, to the named beneficiary or beneficiaries or upon his or their order, as hereinafter provided, and such payment by the association shall be valid, notwithstanding any lack of legal age of the named beneficiary or beneficiaries; provided, however, where such an account is opened or subsequently held by more than one (1) person, the death of one (1) of such persons shall not terminate the account and the account shall continue as to the surviving person or persons and the named beneficiary or beneficiaries subject to the provisions of subsections (c) through (i) of this section.

(c) If the named beneficiary or all of the beneficiaries so named survive the death of the person or persons opening such an account and are under sixteen (16) years of age at such time, the association shall pay the monies to the credit of the account, less all proper setoffs and charges:

(i) When or after the named beneficiary becomes sixteen (16) years of age, to the named beneficiary or upon his order; or

(ii) When more than one (1) beneficiary is named, the association shall pay to each beneficiary so named his proportionate interest in such account as each severally becomes sixteen (16) years of age; or

(iii) To the legal guardian of the named beneficiary, wherever appointed and qualified, or where more than one (1) beneficiary is named, the association shall pay such beneficiary's proportionate interest in such account to his legal guardian wherever and whenever appointed and qualified; or

(iv) In the event no guardian is appointed and qualified, payment may be made in accordance with the provisions of Section 93-13-211 et seq., in situations to which such section or sections are applicable.

(d) Where the death of the person or persons opening such an account terminates the account under the provisions of subsections (b) and (c) of this

section and where one or more of the named beneficiaries are under sixteen (16) years of age and the remainder of the named beneficiaries are sixteen (16) years of age or over, the association shall pay the monies to the credit of the trust, less all proper setoffs and charges, to:

(i) The named beneficiaries sixteen (16) years of age or over at the time of termination of said account pursuant to subsection (b) of this section, and

(ii) The named beneficiaries under sixteen (16) years of age at the time of termination of said account pursuant to subsection (c) of this section.

(e) Where such account is opened or subsequently held by more than one (1) person, the association, in the absence of any written instructions to the contrary, consented to by the association, shall accept payments made to such account and may pay any monies to the credit of such account from time to time to, or pursuant to the order of, either or any of said persons during their life or lives in the same manner as if the account were in the sole name of either or any of such persons.

(f) When a person or persons opens an account in an association, in the form set forth in subsection (a) of this section, and makes a payment or payments to such account, or causes a payment or payments to be made to such account, such person or persons shall be conclusively presumed to intend to vest in the named beneficiary or beneficiaries a present beneficial interest in such payment so made, and in the monies to the credit of the account from time to time, to the end that, if the named beneficiary or beneficiaries survive the person or persons opening such an account, all the right and title of the person or persons opening such an account in and to the monies to the credit of the account at the death of such person or persons, less all proper setoffs and charges, shall, at such death, vest solely and indefeasibly in the named beneficiary or beneficiaries subject to the conditions and limitations of subsections (c) through (i) of this section.

(g) If the named beneficiary predeceases the person opening such an account, the present beneficial interest presumed to be vested in the named beneficiary pursuant to subsection (f) of this section shall terminate at the death of the named beneficiary. In such case, the personal representatives of the named beneficiary, and all others claiming through or under the named beneficiary, shall have no right in or title to the monies to the credit of the account, and the association shall pay such monies, less all proper setoffs and charges, to the person opening such an account, or pursuant to his order, in the same manner as if the account were in the sole name of the person opening such an account; provided, however, where such an account names more than one (1) beneficiary, the death of one (1) of the beneficiaries so named shall not terminate the account and the account shall continue as to the surviving beneficiary or beneficiaries subject to the provisions of subsections (c) through (i) of this section.

(h) An association which makes any payment pursuant to subsections (c) through (g) of this section, prior to service upon the association or an

order of court restraining such payment, shall, to the extent of each payment so made, be released from all claims of the person or persons opening such an account, the named beneficiary or beneficiaries, their legal representatives, and all others claiming through or under them.

(i) When an account is opened in a form described in subsection (a) of this section, the right of the named beneficiary or beneficiaries to be vested with sole and indefeasible title to the monies to the credit of the account on the death of the person or persons opening such an account shall not be denied, abridged or in anywise affected because such right has not been created by a writing executed in accordance with the law of this state prescribing the requirements to effect a valid testamentary disposition of property.

§ 81-12-149. Payment of earnings on savings accounts.

An association may pay earnings on its savings accounts from sources available for payment of earnings at such rate and at such times and for such time or notice periods as shall be determined by resolution of its board of directors subject to such rules and regulations promulgated by the commissioner. Except for accounts which shall be classified according to a specified contractual time or notice period, earnings shall be declared on the withdrawal value of each savings account at the beginning of the accounting period, plus additions thereto made during the period (less amounts previously withdrawn and noticed for withdrawal, which for earnings purposes shall be deducted from the latest previous additions thereto) computed at the declared rate for the time the funds have been invested, which time shall be fixed by the bylaws of the association. No earnings shall be declared or paid for an accounting period unless the allocation to the general reserve for the preceding accounting period required herein has been made. The board of directors, by resolution, may determine that earnings shall not be paid on any savings account which has a withdrawal value of a specified amount less than Fifty Dollars (\$50.00) or which by written agreement is intended to be closed within a specified period less than fifteen (15) months after the date on which such savings account is opened, provided that an exception may be made and earnings paid on savings accounts opened pursuant to Sections 81-12-129 and 81-12-131. The directors shall determine by resolution the method of calculating the amount of any earnings on savings accounts as herein provided, and the time or times when earnings are to be declared, paid or credited.

§ 81-12-151. Withdrawals by savings account holders.

Any savings account holder or other account holder or his authorized representative may at any time present a written application for withdrawal of all or any part of his savings account or other account. Every association shall pay, except as provided below, every withdrawal application in the amount stated thereon in the form of cash or one or more checks or similar instruments payable to the order of the account holder. However, if a federal savings and loan association located in this state acquires the right and power to pay withdrawal applications in the form of checks or similar instruments payable to the order of others than the account holder as directed, or by the transfer of credits to the account or accounts of others in an institution as directed, then an association incorporated pursuant to or operating under the provisions of

this chapter may have and possess the same rights and powers if prescribed by the board pursuant to subsection (r) of Section 8 1-12-49. No withdrawal shall be made in excess of the withdrawal value of such savings account or accounts, together with any earnings which may have been declared and may have accrued thereon for the current period. The payment of withdrawals from savings accounts shall be subject to the right of the association to require notice not to exceed thirty (30) days and shall be subject to such rules and procedures as may be prescribed by regulations of the commissioner, but any association which, except as authorized in writing by the commissioner, fails to make full payment of any withdrawal when due shall be deemed to be in an impaired condition to transact business within the meaning of Section 81-12-183 of this chapter.

§ 81-12-153. Redemptions.

At any time funds are on hand for the purpose, the association shall have the right to redeem by lot as the board of directors may determine, all or any part of any of its savings accounts on an earnings date by giving thirty (30) days' notice by registered mail addressed to each affected account holder at his last address as recorded on the books of the association. No association shall redeem any of its savings accounts when the association is in an impaired condition or when it is unable to pay its applications for withdrawal. The redemption price of savings accounts redeemed shall be the full value of the account redeemed, as determined by the board of directors, but in no event shall the redemption price be less than the withdrawal value. If the aforesaid notice of redemption shall have been duly given, and if on or before the redemption date the funds necessary for such redemption shall have been set aside so as to be and continue to be available therefor, earnings upon the accounts called for redemption shall cease to accrue from and after the earnings date specified as the redemption date; and all rights with respect to such accounts shall forthwith, after such redemption date, terminate, except only for the right of the account holder of record to receive the redemption price with interest to the redemption date. All savings account books or certificates evidencing former savings accounts which have been validly called for redemption must be tendered for payment within ten (10) years from the date of redemption designated in the redemption notice, otherwise they shall be cancelled. After the expiration of the period of ten (10) years, the association in which the funds are located shall, within six (6) months, pay the funds to the commissioner, who shall deposit such funds to the department's account with the State Treasurer.

An association holding investments which are so listed by the commissioner shall have a reasonable time to dispose of the same if at a later time the commissioner shall remove such investments from the list.

In connection with a loan, the borrower may be required to pay an attorney of his choice for services performed in connection with the loan; the borrower shall not be required to pay any attorney's fee to any attorney not selected by the borrower; and the borrower shall have the right to obtain at his own expense, if such insurance would be required by the lender, fire and casualty insurance on the property offered as security, or credit life insurance, from an insurance agent of the borrower's choice. § 81-12-165. Payment of expenses in connection with closing of loan; borrower to pay only his own attorney's fee; notice of right to select attorney; right of association to require title insurance.

Every association may require borrowers to pay all reasonable expenses incurred in connection with the making, closing, disbursing, extending, readjusting or renewing of real estate loans as shall be authorized by the commissioner. If an attorney's fee is charged the borrower in connection with any loan, the borrower shall have the right to select an attorney of his choice to close the loan and to look after his interests in connection with the loan and the fee shall be paid to the attorney selected. It is the intention of the Legislature to insure that the borrower shall not be required to pay any attorney's fee to any attorney other than the attorney selected by the borrower to close the loan. The borrower shall be advised by the association in writing of his right to select an attorney, provided that such attorney is on an approved list of a title insurance company acceptable to the association, and authorized to do business in the State of Mississippi. Title insurance is used herein as a criterion for qualifications of attorneys only, and nothing in this chapter shall be construed as requiring any association to require a borrower to secure a title insurance policy in addition to the regular attorney's certification of title. However, an association may, if it desires, require title insurance policies on loans, but if policies are required from one (1) attorney they shall be required from all attorneys used in connection with loans under this section. No association shall discriminate as to any charges, fees or discounts, or make any different charges whatsoever between loans closed by an attorney selected or recommended by, or representing the association and loans closed by an attorney selected by the borrower under the provisions of this subsection. § 81-12-175. Branch offices.

(1) A branch office is a legally established place of business of the association other than the home office, authorized by the board of directors and approved as provided herein, at which savings accounts and loan payments may be accepted and applications for loans may be received, and at which account books and certificates may be issued and loans may be closed by employees of the association.

(2) Each association shall be operated from the home office. All branch offices shall be subject to direction from the home office.

(3) No association may establish or operate a branch office without authorization of the commissioner. Each application for approval of the establishment and operation of a branch office shall state the proposed location thereof, the need therefor, the functions to be performed therein, the estimated volume of business thereof, the estimated annual expense thereof and the mode of payment therefor, and shall be accompanied by a budget of the association for the current earnings period and for the next succeeding semiannual period, which reflects the estimated additional expense of the maintenance of such a branch office. A resolution adopted by the board of directors of the association authorizing the proposed branch office and speci-

fyng the location and manner in which the branch office will be financed shall be submitted with each application. The commissioner may, by regulation, require the application to state other relevant and necessary information. Applications shall be made to the commissioner; and, upon receipt, he shall make an investigation to determine whether the establishment and maintenance of such office will unduly injure any properly conducted existing association or federal association in the community where such branch office is proposed to be established. The provisions of Section 81-12-29 of this chapter shall be followed in processing such application, except that the hearing shall be before the commissioner instead of the board.

(4) No association may change the location of a branch office to a municipality other than that in which it is located without authorization of the commissioner. Each application for approval of change of location of a branch office to another municipality shall state the proposed location thereof, the need therefor, the functions to be performed therein, the estimated volume of business thereof, the estimated annual expense thereof, and the mode of payment therefor, and shall be accompanied by a budget of the association for the current earnings period and for the next succeeding semiannual period, which reflects the estimated additional expense of the maintenance of such proposed change of location of the branch office. A resolution adopted by the board of directors of the association authorizing the proposed change of location of the branch office to another municipality and specifying the location and proposed manner in which such branch office will be financed shall be submitted with each application. The commissioner may, by regulation, require the application to state other relevant and necessary information. Applications shall be made to the commissioner; and, upon receipt, he shall make an investigation to determine whether the establishment and maintenance of such office will unduly injure any properly conducted existing association or federal association in the community to which the location of such branch office is proposed to be changed. The provisions of Section 81-12-29 shall be followed in processing such applications, except that the hearing shall be before the commissioner instead of the board.

(5) No association may change the location of a branch office to another location in the same municipality without authorization by the commissioner. The commissioner shall prescribe the form of the application, prerequisites and requirements. Notice of such proposed change of location shall be given as provided in Section 81-12-29(1). If no protests are filed after such notice, the commissioner may approve such application if it meets the established prerequisites and requirements. If protests are filed, the commissioner, upon reasonable notice to the applying association and its attorney and to the protestants and their attorneys, shall hold a hearing and, based upon his written findings at such hearing, issue a certificate of approval or disapproval.

(6) No branch office in this state may be discontinued or abandoned without the consent in writing of the commissioner first obtained.

§ 81-12-177. Annual report; annual audit; additional reports and examinations; access to books and papers.

(1) On or before the forty-fifth day after the end of an association's annual accounting period, every association shall make an annual written report to the commissioner, upon a form to be prescribed and/or furnished by the commissioner, of its affairs and operations, which shall include a complete statement of its financial condition, including a statement of income and expense since its last previous similar report, for the twelve (12) months ending on the last day of its accounting period of the previous year. This report shall include a statement of full compliance with this chapter, and such other information as the commissioner shall direct. Every such report shall be verified by the president, managing officer or any other officer designated by the commissioner.

(2) Every association also shall make such other reports as the commissioner may from time to time require, which shall be in such form and filed on such date as he may prescribe and shall be verified in the same manner as the annual report.

(3) The commissioner shall require that every association have its affairs examined and be audited at least once a year. The commissioner shall review such examination and audit within a reasonable time after their completion.

(4) The commissioner shall accept any examination made or any audit caused to be made by a federal home loan bank, the appropriate federal regulatory authority, or by the Federal Deposit Insurance Corporation.

(5) The commissioner may, without previous notice, examine or cause an examination to be made into the affairs of an association.

(6) Whenever, in the judgment of the commissioner, the condition of any association renders it necessary or expedient to make any extra examination or audit or to devote any extraordinary attention to its affairs, the commissioner shall cause the same to be done. A full and complete copy of the report of all examinations and audits shall be furnished to the association examined. Such report of examination or audit shall be presented by the president to the board of directors at its next regular or special meeting.

(7) The commissioner is authorized in connection with any examination or audit of any association to cause to be made appraisals of real estate held by the association or securing the association's assets when specific facts or information with respect to real estate held, secured loans or lending, or when in his opinion the association's policies, practices, operating results and trends give evidence that an association's appraisals may be excessive, that lending or investment may be of a marginal nature, that appraisal policies and practices may not conform with generally accepted and established professional standards, or that real estate held by the association or assets secured by real estate are overvalued. In lieu of causing such appraisals to be made, the commissioner may accept any appraisal caused to be made by a federal home loan bank, the appropriate federal regulatory authority, or by the Federal Deposit Insurance Corporation. Unless otherwise ordered by the commissioner, appraisal of real estate in connection with any examination or audit pursuant to this section shall be made by a professional appraiser or appraisers selected by the commissioner, and the cost of such appraisal promptly shall be paid by such association directly to such appraiser or appraisers, upon receipt by the association of a statement of such cost bearing the written approval of the commissioner. A copy of the report of such appraisal caused to be made by the commissioner, pursuant to this subsection, shall be furnished to the association within a reasonable time, not to exceed sixty (60) days following the completion of such appraisals, and may be furnished to the insuring agency.

(8) The commissioner or his examiners or auditors shall have free access to all books and papers of an association, a holding company of an association, or a service organization, the principal office of which is located in this state and which is principally owned by one or more thrift institutions, which relate to its business and books and papers kept by any officer, agent or employee, relating to or upon which any record of its business is kept, and may summon witnesses and administer oaths or affirmations in the examination of the directors, officers, agents or employees of any such association, service orga-

nization or any other person in relation to its affairs, transactions and conditions, and may require and compel the production of records, books, papers, contracts or other documents by court order, if not voluntarily produced.

If the commissioner, as a result of any examination or from any report made to him, shall find that any association is violating the provisions of its certificate of incorporation or bylaws, or the laws of this state or of the United States, or any lawful order or regulation of the commissioner, he shall, by a formal written order delivered to the association as aforesaid, state any alleged violation, together with a statement of the facts alleged to be such violation, and order discontinuance of such violation and conformance with all requirements of law. § 81-12-181. Appointment of conservator; powers and privileges; directors, officers and employees to remain; effect on deposits, withdrawals and loans.

(1) If the commissioner, as a result of any examination or from any report made to him, believes that the public interest may be served by the appointment of a conservator, and if he shall find that: (a) the capital of an association is impaired, or (b) the association is concealing any assets, books or records, or (c) the members of such association are in actual danger of loss due to mismanagement, misappropriation of funds, fraud, violation of this chapter, or

violation of any lawful rule of the commissioner, or (d) any association is in violation of an order or injunction, as authorized by this section, which has become final in that time to appeal has expired without appeal or a final order entered from which there can be no appeal, the commissioner may appoint a conservator for such association, which may be the commissioner or any other person, and upon such appointment shall apply immediately to the chancery court in the county in which the home office of the association is located for confirmation of such appointment, and such court shall have exclusive jurisdiction to determine the issues and all related matters. Such proceedings shall be given precedence over other cases pending in such court, and shall in every way be expedited. Such court shall confirm such appointment if it shall find that one or more of such grounds exist, and a certified copy of the order of the court confirming such appointment shall be evidence thereof. Such conservator shall have the power and authority provided in this chapter and such other power and authority as may be expressed in the order of the court. Such conservator shall endeavor promptly to remedy the situations complained of by the commissioner in his application for confirmation of such appointment. Within six (6) months of the date of such appointment, or within twelve (12) months if the court shall extend such period of six (6) months, such association shall be returned to the board of directors thereof and thereafter shall be managed and operated as if no conservator had been appointed, or a receiver shall be appointed as hereinafter provided. If the commissioner or examiner is appointed conservator, he shall receive no additional compensation, but if another person is appointed, then the compensation of the conservator, as determined by the court, shall be paid by the association. A certified copy of the order of the court discharging such conservator and returning such association to the directors thereof shall be sufficient evidence thereof.

(2) Any conservator appointed shall have all the rights, powers and privileges possessed by the officers, board of directors and members of the association and shall have the power, with the approval of the court, to limit or condition withdrawals from the association and to effectuate a system for payment of withdrawals.

(3) The directors and officers shall remain in office and the employees shall remain in their respective positions, but the conservator may remove any director, officer or employee, provided the order of removal of a director or officer shall be approved in writing by the commissioner.

(4) While the association is in the charge of a conservator, members or borrowers of such association shall continue to make payments to the association in accordance with the terms and conditions of their contracts, and the conservator, in his discretion, may permit savings account members or savings account holders to withdraw their accounts from the association pursuant to the provisions of this chapter. The conservator shall have power to accept savings accounts and additions to savings accounts, but any such amounts received by the conservator may be segregated if the commissioner shall so order in writing; if so ordered, such amounts shall not be subject to offset and shall not be used to liquidate any indebtedness of such association existing at

the time the conservator was appointed for it or any subsequent indebtedness incurred for the purposes of liquidating the indebtedness of any such association existing at the time such conservator was appointed. All expenses of the association during such conservatorship shall be paid by the association.

After the filing of the petition, the appeal shall be perfected by the filing of bond in the sum of Five Hundred Dollars (\$500.00) with two (2) good and sufficient sureties or with a surety company qualified to do business in Mississippi as the surety, conditioned to pay the cost of such appeal; the bond to be approved by the commissioner or by the clerk of the court to which such appeal is taken. The perfection of an appeal shall not stay or suspend the operation of any rule, regulation or order of the commissioner or the board, but the judge of the circuit court to which the appeal is taken may award a writ of supersedeas to any rule, regulation or order of the commissioner or the board after five (5) days' notice to the commissioner or the board and after hearing. Any order or judgment staying the operation of any rule, regulation or order of the commissioner or the board shall contain a specific finding, based upon evidence submitted to the circuit judge and identified by reference thereto, that great or irreparable damage would result to the appellant if he is denied relief, and the stay shall not become effective until a supersedeas bond shall have been executed and filed with and approved by the clerk of the court payable to the state. § 81-12-217. Commissioner to issue supervisory control for association.

(1) Whenever the commissioner determines that a solvent association is conducting its business in an unsafe or unsound manner, or in any fashion which threatens the financial integrity or sound operation of the association, the commissioner may serve a notice of charges on the association, requiring it to show why it should not be placed under supervisory control. Such notice of charges shall specify the grounds for supervisory control, and set the time and place for a hearing. A hearing before the commissioner pursuant to such notice shall be held within fifteen (15) days after issuance of the notice of charges.

(2) If, after the hearing provided above, the commissioner determines that supervisory control of the association is necessary to protect the association's members, customers, stockholders or creditors, or the general public, the commissioner shall issue an order taking supervisory control of the association.

(3) If the order taking supervisory control becomes final, the commissioner may appoint an agent to supervise and monitor the operations of the association during the period of supervisory control. During the period of supervisory control, the association shall act in accordance with such instructions as may be given by the commissioner, directly or through his supervisory agent, and shall not fail to act, except when to do so would violate an outstanding cease and desist order.

(4) Within one hundred eighty (180) days of the date the order taking supervisory control becomes final, the commissioner shall issue an order approving a plan for the termination of supervisory control. The plan may provide for:

- (a) The issuance by the association of capital stock;
- (b) The appointment of one or more officers and/or directors;
- (c) The reorganization, merger or consolidation of the association;
- (d) The dissolution and liquidation of the association;

(e) Other such measures as determined by the commissioner.

The order approving the plan shall not take effect until thirty (30) days after issuance during which time period an appeal may be filed in accordance with the provisions of Section 81-12-205.

(5) All costs of this proceeding shall be paid by the association.

(6) For the purpose of this section, an order shall be deemed final if:

(a) No appeal is filed within the specific time allowed for the appeal; or

(b) All judicial appeals are exhausted.

(7) If an association is insolvent, the provisions of Section 81-12-183 shall apply.

In all examinations no association shall be allowed credit in excess of its sound value for a note or security of which the principal and interest is over twelve (12) months past due; nor for any bond in excess of the real value thereof; nor for any stock of its own held more than twelve (12) months; nor for any unsecured overdrafts that may have existed for a greater period than thirty (30) days next preceding it, except that the period shall be ninety (90) days for unsecured overdrafts upon which interest is being charged if the

association has a written policy authorizing such overdrafts for not more than ninety (90) days. Only such overdrafts shall be considered as secure as are advanced against products or actual existing values evidenced by warehouse receipts or bills of lading, against bills of exchange drawn in good faith against actual existing values, or against funds on deposit by the depositor whose account is overdrawn, and who has pledged those funds as security for such overdraft, and in making up the statement of the condition of such association any such item shall be charged off (but if desired a note shall be appended giving details thereof). But the discretion of the commissioner or examiner may be exercised in cases of estates in litigation or administration, and in pending suits, if the security affected thereby is ample, in the opinion of the commissioner or examiner making such examination.

The liability to an association by a person, company, corporation or firm for money loaned, including in the liability of such person, company or firm, where a partnership, the liabilities of the several members thereof, shall not exceed twenty percent (20%) of the aggregate unimpaired capital and unimpaired surplus of said association.

The following shall not be restricted to or considered as coming within the limitations of twenty percent (20%) herein prescribed:

(a) Loans and discounts secured by warehouse receipts or shippers' order bills of lading representing actual existing values, provided the amount of such loans and discounts shall not exceed eighty-five percent (85%) of the market value of the commodities representing the actual existing values.

(b) Loans and discounts secured by bonds, certificates or notes constituting direct obligations of the United States government, or bonds fully guaranteed by the United States government, or by full faith and credit obligations of the State of Mississippi; provided, however, the commissioner shall from time to time determine and fix the maximum percentage of the par value of all such securities that may be loaned.

(c) Loans and discounts to the extent that they are secured or covered by guaranties, or by commitments, or agreements to take over or purchase the same, made by any federal reserve bank, or by the United States, or any department, bureau, board, commission or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States; provided that such guaranties, agreements or commitments are unconditional and are to be performed by payment within sixty (60) days after demand; provided, further, that the commissioner is hereby authorized to define the terms herein used and may by regulation control the making of loans under this paragraph (c).

(d) Loans and discounts secured in full by funds on deposit in time or savings accounts with the lending bank to the credit of the borrower.

Any officer or director who shall approve or make loans prohibited in this section shall be liable individually for the full amount of the principal and interest of any such loan. If the commissioner shall discover, in any examination of any open bank that there is a loss on any loan made in violation of this section, he shall make demand of all directors and officers approving or making such loan for payment of the entire unpaid balance on any such loan.

Like demand shall be made and suit brought by the receiver of any bank in liquidation. Provided, however, this section shall not apply to loans to the State of Mississippi, or to any political subdivision thereof, nor to any levee district.

A copy of the call reports of any association shall be furnished to any person or corporation requesting the same for a reasonable fee prescribed by the commissioner, which shall be collected by the commissioner and shall be paid into the department maintenance fund. If the commissioner fails or refuses to furnish copies of the report when so requested and tendered the proper fee; or if he fails to account for any such fees received by him; or if any person other than the commissioner, deputy commissioner, an examiner, or assistant furnishes any copy of such association report to anyone, whether for a consideration or without consideration, such person shall be guilty of a misdemeanor and shall be fined not less than Fifty Dollars (\$50.00) or be imprisoned not more than one (1) month in the county jail, or both. However, this section shall not be construed to prevent any officer of the association from furnishing to anyone a statement of such association.

§ 81-13-1. Organization of credit union; hearing upon denial of license; commencement of corporate existence.

(1) Any seven (7) persons who are residents of the State of Mississippi of full age and of good moral and sound business character eligible under this chapter to become members of a credit union may prepare in duplicate articles of association and incorporation, and sign the same and cause the same to be acknowledged by one (1) of the signers before an officer competent to take acknowledgments to the effect that the same has been signed and executed by all of the signers. Before any credit union may be organized and formed, the prospective incorporators shall give notice to the Department of Banking and Consumer Finance by petition to the Commissioner of Banking and Consumer Finance of their desire to engage in business as a credit union and shall at the time file with the commissioner two (2) copies of the proposed articles of incorporation, duly sworn to by one (1) of the prospective incorporators.

(2) Upon receipt of a petition for a certificate of incorporation to form a credit union and such additional information as may be required by the commissioner, the commissioner shall promptly give consideration to the petition and make an examination of the proposed articles of incorporation to determine if they meet all requirements of the law. The commissioner shall then make an investigation to determine that the prerequisites of this chapter have been complied with and that:

(a) The character, responsibility and general fitness of the persons named in the petition are such as to command confidence and warrant belief that the business of the proposed credit union will be honestly and efficiently conducted in accordance with the intent and purpose of this chapter and that the proposed credit union will have qualified management;

(b) There is need for the proposed credit union to serve the proposed field of membership, which shall be specific in detail; and

(c) The anticipated volume and type of business and field of membership of the proposed credit union is such as to indicate profitable operation within a reasonable time.

When the commissioner has completed the examination and made his investigation, he shall record his preliminary findings and recommendations in writing.

(3) The commissioner shall consider the findings and shall hear such oral testimony as he may wish, and may also receive information and hear testimony bearing upon the approval of the organization and operation of the new credit union. When the commissioner has completed the examination and investigation, the commissioner shall record the findings in writing and render a decision as to whether or not said credit union should be authorized to do business. If the decision is favorable, the incorporators shall then present one (1) of said copies of the articles of association and incorporation, with a recording fee of Ten Dollars (\$10.00) to the Secretary of State of the State of Mississippi who shall receive and file the same, whereupon said persons entering into said articles shall be and become an incorporated credit union association under the laws of the State of Mississippi, without individual liability for debts, obligation or other liabilities of said association, in excess of such membership fees as remain due and unpaid by said members, respectively, and may sue and be sued in the name of said association. The Secretary of State shall record the said articles in his office and return the original so recorded to said association. The association shall file articles for record in the office of the clerk of the chancery court in the county where the principal place of business is located.

(4) If the commissioner shall deny the application for such charter, he shall notify the applicant in writing of such denial and shall include in such notification the reason or reasons for such denial. When any application for a charter is denied, the applicant shall have the right to a hearing thereon by and before the commissioner by filing, within thirty (30) days after the date of the receipt of the notification of denial, a written petition with the commissioner requesting such hearing. Upon the filing of any such request, the commissioner shall fix a date for the hearing, which date shall not be later than thirty (30) days from the date of the filing of the request, and notice shall be given to the public of the fact that such hearing will be held by the publication of a notice in some newspaper published in the county where the business is proposed to be conducted not less than ten (10) days before the date of the hearing, which notice shall specify the date, time, place and purpose of the hearing, said hearing to be in the office of the commissioner in Jackson, Mississippi. If there is no newspaper published in the county where the business is proposed to be conducted, such notice shall be placed in a newspaper having general circulation in such county.

(5) All such hearings shall be held and conducted in the office of the commissioner, and the applicant and any and all other interested persons may appear and present such evidence as shall be relevant and material and the commissioner may cause the production and presentation of such evidence as deemed relevant and material. At all such hearings the applicant shall have the right to be represented by counsel and to examine and cross-examine any and all witnesses that may testify at such hearing. For the purpose of compelling the attendance of witnesses at such hearing the commissioner shall have the power to issue subpoenas therefor in the same manner as subpoenas are issued in circuit courts. All witnesses who shall testify at any such hearing

shall be sworn in the same manner as witnesses are sworn in the circuit courts and shall be subject to penalties for perjury as is otherwise provided under the laws of this state.

(6) At all such hearings the commissioner shall cause the evidence presented to be taken down and a record made thereof and the commissioner shall make a written finding and decision with reference to the question presented and shall cause same to be included in the record. The original of said record shall be kept as a permanent record by the commissioner and a copy thereof shall be furnished to the applicant. If the application for the charter shall be denied as a result of such hearing, the applicant may obtain a review of such denial by filing a petition for the review of such denial within thirty (30) days from the date of such denial to the circuit court of the county in which it is sought to organize such credit union. The review by said court shall be on the record made before the commissioner and copies of all applications, bonds and other papers and documents of every kind filed with the commissioner in connection with the application and said hearing shall be included in said record along with the transcript of the evidence.

(7) The corporate existence of an association shall begin on the date the certificate of incorporation is issued to the credit union, and such existence shall be perpetual unless terminated in accordance with the provisions of this chapter.

(8) At any time the commissioner determines that a credit union ceases to offer normal credit union services to its members as a result of a merger, voluntary liquidation, involuntary liquidation or any other cause, the commissioner shall be authorized to pay the required fee to record the cancellation of the charter of the credit union in the county where originally recorded and in the Secretary of State's office.

The commissioner may conduct other examinations and the commissioner or examiners of the Department of Banking and Consumer Finance shall at all times be given free access to all the books, papers, securities and other sources of information in respect to the credit union. The board of directors may request that the credit union be declared insolvent and a liquidating agent be appointed.

The commissioner shall continue his order suspending the credit union's operation until final determination or liquidation. The credit union may request the chancery court of the county in which the home office of the credit union is located to take such action as it may deem necessary under the law.

(5) If, within the suspension period, the credit union fails to answer the suspension notice or request a hearing, the commissioner may then revoke the credit union's charter, appoint a liquidating agent and liquidate the credit union.

§ 81-13-21. Appointment of conservator; powers and duties of conservator.

(1) If it appears to the Commissioner of Banking and Consumer Finance, as a result of any examination or from any report made to him, that the public interest may be served by the appointment of a conservator, and if he shall find that: (a) the capital of a credit union is impaired, or (b) the credit union is concealing any assets, books or records or (c) the members of such credit union are in actual danger of loss due to mismanagement, misappropriation of funds, fraud, violation of this chapter, or violation of any lawful rule of the board or (d) has lost its field of membership or (e) the credit union is in violation of an order or injunction, as authorized by this section, which has become final since time to appeal has expired without appeal or a final order entered from which there can be no appeal, the commissioner may appoint a conservator for such credit union, which may be the commissioner or any other person, and upon such appointment the commissioner shall apply immediately to the chancery court in the county in which the home office of the credit union is located for confirmation of such appointment, and such court shall have exclusive jurisdiction to determine the issues and all related matters. Such conservator shall have the power and authority provided in this chapter and such other power and authority as may be expressed in the order of the court. Such conservator shall endeavor promptly to remedy the situations complained of by the commissioner in his application for confirmation of such appointment. Within six (6) months of the date of such appointment, or within twelve (12) months if the court shall extend such period of six (6) months, such credit union shall be returned to the board of directors thereof and thereafter shall be managed and operated as if no conservator had been appointed. If the commissioner serves as conservator, he shall receive no additional compensa-

A certified copy of the order of the court discharging such conservator and returning such credit union to the directors thereof shall be sufficient evidence thereof.

(2) Any conservator appointed shall have all the rights, powers and privileges possessed by the officers, board of directors and members of the credit union and shall have the power, with the approval of the court, to limit or condition withdrawals from the credit union and to effectuate a system for payment of withdrawals.

(3) The directors and officers shall remain in office and the employees shall remain in their respective positions, but the conservator may remove any director, officer or employee, provided the order of removal of a director or officer shall be approved by the chancery court.

(4) While the credit union is in the charge of a conservator, members or borrowers of such credit union shall continue to make payments to the credit union in accordance with the terms and conditions of their contracts. All expenses of the credit union during such conservatorship shall be paid by the credit union.

§ 81-13-58. Deposit in name of two or more persons; payments to successors of deceased depositors without administration.

When a deposit has been made or is hereafter made in the name of two (2) or more persons, payable to any one (1) of those persons, or payable to any one (1) of those persons or the survivor, or payable to any one (1) of those persons or to the survivor or survivors, or payable to the persons as joint tenants, the deposit or any part thereof or interest or dividends thereon may be paid to any one (1) of those persons, without liability whether one or more of those persons is living or not, and the receipt of acquittance of the person so paid shall be a valid and sufficient release and discharge to the credit union for any payment so made. The making of a deposit in that form, or the making of additions thereto, shall create a presumption in any action or proceeding to which either the credit union or any survivor is a party of the intention of all the persons named on the deposit to vest title to the deposit and the additions thereto and all interest or dividends thereon in the survivor or survivors. Said corporation shall continue in existence for the purpose of discharging its debts and obligations, collecting and distributing its assets, and doing all other acts required in order to wind up its business, and may sue and be sued for the purpose of enforcing such debts and obligations until its affairs are fully adjusted and wound up, for three (3) years.

§ 81-13-65. Conversion from state to federal credit union and from federal to state credit union.

(1) A state credit union may be converted into a federal credit union by complying with the following requirements:

(a) The proposition for such conversion shall first be approved, and a date set for a vote thereon by the members, either at a regular meeting or a special meeting called for that purpose by a majority of the directors of the state credit union. Written notice of the proposition and of the date set for the vote shall be delivered or mailed to each member, not more than thirty (30) days nor less than seven (7) days prior to such date. Approval of the proposition for conversion shall be by the affirmative vote of a majority of the members attending said meeting.

(b) A statement of the results of the vote, verified by the affidavits of the president or vice president and the secretary, shall be filed with the Commissioner of Banking and Consumer Finance within ten (10) days after the vote is taken.

Upon such filing the credit union shall cease to be a state credit union.

(d) Upon ceasing to be a state credit union, such credit union shall no longer be subject to any of the provisions of this chapter. The successor federal credit union shall be vested with all of the assets and shall continue responsible for all of the obligations of the state credit union to the same extent as though the conversion had not taken place.

(2)(a) A federal credit union, organized under the Federal Credit Union Act, may be converted into a state credit union by:

(i) Complying with all federal requirements requisite to enabling it to convert to a state credit union or cease being a federal credit union;

(ii) Filing with the commissioner proof of such compliance, satisfactory to the commissioner;

(iii) Filing with the Department of Banking and Consumer Finance the articles of incorporation required for state credit unions; and

(iv) Filing such other statements or proof as may from time to time be required by the commissioner.

(b) Should the commissioner determine that an audit should be made of the credit union prior to approval, he shall direct such audit and the reasonable, actual cost thereof shall be paid by the credit union.

(c) When the commissioner has been satisfied that all of such requirements have been complied with, the commissioner shall approve the charter of incorporation. Upon such approval the federal credit union shall become a state credit union as of the date it ceases to be a federal credit union. The state credit union shall be vested with all of the assets and shall continue responsible for all of the obligations of the federal credit union to the same extent as though the conversion had not taken place.

§ 81-14-103. Conversion from state to federal charter.

Any state savings bank, stock or mutual, organized and operated under the provisions of this chapter, may convert to a federal charter in accordance with the provisions of the laws and regulations of the United States and with the same force and effect as though originally incorporated under such laws. The procedure to convert shall be as follows:

(a) The savings bank shall submit a plan of conversion to the commissioner, and he may approve the plan, with or without amendment, or reject the plan. If he approves, the plan shall be submitted to the members or stockholders as hereinafter provided. If the commissioner rejects the plan, he shall state his objections in writing and give the converting savings bank an opportunity to amend the plan.

(b) A meeting of the members or stockholders shall be held after fifteen (15) days' notice to each member or stockholder. The board of directors may provide notice of the meeting to each member or stockholder either by mail, postage prepaid, or by publication of notice, once a week for two (2) weeks preceding such meeting, in a newspaper of general circulation in the county where such savings bank has its principal office. The notice may contain the following statement: “The purpose of this meeting is to consider the

conversion of this state-chartered savings bank to a federal charter, pursuant to the laws of the United States.” An appropriate officer of the savings bank shall make proof by affidavit at such meeting of due service of the notice for such meeting.

(c) At the meeting of the members or stockholders of such savings bank, such members or stockholders may by affirmative vote of a majority of votes or shares present, in person or by proxy, resolve to convert said savings bank to a federal charter. A certified copy of the minutes from such meeting shall be filed in the office of the commissioner and shall be prima facie evidence of the holding of the meeting.

(d) Within a reasonable time after the receipt of a certified copy of the minutes, the commissioner shall either approve or reject the proceedings of the meeting for compliance with the procedure set forth in this section. If the commissioner approves the proceedings, he shall issue a certificate of his approval of conversion. Such certificate shall be recorded by the savings bank in the office of the Secretary of State. If the commissioner rejects the proceedings, he shall provide a written explanation of his disapproval and notify the savings bank of his disapproval.

(e) The savings bank shall file an application, in the manner prescribed or authorized by the laws and regulations of the United States, to consummate the conversion to a federal charter. A copy of the charter or authorization issued to the savings bank by the appropriate federal regulatory authority shall be filed with the commissioner. Upon filing with the commissioner, the savings bank shall cease to be a state savings bank and shall be a federal depository institution.

(f) Whenever any savings bank shall convert to a federal charter, it shall cease to be a savings bank under the laws of this state; provided, however, that its corporate existence shall be extended for the purpose of prosecuting or defending suits, enabling such savings bank to close its business affairs as a state savings bank, and disposing of and conveying its property. At the time when such conversion becomes effective, all the property of the state savings bank, including all its rights, title and interest in and to all property of whatever kind, and every right, privilege, interest and asset of any conceivable value or benefit then existing, belonging or pertaining to it, or which would inure to it, shall immediately by act of law and without any conveyance or transfer, and without any further act or deed, be vested in and become the property of the federal depository institution which shall have, hold and enjoy such property in its own right as fully as such property was possessed, held and enjoyed by the savings bank; and the federal depository institution as of the effective time of such conversion shall succeed to all the rights, obligations and relations of the state savings bank.

(1) In the event of a state charter to federal charter conversion, when the form of ownership will also simultaneously be changed from stock to mutual, or from mutual to stock, the conversion shall proceed initially as if it involves only a charter conversion under Section 81-14-103. § 81-14-107. Conversion of mutual to stock savings bank.

(1) Any mutual savings bank may convert from mutual to the stock form of ownership as provided in this section.

(2) A mutual savings bank may apply to the commissioner for permission to convert to a stock savings bank and for certification of appropriate amendments to the savings bank's certificate of incorporation. Upon receipt of an application to convert from mutual to stock form, the commissioner shall examine all facts connected with the requested conversion. The expenses and

cost of such examination, monitoring and supervision shall be paid by the savings bank applying for permission to convert.

(3) The savings bank shall submit a plan of conversion as a part of the application to the commissioner. The commissioner may approve it with or without amendment, if it appears that:

(a) After conversion the savings bank will be in sound financial condition and will be soundly managed;

(b) The conversion will not impair the capital of the savings bank nor adversely affect the savings bank's operations;

(c) The conversion will be fair and equitable to the members of the savings bank and no person whether member, employee or otherwise, will receive any inequitable gain or advantage by reason of the conversion;

(d) The savings bank services provided to the public by the savings bank will not be adversely affected by the conversion;

(e) The substance of the plan has been approved by a vote of two-thirds (2/3) of the board of directors of the savings bank;

(g) All stock shall be offered to members of the savings bank and others in prescribed amounts and otherwise pursuant to a formula and procedure which is fair and equitable and will be fairly disclosed to all interested persons;

(h) The plan provides a statement as to whether stockholders shall have preemptive rights to acquire additional or treasury shares of the savings bank.

If the commissioner approves the plan, then the plan shall be submitted to the members as hereinafter provided. If he refuses to approve the plan, the commissioner shall state his objections in writing and give the converting savings bank an opportunity to amend the plan to obviate such objections.

(4) After lawful notice to the members of the savings bank and full and fair disclosure, the plan must be approved by a majority of the total votes which members of the savings bank are eligible and entitled to cast. Such a vote by the members may be in person or by proxy. Following the vote of the members, the results of the vote certified by an appropriate officer of the savings bank shall be filed by the commissioner. The commissioner shall then either approve or disapprove the requested conversion. After approval of the conversion, the commissioner shall supervise and monitor the conversion process and he shall ensure that the conversion is conducted pursuant to law and the savings bank's approved plan of conversion.

(5) The commissioner may promulgate such rules and regulations as may be necessary to govern conversions; however, such rules and regulations as may be promulgated by the commissioner shall be equal to or exceed the requirements for conversion, if any, imposed by the federal insurer of deposit accounts.

§ 81-14-111. Merger of like savings banks.

Any two (2) or more mutual savings banks, or any two (2) or more stock savings banks, organized and operating, may merge or consolidate into a single savings bank. The procedure to merge shall be as follows:

(a) The directors, or a majority of them, of such savings banks may, at separate meetings, enter into a written agreement of merger. Such agreement shall be signed by the majority of the directors under the corporate seals of the respective savings banks and shall specify each savings bank to be merged and the savings bank which is to receive into itself the merging savings bank or banks. Such agreement shall prescribe the terms and conditions of the merger and the mode of carrying it into effect. The merger agreement may provide such other provisions with respect to the merger as appear necessary or desirable, or as the commissioner may require to enable him to discharge his duties with respect to such merger.

(b) A meeting of the members or stockholders of each of the savings banks shall be held separately upon written notice of not less than fifteen (15) days to members or stockholders of each savings bank. The notice shall specify the time, place and purpose for the meeting. Notice shall be made by personal service or postage prepaid mail to the last address of each member or stockholder appearing upon the records of the savings bank, or by publication of notice, at least once a week for two (2) weeks preceding the meeting, in one or more newspapers of general circulation in the county or counties where each savings bank has its principal or a branch office, or in a newspaper of general circulation in an adjoining county if none is available in the county. An appropriate officer of the savings bank shall make proof by affidavit at such meeting of the due service of the notice for such meeting.

(c) At separate meetings of the members or stockholders of the respective savings banks, the members or stockholders may adopt, by an affirmative vote of a majority of the votes or shares present, in person or by proxy, a resolution to merge into a single savings bank upon the terms of the merger agreement as agreed upon by the directors of the respective savings banks and as approved by the commissioner. Upon the adoption of the resolution, a copy of the minutes of the proceedings of the meetings of the members or stockholders of the respective savings banks certified by an appropriate officer of the merging savings banks shall be filed in the office of the commissioner. Within fifteen (15) days after the receipt of a certified copy of the minutes of such meeting the commissioner shall either approve or disapprove the proceedings for compliance with this section. If the proceedings are approved by him, he shall issue a certificate of his approval of the merger. The certificate shall be filed and recorded in the office of the Secretary of State. When the certificate is so filed, the merger agreement

shall take effect according to its terms and shall be binding upon all the members or stockholders of the merging savings banks, and it shall be deemed to be the act of merger of such constituent savings banks under the laws of this state. The certificate or certified copy thereof shall be evidence of the agreement and act of merger of such constituent savings banks under the laws of this state and the observance and performance of all acts and conditions necessary to have been observed and performed precedent to such merger. Within sixty (60) days after its receipt from the Secretary of State, the certified copy of the certificate shall be filed with the registrar of deeds of the county or counties in which the respective savings banks so merged have recorded their original certificates of incorporation. Failure to file shall subject the savings bank to a penalty of One Hundred Dollars (\$100.00) to be collected by the Secretary of State. If the commissioner disapproves the proceedings, he shall issue a written statement of the reasons for his disapproval and notify the savings bank to that effect.

(d) Upon the merger of any savings bank:

(i) Its corporate existence shall be merged into that of the receiving savings bank; and all its right, title, interest in and to all property of whatsoever kind, and every right, privilege, interest or asset of any conceivable value or benefit then existing belonging or pertaining to it, or which would inure to it under an unmerged existence, shall immediately by act of law and without any conveyance or transfer, and without any further act or deed, be vested in and become the property of such receiving savings bank which shall have, hold and enjoy such property in its own right as fully as if such property were possessed, held or enjoyed by the savings banks so merged; and such receiving savings bank shall absorb fully and completely the savings bank or banks so merged.

(ii) Its rights, liabilities, obligations and relations to any person shall remain unchanged and the savings bank into which it has been merged shall succeed to all the relations, obligations and liabilities as though it had assumed or incurred the same. No obligation or liability of a member, customer or stockholder in a savings bank shall be affected by the merger, but obligations and liabilities shall continue as they existed before the merger, unless otherwise provided in the merger agreement.

(iii) A pending action or other judicial proceeding to which any merging savings bank is a party shall not be deemed to have abated or to have discontinued by reason of the merger, but may be prosecuted to final judgment, order or decree as if the merger had not occurred; or the receiving savings bank may be substituted as a party to such action or proceeding, and any judgment, order or decree may be rendered for or against the receiving savings bank as if the merger had not occurred.

(e) Notwithstanding any other provision of this section, the commissioner may waive any of the foregoing requirements upon finding that such waiver would be in the best interest of the members or stockholders of the merging savings banks.

At any annual or special meeting called for such purpose, a savings bank may, by an affirmative vote in person or by proxy of at least two-thirds (2/3) of the total number of shares or votes which all members or stockholders of the association are entitled to cast, resolve to dissolve and liquidate the savings

bank and adopt a plan of voluntary dissolution. Upon adoption of such resolution and plan of voluntary dissolution, the members or stockholders shall proceed to elect not more than three (3) liquidators who shall post bond as required by the commissioner. The liquidators shall have full power to execute the plan. The procedure thereafter shall be as follows:

(a) A copy of the resolution certified by an appropriate officer of the savings bank, the minutes of the meeting of members or stockholders, the plan of liquidation and an itemized statement of the savings bank's assets and liabilities sworn to by a majority of its board of directors, shall be filed with the commissioner. The minutes of the meeting of members or stockholders shall be certified by an appropriate officer of the institution and shall set forth the notice given and the time of mailing thereof, the vote on the resolution and the total number of shares or votes which all members of the savings bank were entitled to cast thereon, and the names of the liquidators elected.

(b) If the commissioner finds that the proceedings are in accordance with the provisions of this chapter and that the plan of liquidation is not reasonably unfair to any person affected, he shall attach his certificate of approval to the plan and shall forward one (1) copy to the liquidators and one (1) copy to the savings bank's federal deposit account insurance corporation. Once the commissioner has approved the resolution and the plan of liquidation, it shall thereafter be unlawful for such savings bank to accept any additional deposit accounts or additions to deposit accounts or make any additional loans. All of the income and receipts in excess of actual expenses of liquidation of the savings bank shall be applied to the discharge of its liabilities.

(c) The liquidator or liquidators so appointed shall be paid a reasonable compensation by the liquidating savings bank subject to the approval of the commissioner.

(d) The plan shall become effective upon the recording of the commissioner's certificate of approval in the manner required by this chapter for the recording of the certificate of incorporation.

The commissioner shall call upon each state savings bank for the reports required in this section. Such calls shall be made by the commissioner in writing by letter or other similar means of written communications for the same dates and as often as calls are issued by the appropriate federal regulating authority for reports from federal savings banks. § 81-14-175. Appeal from final rule, regulation or order of commissioner or board.

Unless otherwise provided in this chapter, any interested person aggrieved by any rule, regulation or order of the commissioner and/or the board, as applicable, shall have the right, regardless of the amount involved, to appeal

to the Circuit Court of the First Judicial District of Hinds County. However, if the appellant is an applicant for a charter, the appeal shall be taken to the circuit court of the county in which the proposed institution is domiciled; or if the appellant is seeking to establish a branch office, the appeal shall be taken to the circuit court of the county in which the proposed branch is located. Such appeal shall be taken and perfected as hereinafter provided, within thirty (30) days from the date of such final rule, regulation or order. The circuit court may affirm such rule, regulation or order, or remand for further proceedings as justice may require. All such appeals shall be taken and perfected, heard either in termtime or in vacation, and shall be heard and disposed of promptly by the court as a preference cause. In perfecting any appeal provided by this section, the provisions of law respecting notice to the reporter and the allowance of bills of exception, now or hereafter in force, and those provisions respecting appeals from the circuit court to supreme court shall be applicable. However, the reporter shall transcribe his notes and file the transcript of the record with the commissioner or board within thirty (30) days after approval of the appeal bond. Upon the filing with the commissioner or board of a petition for appeal to the circuit court, it shall be the duty of the commissioner or board, within sixty (60) days after approval of the appeal bond to file with the clerk of the circuit court to which the appeal is taken a copy of the petition for appeal, the rule, regulation or order appealed from, and the original and one (1) copy of the transcript of the record of proceedings in evidence before the commissioner or board. After the filing of such petition, the appeal shall be perfected by filing of bond in the sum of Five Hundred Dollars (\$500.00) with two (2) sufficient sureties, or with a surety company qualified to do business in Mississippi as the surety, conditioned to pay the cost of such appeal. Such bond shall be approved by the commissioner or by the clerk of the court to which such appeal is taken. The perfection of an appeal shall not stay or suspend the operation of any rule, regulation or order of the commissioner or board, but the judge of such circuit court may award a writ of supersedeas to any rule, regulation or order of the commissioner or board after five (5) days' notice to the commissioner or board. Any order or judgment staying the operation of any rule, regulation or order of the commissioner or board shall contain a specific finding, based upon evidence submitted to the circuit judge and identified by reference thereto, that irreparable damage would result to the appellant if he is denied relief. Such stay shall not become effective until a supersedeas bond shall have been executed and filed with and approved by the clerk of the court payable to the state. The bond shall be in an amount fixed by the circuit judge and conditioned as said circuit judge may direct.

In all examinations no savings bank shall be allowed credit in excess of its sound value for a note or security of which the principal and interest is over twelve (12) months past due; nor for any bond in excess of the real value thereof; nor for any stock of its own held more than twelve (12) months; nor for any unsecured overdrafts that may have existed for a greater period than thirty (30) days next preceding it, except that the period shall be ninety (90) days for unsecured overdrafts upon which interest is being charged if the savings bank has a written policy authorizing such overdrafts for not more than ninety (90) days. Only such overdrafts shall be considered as secure as are advanced against products or actual existing values evidenced by warehouse receipts or bills of lading, against bills of exchange drawn in good faith against actual existing values, or against funds on deposit by the depositor whose account is overdrawn, and who has pledged those funds as security for such overdraft, and in making up the statement of the condition of such savings bank any such item shall be charged off (but if desired a note shall be appended giving details thereof). But the discretion of the commissioner or examiner may be exercised in cases of estates in litigation or administration, and in pending suits, if the security affected thereby is ample, in the opinion of the commissioner or examiner making such examination.

§ 81-14-179. Commissioner to provide copy of call reports; failure or refusal; misdemeanor.

A copy of the call reports of any savings bank shall be furnished to any person or corporation requesting the same for a reasonable fee prescribed by the commissioner, which shall be collected by the commissioner and shall be paid into the department maintenance fund. If the commissioner fails or refuses to furnish copies of the report when so requested and tendered the proper fee; or if he fails to account for any such fees received by him; or if any person other than the commissioner, deputy commissioner, an examiner, or assistant furnishes any copy of such savings bank report to anyone, whether for a consideration or without consideration, such person shall be guilty of a misdemeanor and shall be fined not less than Fifty Dollars (\$50.00) or be imprisoned not more than one (1) month in the county jail, or both. § 81-14-207. Supervisory control.

(1) Whenever the commissioner determines that a solvent savings bank is conducting its business in an unsafe or unsound manner, or in any fashion which threatens the financial integrity or sound operation of the savings bank, the commissioner may serve a notice of charges on the savings bank, requiring it to show why it should not be placed under supervisory control. Such notice of charges shall specify the grounds for supervisory control, and set the time and place for a hearing. A hearing before the commissioner pursuant to such notice shall be held within fifteen (15) days after issuance of the notice of charges.

(2) If, after the hearing provided above, the commissioner determines that supervisory control of the savings bank is necessary to protect the savings bank's members, customers, stockholders or creditors, or the general public, the commissioner shall issue an order taking supervisory control of the savings bank.

(3) If the order taking supervisory control becomes final, the commissioner may appoint an agent to supervise and monitor the operations of the savings bank during the period of supervisory control. During the period of

supervisory control, the savings bank shall act in accordance with such instructions as may be given by the commissioner, directly or through his supervisory agent, and shall not fail to act, except when to do so would violate an outstanding cease and desist order.

(4) Within one hundred eighty (180) days of the date the order taking supervisory control becomes final, the commissioner shall issue an order approving a plan for the termination of supervisory control. The plan may provide for:

- (a) The issuance by the savings bank of capital stock;
- (b) The appointment of one or more officers and/or directors;
- (c) The reorganization, merger or consolidation of the savings bank;
- (d) The dissolution and liquidation of the savings bank;
- (e) Other such measures as determined by the commissioner.

The order approving the plan shall not take effect until thirty (30) days after issuance during which time period an appeal may be filed in accordance with the provisions of Section 81-14-175.

(5) All costs of this proceeding shall be paid by the savings bank.

(6) For the purpose of this section, an order shall be deemed final if:

- (a) No appeal is filed within the specific time allowed for the appeal; or
- (b) All judicial appeals are exhausted.

(7) If a savings bank is insolvent, the provisions of Section 81-14-211 shall apply.

§ 81-14-209. Removal of directors, officers and employees.

(1) If, in the commissioner's opinion, any director, officer or employee of any savings bank has participated in, or consented to, any violation of this chapter, or any other law, rule, regulation or order, or any unsafe or unsound business practice in the operation of any savings bank, or any insider loan not specifically authorized by or pursuant to this chapter, or any repeated violation of, or failure to comply with, any savings bank's bylaws, the commissioner may serve a written notice of charges upon such director, officer or employee and the savings bank, stating his intent to remove such director, officer or employee. Such notice shall specify the alleged conduct of such director, officer or employee and shall state the place for a hearing before the commissioner. A hearing shall be held no earlier than fifteen (15) days, but no later than thirty

(30) days, after the notice of charges is served. If, after the hearing, the commissioner determines that the charges asserted have been proven by a preponderance of the evidence, the commissioner may issue an order removing the director, officer or employee in question. Such an order shall be effective upon issuance and may include the entire board of directors or all of the officers of the savings bank.

(2) If it is determined that any director, officer or employee of any savings bank has knowingly participated in, or consented to, any violation of this chapter, or any other law, rule, regulation or order, or engaged in any unsafe or unsound business practice in the operation of any savings bank, or any repeated violation of, or failure to comply with, any savings bank's bylaws, and that as a result, a situation exists requiring immediate corrective action, the commissioner may issue an order temporarily removing such person or persons pending a hearing. Such an order shall state its duration on its face and the words "Temporary Order of Removal" and shall be effective upon issuance for a period of fifteen (15) days. Such order may be extended once for a period of fifteen (15) days. A hearing must be held within ten (10) days of the expiration of a temporary order, or any extension thereof, at which time a temporary order may be dissolved or converted to a permanent order.

(3) Any removal pursuant to subsection (1) or (2) of this section shall be effective in all respects as if such removal has been made by the board of directors and the members or stockholders of the savings bank in question.

(4) Without the prior written approval of the commissioner, no director, officer or employee permanently removed pursuant to this section shall be eligible to be elected, reelected or appointed to any position as a director, officer or employee of that savings bank, nor shall such director, officer or employee be eligible to be elected to or retain a position as a director, officer or employee of any other state savings bank.

§ 81-14-211. Involuntary liquidation.

(1) The commissioner may take custody of the books, records and assets of every kind of any savings bank organized and operated under the provisions of this chapter for any of the purposes hereinafter enumerated if it reasonably appears from examinations or from reports made to the commissioner that:

(a) The directors, officers or liquidators have neglected, failed or refused to take such action which the commissioner may deem necessary for the protection of the savings bank, or have impeded or obstructed an examination; or

(b) The net worth of the savings bank is impaired to the extent that the realizable value of its assets is insufficient to pay in full its creditors and holders of deposit accounts; or

(c) The business of the savings bank is being conducted in a fraudulent, illegal or unsafe manner, or that the savings bank is in an unsafe or unsound condition to transact business; (any savings bank which, except as authorized in writing by the commissioner, fails to make full payment of any withdrawal when due is in an unsafe or unsound condition to transact business, notwithstanding such provisions of the certificate of incorporation or such statutes or regulations with respect to payment of withdrawals in event a savings bank does not pay all withdrawals in full); or

(d) The officers, directors or employees have assumed duties or performed acts in excess of those authorized by statute or regulation or charter, or without supplying the required bond; or

(e) The savings bank has experienced a substantial dissipation of assets or earnings due to any violation of statute or regulation, or due to any unsafe or unsound practice or practices; or

(f) The savings bank is insolvent, or is in imminent danger of insolvency, or has suspended its ordinary business transactions due to insufficient funds; or

(g) The savings bank is unable to continue operations.

(2) Unless the commissioner finds that such an emergency exists which may result in loss to members, deposit account holders, stockholders or creditors, and which requires that he take custody immediately, the commissioner shall first give written notice to the directors and officers specifying the conditions criticized and allowing a reasonable time for corrections before a receiver shall be appointed.

(3) The purpose for which the commissioner may take custody of a savings bank include, but are not limited to, examination or further examination, conservation of its assets, restoration of impaired capital, and the making of any reasonable or equitable adjustment deemed necessary by the commissioner under any plan of reorganization.

(4) If the commissioner, after taking custody of a savings bank, finds that one or more of the reasons for having taken custody continues to exist through the period of his custody with little or no likelihood of amelioration of the situation, then he shall appoint as receiver or co-receiver any qualified person, firm or corporation for the purpose of liquidation of the savings bank. Such receiver shall furnish bond in form, amount and with surety as the commissioner may require. The commissioner may appoint the institution's deposit account insurance corporation or its nominee as the receiver. Such insuring corporation shall be permitted to serve without posting bond.

(5) In the event the commissioner appoints a receiver for a savings bank, he shall mail a certified copy of the appointment order by certified mail to the

address of the savings bank, as it appears on the records of the department, to any previous receiver or other legal custodian of the savings bank and to any court or other authority to which such previous receiver or other legal custodian is subject. Notice of such appointment may be published in a newspaper of general circulation in the county where the savings bank has its principal office.

(6) Whenever a receiver for a savings bank is appointed pursuant to subsection (4), the savings bank may within thirty (30) days thereafter bring an action in the chancery court in the county in which the home office of the institution is located for an order to remove such receiver.

(7) The duly appointed and qualified receiver shall take possession promptly of such savings bank in accordance with the terms of the appointment by service of a certified copy of the commissioner's appointment order upon the savings bank at its principal office through the officer or employee who is present and appears to be in charge. Immediately upon taking possession of the savings bank, the receiver shall take possession and title of books, records and assets of the savings bank. The receiver, by operation of law and without any conveyance or other instrument, act or deed, shall succeed to all the rights, titles, powers and privileges of the savings bank, its members or stockholders, holders of deposit accounts, its officers and directors, and to the titles of the books, records and assets of any previous receiver or other legal custodian of the savings bank. Such members, stockholders, holders of deposit accounts, officers or directors shall not thereafter, except as hereinafter expressly provided, exercise any such rights, powers or privileges, or act in connection with any assets or property of any nature of the savings bank in receivership. The commissioner may at any time direct the receiver to return the savings bank to its previous or newly constituted management. The commissioner may provide for a meeting of the members or stockholders for any purpose, including the election of directors or an increase in the number of directors, or both, or the election of an entire new board of directors for any purpose, including the filling of vacancies on the board, the removal of officers and the election of new officers. Any such meeting of members or stockholders, or of directors, shall be supervised or conducted by a representative of the commission.

(8) A duly appointed and qualified receiver shall have authority to:

(a) Demand, sue for, collect, receive and take into his possession all the goods and chattels, rights and credits, monies and effects, lands and tenements, books, papers, choses in action, bills, notes and property of every description of the savings bank;

(b) Foreclose mortgages, deeds of trust and other liens executed to the savings bank to the extent the savings bank would have had such right;

(c) Institute suits for the recovery of any estate, property, damages or demands existing in favor of the savings bank, and shall, upon his own application, be substituted as plaintiff in the place of the savings bank in any suit or proceeding pending at the time of his appointment;

(d) Sell, convey and assign all the property rights and interest owned by the savings bank;

(e) Appoint agents to serve at his pleasure;

(f) Examine and investigate papers and persons, and pass on claims as provided in the regulations prescribed by the commissioner;

(g) Make and carry out agreements with the insuring corporation or with any other financial institution for the payment or assumption of the savings bank's liabilities, in whole or in part, and to sell, convey, transfer, pledge or assign assets as security or otherwise and to make guarantees in connection therewith; and

(h) Perform all other acts which might be done by the employees, officers and directors; such powers shall be continued in effect until liquidation and dissolution, or until return of the savings bank to its prior or newly constituted management.

(9) A receiver may at any time during the receivership and prior to final liquidation be removed and a replacement appointed by the commissioner.

(10) The commissioner may determine that such liquidation proceedings should be discontinued. He may then remove the receiver and restore or grant all the rights, powers and privileges of its members and stockholders, customers, employees, officers and directors, or newly constituted management. The return of a savings bank to its management or to a newly constituted management from the possession of a receiver shall, by operation of law and without any conveyance or other instrument, act or deed, vest in the savings bank the title to all property held by the receiver in his capacity as a receiver for the savings bank.

(11) Claims against a state savings bank in receivership shall have the following order of priority for payment:

(a) Costs, expenses and debts of the savings bank incurred on or after the date of the appointment of the receiver, including compensation for the receiver;

(b) Claims of holders of deposit accounts;

(c) Claims of general creditors;

(d) Claims of stockholders of a stock savings bank;

(e) All remaining assets to members and stockholders in an amount proportionate to their holdings as of the date of the appointment of the receiver.

(12) All claims of each class of priority described in subsection (11) shall be paid in full so long as sufficient assets remain. Members of the class for which the receiver cannot make payment in full because assets will be depleted shall be paid an amount proportionate to their total claims.

(13) The commissioner shall have the authority to direct the payment of claims for which no provision is herein made, and may direct the payment or claims within a class. The commissioner shall have the authority to promulgate rules and regulations governing the payment of claims by an institution in receivership.

(14) When all assets of the savings bank have been fully liquidated, all claims and expenses have been paid or settled and the receiver has recommended a final distribution, the dissolution of the savings bank in receivership shall be accomplished in the following manner:

(a) The receiver shall file with the commissioner a detailed report, in a form to be prescribed by the commissioner, of his acts and proposed final distribution and dissolution.

(b) Upon the commissioner's approval of the final report of the receiver, the receiver shall provide such notice, and thereafter shall make such final distribution, in such manner as the commissioner may direct.

(c) When a final distribution has been made, except as to any unclaimed funds, the receiver shall deposit such unclaimed funds with the commissioner and shall deliver to the commissioner all books and records of the dissolved institution.

(d) Upon final dissolution of the savings bank in receivership or at such time the receiver is relieved of his duties, the commissioner shall cause an audit to be conducted, during which the receiver shall be available to assist. The accounts of the receiver shall then be ruled upon by the commissioner and, if approved, the receiver shall thereupon be given a final and complete discharge and release.

Notwithstanding any other provisions of this section, the commissioner may require the disclosure by directors, officers and employees of their personal interest, directly or indirectly, in any business or transaction on behalf of or involving the savings bank and of their control of, or active participation in, enterprises having activities related to the business of the savings bank.

(2) The following restrictions governing the conduct of directors and officers are specified, but that specification does not excuse those persons from the observance of any other aspect of the general fiduciary duty owed by them to the savings bank which they serve:

(a) An officer or director of a mutual savings bank shall not hold office or status as a director or officer of another mutual savings bank subject to this chapter.

(b) A director shall receive as remuneration only reasonable fees for services as a director or as a member of a committee of directors. A director who is also an officer or employee of the savings bank may receive compensation for service as an officer or employee.

(e) An officer or director acting as proxy for a member of a mutual savings bank shall not exercise, transfer or delegate that right in any consideration of a private benefit or advantage, direct or indirect, nor surrender control or pass his office to any other for any consideration of a private benefit or advantage, direct or indirect. The voting rights of members shall not be the subject of sale or similar transaction, either directly or indirectly. Any officer or director who violates the provisions of this paragraph shall be held accountable to the savings bank for an increment.

(f) A director or officer shall not solicit, accept or agree to accept, directly or indirectly, from any person other than the savings bank any gratuity, compensation or other personal benefit for any action taken by the savings bank or for endeavoring to procure any action by the savings bank.

(g) Subject to the approval of the commissioner, a savings bank's bylaws may provide for reasonable indemnification to its officers, directors and employees in connection with the faithful performance of their duties for the savings bank. The commissioner may promulgate model indemnification provisions and may consider provisions available under applicable state and federal statutes.

No such investment may be made without the prior written approval of the commissioner if the total amount of such investments exceeds fifty percent (50%) of the savings bank's net worth. Facilities, furniture and fixtures leased for the purpose set forth in this section shall not be included in this limitation.

(ii) With the prior written consent of the commissioner, a savings bank may invest in the initial purchase and development, or the purchase or commitment to purchase after completion, of home sites and housing for sale or rent, including, but not limited to: (A) projects for the reconstruction, rehabilitation or rebuilding of residential properties to meet the minimum standards of health and occupancy prescribed by appropriate local authorities; (B) the provision of accommodations for retail stores and other community services that are reasonably incident to such housing; or (C) in the shares of a corporation that owns one or more of those projects and that is wholly owned by one or more financial institutions whose investments are regulated by the laws of this state or of the United States. In no event shall the total investment in any one (1) project exceed fifteen percent (15%) of the savings bank's net worth, nor shall the aggregate investment under this paragraph exceed fifty percent (50%) of its net worth.

(iii) No savings bank may make an investment unless it is in compliance with the net worth requirements of this chapter and with the net worth maintenance requirements of its insurer of deposit accounts. The commissioner shall approve the investment only if the savings bank shows:

(A) That the savings bank has adequate assets available for the investment;

(B) That the proposed investment does not exceed the reasonable market value of the property or interest therein as determined in accordance with the appraisal requirements of this chapter; and

(C) That all other requirements of this section have been met.

Nothing contained in this paragraph prohibits a savings bank from developing or building on land acquired by it under any other provision of this chapter nor from completing the construction of buildings in accordance with any construction loan contract where the borrower has failed to comply with the terms of the contract.

(f) In stocks or obligations of business development corporations chartered by this state or by the United States or an agency thereof, but in no event shall the aggregate amount of stock exceed two and one-half percent (2-½%) of the savings bank's total capital or Two Hundred Fifty Thousand Dollars (\$250,000.00), whichever is greater.

(g) In obligations of urban renewal investment corporations chartered under the laws of this state, or the United States, or in certificates of beneficial interest of urban renewal investment trusts, but in no event shall the aggregate amount of the stock, obligations or beneficial interest certificates of any one (1) maker exceed two and one-half percent (2-½%) of the savings bank's total capital, nor shall the aggregate amount of investments under this paragraph exceed fifteen percent (15%) of its total capital.

(h) In commercial paper. As used in this section, the term "commercial paper" means short-term obligations having a maturity ranging from two (2) to two hundred seventy (270) days issued by banks, corporations or other borrowers. Investments in commercial paper under this section must be in securities rated in one (1) of the two (2) highest categories by at least two (2) nationally recognized investment rating services.

(i) Purchase of stock in insurance companies. Notwithstanding any provision of this chapter to the contrary, a savings bank may purchase shares of, or otherwise acquire equity interest in, insurance companies and insurance holding companies organized to provide insurance for savings institutions and corporations and individuals affiliated with savings institutions; provided, however, that ownership of equity interest is a prerequisite to obtaining director's, officer's and blanket bond insurance through the company or companies. The commissioner may promulgate regulations concerning the size of each savings bank's investment and manner of holding those investments.

(j) Subject to the regulation of the commissioner, in equity or debt securities or instruments of a service corporation that is a subsidiary of the savings bank.

(k) Through advances of federal funds to designated depositories, provided that the advances are made on the condition that they be repaid on the next business day following the date on which the advance is made. For the purpose of this paragraph, the term "federal funds" means funds that a savings bank has on deposit at a depository that are exchangeable for funds on deposit at a federal reserve bank; the term "business day" means any day

on which the savings bank, the depository and the federal reserve bank where the funds are on deposit are all open for general business.

(l) In marketable investment securities, but in no event shall the total amount of those securities of any one (1) maker or obligor exceed five percent (5%) of the savings bank's total capital, nor shall the aggregate amount of investments under this section exceed fifteen percent (15%) of total capital. As used in this section, the term "marketable investment securities" does not include stock, but means investment grade marketable obligations evidencing indebtedness of any person in the form of bonds, notes or debentures commonly known as investment securities, and of a type customarily sold on recognized exchanges or traded over the counter. As used in this section, the term "investment grade" means being rated in one (1) of the two (2) highest categories by at least two (2) nationally recognized investment rating services. As used in this section, the term "person" means an individual corporation, partnership, joint venture, trust, estate or unincorporated association.

§ 81-14-313. Insider loans.

Loans aggregating fifteen percent (15%) of the unimpaired capital and unimpaired surplus may be made by any state savings bank to any director or executive officer thereof, as defined in Regulation O promulgated by the Board of Governors of the Federal Reserve System, less existing direct and indirect liabilities thereto, upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, provided, such loan is made on substantially the same terms and conditions extended to other borrowers for comparable transactions. Any state savings bank may lend to any such director or executive officer thereof, upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, not more than twenty percent (20%) of the unimpaired capital and unimpaired surplus of the savings bank, less the amount of existing direct and indirect liabilities, when secured; or when the portion thereof in excess of any amount loaned under the first provision hereof is secured by obligations of the United States government, the State of Mississippi, and the levee districts, counties, road districts, school districts, and municipalities of the State of Mississippi, obligations of any other state of the United States and other bonds of recognized character and standing, which are the subject of daily newspaper market quotations, provided such loan shall not exceed eighty percent (80%) of the market or par value (whichever is less) of the bonds or obligations offered as security. Any state savings bank may lend to any executive officer or director thereof upon affirmative approval of a majority of all directors spread on the minutes of a directors' meeting held before such loan is made, such amount as is safe and proper, when secured by warehouse receipts or shippers' order bills of lading representing actual

existing values, provided the amount loaned shall not exceed eighty percent (80%) of the market value of the commodities representing the actual existing values, and loans of this nature shall be made payable on demand so that the security held therefor may be sold on any date and the proceeds thereof applied to the payment of the loan. However, a savings bank's board of directors may, as shown in its minutes, give to a savings bank officer the authority to make secured or unsecured loans to an executive officer or director of such savings bank, without receiving the board's prior approval, in an amount that, when aggregated with the amount of all other extensions of credit to that person and to all related interests of that person, does not exceed the greater of Twenty-five Thousand Dollars (\$25,000.00) or five percent (5%) of the savings bank's unimpaired capital and unimpaired surplus. However, no state savings bank shall extend credit to any director or executive officer thereof, in an amount that, when aggregated with all other extensions of credit to that person and to all related interests of that person, exceeds Five Hundred Thousand Dollars (\$500,000.00) without documented prior affirmative approval of a majority of its directors.

Loans and discounts by a state savings bank to a director or executive officer thereof secured in full by funds on deposit in time or savings accounts with the lending savings bank to the credit of the borrower shall not be restricted to the fifteen percent (15%) or twenty percent (20%) limitations herein prescribed.

The limitations of this section shall not apply where an executive officer or director shall bona fide purchase from the savings bank at a reasonable price real or personal property acquired by the savings bank in payment of debts due the savings bank, provided such transactions are approved by a majority of the board of directors, such approval to be shown in their minutes; and, in cases where loans are made by branch offices, the sum total of loans made by any branch or branches and its parent savings bank to such executive officer or director shall be computed as against the total capital stock and surplus of the parent savings bank and its branch or branches. Loans heretofore made to executive officers or directors may be renewed or extended if in accord with sound banking practice.

§ 81-14-319. Limitation on loans to one (1) borrower.

The liability to a savings bank by a person, company, corporation or firm for money loaned, including in the liability of such person, company or firm, where a partnership, the liabilities of the several members thereof, shall not exceed twenty percent (20%) of the aggregate unimpaired capital and unimpaired surplus of said savings bank.

The following shall not be restricted to or considered as coming within the limitations of twenty percent (20%) herein prescribed:

(a) Loans and discounts secured by warehouse receipts or shippers' order bills of lading representing actual existing values, provided the amount of such loans and discounts shall not exceed eighty-five percent (85%) of the market value of the commodities representing the actual existing values.

(b) Loans and discounts secured by bonds, certificates or notes constituting direct obligations of the United States government, or bonds fully guaranteed by the United States government, or by full faith and credit obligations of the State of Mississippi; provided, however, the commissioner shall from time to time determine and fix the maximum percentage of the par value of all such securities that may be loaned.

(c) Loans and discounts to the extent that they are secured or covered by guaranties, or by commitments, or agreements to take over or purchase

the same, made by any federal reserve bank, or by the United States, or any department, bureau, board, commission or establishment of the United States, including any corporation wholly owned directly or indirectly by the United States; provided that such guaranties, agreements or commitments are unconditional and are to be performed by payment within sixty (60) days after demand; provided, further, that the commissioner is hereby authorized to define the terms herein used and may by regulation control the making of loans under this paragraph (c).

(d) Loans and discounts secured in full by funds on deposit in time or savings accounts with the lending savings bank to the credit of the borrower.

Any officer or director who shall approve or make loans prohibited in this section shall be liable individually for the full amount of the principal and interest of any such loan. If the commissioner shall discover, in any examination of any open savings bank that there is a loss on any loan made in violation of this section, he shall make demand of all directors and officers approving or making such loan for payment of the entire unpaid balance on any such loan.

Like demand shall be made and suit brought by the receiver of any savings bank in liquidation. Provided, however, this section shall not apply to loans to the State of Mississippi, or to any political subdivision thereof, nor to any levee district.

§ 81-14-359. Joint accounts.

(1) Accounts may be in the name of two (2) or more persons, whether minor or adult, in such form that the money in the accounts are payable to either adult, or their survivors, and such money due under such accounts, and all additions thereto, shall be the property of such persons as joint tenants with the right of survivorship. The money due under such accounts may be paid to, or on the order of, any one of such persons during his lifetime or to, or on the order of, any one of the survivors of such persons. The opening of the account in such form shall be conclusive evidence with regard to the liability of the savings bank of the intention of all of the parties to the account to vest title to money due under the account and the additions thereto in such survivor or survivors. By written instructions given to the savings bank by all parties to the account, the signatures of more than one (1) of such persons during their lifetime, or of more than one (1) of the survivors after the death of any one of them, may be required for withdrawal, in which case the savings bank shall pay the money in the account only in accordance with such instructions. However, no such instructions shall limit the right of the survivor or survivors to receive the money in the account. By written agreement with the savings bank, any person may create a joint account with other persons as joint tenants with the right of survivorship and such agreement may be signed only by the persons creating the account.

(2) The savings bank, unless instructed in writing to the contrary, may loan money to any one or more persons constituting a single membership or account as joint tenants with the right of survivorship, and any person authorized to make withdrawals as provided in this section may pledge, hypothecate or assign all, or any part of, the money due, or to become due, under such account. Any such pledge, hypothecation or assignment, or any increase to, or withdrawal from, the account shall not destroy the joint tenancy with the right of survivorship.

(3) Payment of all or any of the money in such account, as provided in this section, shall discharge the savings bank from liability with respect to the money so paid, prior to receipt by the savings bank of a court order. After receipt of such court order, a savings bank may refuse, without liability, to honor any withdrawal on the account pending determination of the rights of the parties. No savings bank paying any survivor in accordance with the provisions of this section shall thereby be liable for any estate, inheritance or succession taxes which may be owed to this state.

§ 81-14-361. Accounts of administrators, executors, guardians, trustees and other fiduciaries.

Any savings bank may accept accounts in the name of any administrator, executor, guardian, trustee or other fiduciary in trust for a named beneficiary or beneficiaries. Such fiduciary shall have the authority to vote as a member of the savings bank as if any membership account were held absolutely, and to make payments upon, and withdraw from, any such account in whole or in part. The withdrawal value of any such account, or other rights relating thereto, may be paid or delivered, in whole or in part, to such fiduciary without regard to any notice as long as such fiduciary is living. The payment or delivery to any such fiduciary or a receipt of acquittance signed by any such fiduciary to whom any such payment or any such delivery or rights is made shall be valid and sufficient release and discharge of any savings bank for the payment or delivery so made. Whenever a person holding an account in a fiduciary capacity dies and no written notice of the revocation or termination of the trust relationship has been given to a savings bank and the savings bank has no notice of any other disposition of the trust estate, the withdrawal value of such account, or other rights relating thereto, may at the option of a savings bank be paid or delivered, in whole or in part, to the beneficiary or beneficiaries of such trust. Whenever an account is opened by any person describing himself as trustee for another and there is no further notice of the existence and terms of a legal and valid trust, then such description shall be given in writing to such savings bank. In the event of the death of the person so described as trustee, the withdrawal value of such account, or any part thereof, may be paid to the person for whom the account was thus stated to have been opened. Such account, and all additions thereto, shall be the property of such person, unless prior to payment the trust agreement is presented to the savings bank showing a contrary interest. When made in accord with this section, the payment or delivery to any such beneficiary, beneficiaries or designated person, or a receipt or acquittance signed by any such beneficiary, beneficiaries or designated person for any such payment or delivery shall be a valid and sufficient release and discharge of a savings bank for the payment or delivery so made. Trust accounts permitted by this chapter shall not be required to be acknowledged and recorded. When an account is opened in a form described in this section, the right set forth in Section 81-14-363 shall apply. No savings bank paying any beneficiary in accordance with the provisions of this section shall thereby be liable for any estate, inheritance or succession taxes which may be owed to this state.

§ 81-14-363. Accounts payable at death.

(1) An account in a savings bank may be opened by any person or persons with directions to make such account payable upon his or their death to the named beneficiary or beneficiaries. When an account is so opened, the savings bank shall pay any money to the person or persons opening such account during his or their lifetime in the same manner as if the account were in the sole name or names of such person or persons.

(2) If the named beneficiary or one (1) of the named beneficiaries survive the death of the person opening such an account and the beneficiary or all of the beneficiaries so named are sixteen (16) years of age or over at the death of such person, the savings bank shall pay the money to the credit of the account, less all proper setoffs and charges, to the named beneficiary or beneficiaries or upon his or their order, as hereinafter provided. Such payment by the savings bank shall be valid, notwithstanding any lack of legal age of the named beneficiary or beneficiaries. However, where such an account is opened or subsequently held by more than one (1) person, the death of one (1) of such persons shall not terminate the account and the account shall continue as to the surviving person or persons and the named beneficiary or beneficiaries subject to the provisions of subsection (3).

(3) If the named beneficiary or all of the named beneficiaries survive the death of the person or persons opening such an account and are under sixteen (16) years of age at such time, the savings bank shall pay the money to the credit of the account, less all proper setoffs and charges:

(a) When or after the named beneficiary becomes sixteen (16) years of age, to the named beneficiary or upon his order; or

(b) When more than one (1) beneficiary is named, the savings bank shall pay to each beneficiary so named his proportionate interest in such account as each severally becomes sixteen (16) years of age; or

(c) To the legal guardian of the named beneficiary, wherever appointed and qualified, or where more than one (1) beneficiary is named, the savings bank shall pay such beneficiary's proportionate interest in such account to his legal guardian wherever and whenever appointed and qualified; or

(d) In the event no guardian is appointed and qualified, payment may be made in accordance with the provisions of Section 93-13-211 et seq., Mississippi Code of 1972, in situations to which such sections are applicable.

(4) Where the death of the person or persons opening such an account terminates the account under the provisions of subsections (2) and (3) of this section and where one or more of the named beneficiaries are under sixteen (16) years of age and the remainder of the named beneficiaries are sixteen (16)

years of age or over, the savings bank shall pay the money to the credit of the trust, less all proper setoffs and charges, to:

(a) The named beneficiaries sixteen (16) years of age or over at the time of termination of said account pursuant to subsection (2) of this section; and

(b) The named beneficiaries under sixteen (16) years of age at the time of termination of said account pursuant to subsection (3) of this section.

(5) Where such account is opened or subsequently held by more than one (1) person, the savings bank in the absence of any written instructions to the contrary, consented to by the savings bank, shall accept payments made to such account and may pay any money to the credit of such account from time to time to, or pursuant to the order of, either or any of such persons during their life or lives in the same manner as if the account were in the sole name of either of such persons.

(6) When a person or persons opens an account in a savings bank in the form set forth in subsection (1) of this section, and makes a payment or payments to such account, or causes a payment or payments to be made to such account, such person or persons shall be conclusively presumed to intend to vest in the named beneficiary or beneficiaries a present beneficial interest in such payments made, and in the money to the credit of the account from time to time, to the end that, if the named beneficiary or beneficiaries survive the person or persons opening such an account, all the right and title of the person or persons opening such an account in and to the money to the credit of the account at the death of such person or persons, less all proper setoffs and charges, shall at such death, vest solely and indefeasibly in the named beneficiary or beneficiaries subject to the conditions and limitations of subsection (3).

(7) If the named beneficiary predeceases the person opening such an account, the present beneficial interest presumed to be vested in the named beneficiary pursuant to subsection (6) of this section shall terminate at the death of the named beneficiary. In such case, the personal representatives of the named beneficiary, and all others claiming through or under the named beneficiary, shall have no right in or title to the money to the credit of the account, and the savings bank shall pay such money, less all proper setoffs and charges, to the person opening such an account, or pursuant to his order, in the same manner as if the account were in the sole name of the person opening such an account; provided, however, where such an account names more than one (1) beneficiary, the death of one (1) of the beneficiaries so named shall not terminate the account and the account shall continue as to the surviving beneficiary or beneficiaries subject to the provisions of subsection (3) of this section.

(8) A savings bank which makes any payment pursuant to subsection (3) of this section, prior to service upon the savings bank of an order of court restraining such payment shall, to the extent of each payment so made, be released from all claims of the person or persons opening such an account, the named beneficiary or beneficiaries, their legal representatives, and all others claiming through or under them.

(9) When an account is opened in a form described in subsection (1) of this section, the right of the named beneficiary or beneficiaries to be vested with sole and indefeasible title to the money to the credit of the account on the death of the person or persons opening such an account shall not be denied, abridged or in anyway affected because such right has not been created by a writing executed in accordance with the law of this state prescribing the requirements to effect a valid testamentary disposition of property.

§ 81-14-367. Right of setoff on deposit account.

(1) A savings bank shall have a right of setoff, without further agreement or pledge, upon all deposit accounts owned by any member or customer to whom or upon whose behalf the savings bank has made an unsecured advance of money by loans. Upon default in the repayment of satisfaction thereof, the savings bank may cancel on its books all or any part of the deposit accounts owned by such member or customer and apply the value of such accounts in payment of such obligation.

(2) A savings bank which exercises the right of setoff provided in this section shall first give a thirty-day notice to the member or customer that such

right will be exercised. Such accounts may be held or frozen, with no withdrawals permitted, during the thirty-day notice period. Such accounts may not be canceled and the value thereof may not be applied to pay such obligation until the thirty-day period has expired without the member or customer having cured the default on the obligation. The amount of any member's or customer's interest in a joint account or other account held in the names of more than one (1) person shall be subject to the right of setoff provided in this section.

(3) If a savings bank shall proceed in good faith as provided in this section, but it is later determined that the savings bank was not entitled to have held or set off funds, then the savings bank's sole obligation shall be to return the funds to the member's or customer's account, together with interest at the rate that would have applied if the account had not been held or set off. The savings bank shall not otherwise be liable for any costs or damages. This section is not exclusive, but shall be in addition to contract, common law and other rights of setoff. Such other rights shall not be governed in any fashion by this section.

The receipt, acquittance, pledge or other action required by the savings bank to be taken by such minor or person shall be binding upon such minor or person as if he were of full age and legal capacity. good character and ethical reputation; that the applicant demonstrates reasonable financial responsibility; that the applicant has reasonable policies and procedures to receive and process customer grievances and inquiries promptly and fairly; and that the applicant has and maintains a place of business in this state.

(2) The department shall not license an applicant unless it is satisfied that the applicant will operate its mortgage company activities in compliance with the laws, rules and regulations of this state and the United States.

(3) The department shall not license any mortgage company unless the applicant meets the requirements of Section 81-18-11.

(4) The department shall not issue a license or registration certificate if it finds that the applicant, or any person who is a director, officer, partner, or principal of the applicant, has been convicted within ten (10) years of the application for license or registration of a felony involving moral turpitude in any jurisdiction or of a crime that, if committed within this state, would constitute a felony involving moral turpitude under the laws of this state. The department may compromise, modify or refund any penalty that has been imposed under this section. Any person assessed a penalty as provided in this subsection shall have the right to request a hearing on the amount of the penalty within ten (10) days after receiving notification of the assessment. § 81-19-9. License application; fee; surety requirement.

(1) An application to become licensed as a consumer loan broker shall be in writing, under oath and in a form prescribed by the commissioner, and shall contain:

(a) The full name and address of the applicant;

(b) The street address, municipality and county of the proposed licensed location;

(c) The complete business and residence address of:

(i) The proprietor, if an individual applicant;

(ii) All partners, if a partnership applicant; or

(iii) The directors and chief executive officer, if a corporate applicant;
and

(d) Such other information as the commissioner may reasonably require in order to evaluate the applicant's suitability to operate as a consumer loan broker.

(2) Each application shall be accompanied by the payment of Three Hundred Dollars (\$300.00), which shall be the annual license fee for each licensed location of a consumer loan broker and is in addition to all other taxes and fees required by law. The twelve-month licensing period shall begin on the date the license is issued.

(3) Each application shall be accompanied by evidence of a surety bond in an amount of Twenty-five Thousand Dollars (\$25,000.00) issued by a company

authorized to do business in Mississippi and approved by the commissioner. The bond shall be in favor of the State of Mississippi to discharge unsatisfied indebtedness or liability of the licensed consumer loan broker to the state, any political subdivision thereof or to any person who may have a cause of action against the broker by reason of the broker's conduct as a licensed consumer loan broker.

The surety on the bond may cancel same by giving sixty (60) days' notice in writing to the commissioner and thereafter shall be relieved of liability after the effective date of cancellation. The commissioner shall require a new bond in an amount of Twenty-five Thousand Dollars (\$25,000.00) at any time he has knowledge that a licensee's bond has expired, is about to expire or, in the opinion of the commissioner, is insecure for any reason. The license of any consumer loan broker who fails to post a replacement bond within ten (10) days from receipt of a notice from the commissioner shall be cancelled immediately.

Claimants against the licensee may bring suit directly on the bond, and the Attorney General also may bring suit on behalf of claimants in one (1) or multiple actions.

§ 81-19-11. Investigation of applicant; issuance or denial of license; time limit for acting on applications.

The commissioner shall investigate the financial soundness, experience, character, reputation and general fitness of the applicant to determine if the business will be operated honestly and in compliance with this chapter and the regulations of the department and if the applicant merits the confidence of the community in which the license is to be located.

At the determination of the commissioner, a license may be issued to the applicant to operate as a consumer loan broker at the address stated in the application.

The commissioner may deny the application and, in that event, shall return the applicant's bond as well as one-half ($\frac{1}{2}$) of the annual fee. The commissioner shall retain the remaining one-half ($\frac{1}{2}$) and treat it as other collections permitted under this chapter.

The commissioner shall officially act on all applications within thirty (30) days of receipt of same by the department.

The license shall be in such form as the commissioner may prescribe and shall be conspicuously posted in the licensed location.

A licensee may move the licensed location within the same county after securing the permission of the commissioner and the payment of Twenty-five Dollars (\$25.00) to the department. Upon approval of the new address, the commissioner shall issue an amended license for the unexpired portion of the year. Nothing in this paragraph shall authorize or permit any change of a licensed address to any location outside the original county of licensure.

A licensee may surrender his license by returning it to the commissioner; however, neither the licensee nor the surety on his bond are relieved of any liability which may have accrued before the surrender date.

The application for renewal of a license shall be received by the commissioner within thirty (30) days prior to the expiration of any valid and existing license issued hereunder. If any person engages in business as provided for in this chapter without paying the license fee provided for in this chapter before commencing business or before the expiration of his current license shall be liable for the full amount of the license fee, plus a penalty in an amount not to exceed Twenty-five Dollars (\$25.00) for each day that the person has engaged in the business without a license or after the expiration of a license.

In adopting such regulations, the commissioner shall follow the procedures set forth in the Mississippi Administrative Procedures Act (Sections 25-43-1 et seq., Mississippi Code of 1972).

(3) In order to discover violations of this chapter and to identify persons subject to the provisions of this chapter, the commissioner is authorized to examine licensees, including all books, records, accounts and papers employed by such licensees in the transaction of their business, to summon witnesses and examine them under oath concerning matters relating to the business of such persons, and to investigate such other matters as may be relevant in the opinion of the commissioner. For this purpose and for the general purposes of administration of this chapter, the commissioner may employ such deputies and assistants as may be necessary, and such deputies and assistants, in the discretion of the commissioner, may be vested with the same authority conferred upon the commissioner by this chapter.

(4) For the purpose of defraying a portion of the examination and administrative expenses incurred by the commissioner, each licensee shall pay at the time of examination the actual expenses of the examination, not to exceed Two Hundred Dollars (\$200.00) per day for the time actually devoted to examining the business of the licensee. However, for any examination other than one conducted because of suspected blatant violation of this chapter, the amount charged to any single licensee in any one (1) year shall not exceed Two Thousand Dollars (\$2,000.00).

(5) The commissioner may impose and collect an administrative fine against any person found to have charged or collected a service charge or advance fee from a borrower before a loan is actually found, obtained and closed for such borrower. Such fine shall not exceed Five Thousand Dollars (\$5,000.00) for each violation.

(6) Whenever the commissioner has reasonable cause to believe that any person is violating any of the provisions of this chapter, in addition to all other remedies provided herein, the commissioner may, by, through and on the relation of the Attorney General, district attorney or county attorney, apply to a court of competent jurisdiction for an injunction, both temporary and permanent, to restrain such person from engaging in or continuing such violation of the provisions of this chapter or from doing any act or acts in furtherance thereof.

(7) The commissioner may, after notice and hearing, impose an administrative fine against any licensee if the licensee or employee is adjudged by the commissioner to be in violation of the provisions of this chapter. The administrative fine shall not exceed Five Hundred Dollars (\$500.00) per violation and shall be deposited into the Consumer Finance Fund of the Department of Banking and Consumer Finance.

ATTORNEY GENERAL OPINIONS

The Legislature clearly intended that out-of-state banks establishing and maintaining one or more branches in Mississippi as authorized by the Interstate Bank Branching Act Of 1996 should be allowed to carry out any activities at such

branches as Mississippi state banks do; thus, an out-of-state bank with branches located in Mississippi may qualify as a state depository. Bennet, January 16, 1998, A.G. Op. #97-0842.

§ 81-23-7. Provisions.

(1) In accordance with the provision of this chapter, a Mississippi bank may enter into an interstate branching transaction, or other exercise, the result of which the Mississippi bank, or the resulting Mississippi bank, establishes, maintains or operates one or more branches in a state other than the State of Mississippi.

(2) In accordance with the provisions of this chapter, one or more Mississippi banks may enter into an interstate branching transaction with one or more out-of-state banks, and an out-of-state bank resulting from such transaction may maintain and operate, as branches of the out-of-state bank, the branches in the State of Mississippi of a Mississippi bank that participated in such transaction.

SOURCES: Laws, 1996, ch. 441, § 5, eff from and after May 1, 1997.

ATTORNEY GENERAL OPINIONS

The Legislature clearly intended that out-of-state banks establishing and maintaining one or more branches in Mississippi as authorized by the Interstate Bank

Branching Act Of 1996 should be allowed to carry out any activities at such branches as Mississippi state banks do; thus, an out-of-state bank with branches

located in Mississippi may qualify as a state depository. Bennet, January 16, 1998, A.G. Op. #97-0842.

§ 81-23-9. Restrictions.

(1) An interstate branching transaction shall not be permitted under this chapter if, upon consummation of such transaction, the resulting bank would control in excess of twenty-five percent (25%) of the total deposits of all offices located in the State of Mississippi of commercial banks, savings banks, savings and loan associations and credit unions in the State of Mississippi, as determined according to Section 81-7-8.

(2) An interstate branching transaction resulting in:

(a) The acquisition by an out-of-state bank of a Mississippi bank,

(b) The acquisition of all or substantially all of the assets (including all or substantially all of the branches) of a Mississippi bank, or

(c) The merger or consolidation of a Mississippi bank with or into another bank shall not be permitted unless such Mississippi bank has been in continuous operation as a state or federally chartered bank, savings bank or savings association for at least its previous five (5) years of existence, as determined according to Section 81-7-8, or is defined as a banker's bank according to Section 81-8-1. However, any state or federally chartered banker's bank that has been merged or consolidated with or into another bank as provided in this subsection shall remain a banker's bank for a period of not less than five (5) years after the date of merger or consolidation.

(3) In the sale of any insolvent bank made pursuant to the provisions of Chapter 9, Title 81, Mississippi Code of 1972, or pursuant to federal banking laws, the restrictions contained in subsections (1) and (2) of this section shall not apply to prevent the acquisition of such insolvent bank by another bank; and, additionally, neither restriction shall apply to prohibit any purchasing bank from retaining any established branches of the insolvent bank which the purchasing bank would otherwise be prohibited from establishing.

Amendment Notes — The 2000 amendment added the language following “according to Section 81-7-8” in (2)(c).

§ 81-23-11. Filing of application; criteria for approval.

Not later than the date on which the required application is filed with the responsible federal bank supervisory agency, a Mississippi state bank seeking to establish one or more branches in a state other than the State of Mississippi pursuant to an interstate branching transaction, or other exercise, shall file an application on a form prescribed by the commissioner and pay the fee prescribed by the commissioner. The applicant Mississippi state bank shall

also comply with any other applicable Mississippi statutes. If the commissioner finds that:

(a) The proposed transaction will not be detrimental to the safety and soundness of the applicant,

(b) Any new officers and directors of the applicant or the resulting bank are qualified by character, experience, and financial responsibility to direct and manage the bank, and

(c) The proposed transaction is consistent with the convenience and needs of the communities to be served by the applicant or the resulting bank in the State of Mississippi and is otherwise in the public interest, the commissioner shall approve the transaction and the operation of branches outside of the State of Mississippi by the applicant or the resulting bank. Such a transaction may be consummated only after the applicant or the resulting bank has received the commissioner's written approval.

§ 81-23-13. Requirements for out-of-state state banks.

Any out-of-state state bank that will be the resulting bank pursuant to an interstate branching transaction involving a Mississippi state bank shall notify the commissioner of the proposed transaction not later than the date on which it files an application for an interstate branching transaction with the responsible federal bank supervisory agency, and shall submit a copy of that application to the commissioner and pay the filing fee, if any, required by the commissioner. Any Mississippi bank which is a party to such interstate branching transaction shall comply with all other applicable state and federal laws.

SOURCES: Laws, 1996, ch. 441, § 8, eff from and after May 1, 1997.

§ 81-23-15. Permissible activities.

(1) An out-of-state bank which establishes and maintains one or more branches in the State of Mississippi under this chapter may conduct any activities at such branch or branches that are authorized under the laws of the State of Mississippi for Mississippi state banks.

(2) A Mississippi state bank may conduct any activities at any branch outside the State of Mississippi that are permissible for a bank chartered by the host state where the branch is located.

(3) An out-of-state bank that has established a branch in the State of Mississippi under this chapter may establish or acquire additional branches in the State of Mississippi to the same extent that any Mississippi bank may establish or acquire a branch in the State of Mississippi under applicable federal and state law.

SOURCES: Laws, 1996, ch. 441, § 9, eff from and after May 1, 1997.

ATTORNEY GENERAL OPINIONS

The Legislature clearly intended that out-of-state banks establishing and maintaining one or more branches in Mississippi as authorized by the Interstate Bank Branching Act Of 1996 should be allowed to carry out any activities at such

branches as Mississippi state banks do; thus, an out-of-state bank with branches located in Mississippi may qualify as a state depository. Bennet, January 16, 1998, A.G. Op. #97-0842.

§ 81-23-17. Rights of commissioner.

(1) To the extent consistent with subsection (3) of this section, the commissioner may make such examinations of any branch established and maintained in the State of Mississippi pursuant to this chapter by an out-of-state state bank as the commissioner may deem necessary to determine whether the branch is being operated in compliance with the laws of the State of Mississippi and in accordance with safe and sound banking practices. The provisions of any applicable Mississippi laws shall apply to such examinations.

(2) The commissioner may prescribe requirements for periodic reports regarding any out-of-state state bank that operates a branch in the State of Mississippi pursuant to this chapter. Any reporting requirements prescribed by the commissioner under this subsection (2) shall be:

(a) Consistent with the reporting requirements applicable to Mississippi state banks, and

(b) Appropriate for the purpose of enabling the commissioner to carry out his or her responsibilities under this chapter.

(3) The commissioner may enter into cooperative, coordinating and information-sharing agreements with any other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies with respect to the periodic examination or other supervision of any branch in the State of Mississippi of an out-of-state state bank, or any branch of a Mississippi state bank in any host state, and the commissioner may accept such parties' reports of examination and reports of investigation in lieu of conducting his or her own examinations or investigations.

(4) The commissioner may enter into contracts with any bank supervisory agency that has concurrent jurisdiction over a Mississippi state bank or an out-of-state state bank operating a branch in the State of Mississippi pursuant to this chapter to engage the services of such agency's examiners at a reasonable rate of compensation, or to provide the services of the commissioner's examiners to such agency at a reasonable rate of compensation. Such contracts shall be in accordance with the policies and administrative procedures of the Mississippi State Personnel Board.

(5) The commissioner may enter into joint examinations or joint enforcement actions with other bank supervisory agencies having concurrent jurisdiction over any branch in the State of Mississippi of an out-of-state state bank or any branch of a Mississippi state bank in any host state; however, the commissioner may at any time take such actions independently if the commissioner deems such actions to be necessary or appropriate to carry out his or her

responsibilities under this chapter or to ensure compliance with the laws of the State of Mississippi; but in the case of an out-of-state state bank, the commissioner shall recognize the exclusive authority of the home state regulator over corporate governance matters and the primary responsibility of the home state regulator with respect to safety and soundness matters.

(6) Each out-of-state state bank that maintains one or more branches in the State of Mississippi may be assessed and, if assessed, shall pay supervisory and examination fees in accordance with the laws of the State of Mississippi and regulations of the commissioner. Such fees may be shared with other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies in accordance with agreements between such parties and the commissioner.

commissioner of any merger, consolidation, or other transaction that would cause a change of control with respect to such bank or any bank holding company that controls such bank, with the result that an application would be required to be filed pursuant to the federal Change in Bank Control Act of 1978, as amended, 12 USCS 1817(j), or the federal Bank Holding Company Act of 1956, as amended, 12 USCS 1841 et seq., or any successor statutes thereto.

(2) Subsection (1) shall not be deemed to prohibit:

(a) Any foreign bank which establishes and maintains a federal agency or federal branch in the State of Mississippi from transacting at such federal agency or federal branch such business as it may be authorized to transact under applicable federal laws and regulations or from exercising any right otherwise extended to it under applicable federal law or regulation;

(c) Any foreign bank which does not maintain a Mississippi branch from transacting trust business in the State of Mississippi as long as the trust business is not conducted from an office or location in the State of Mississippi and is otherwise authorized by law;

(d) Any foreign bank which maintains a Mississippi branch or agency from transacting business as agent for an affiliated depository or other institution in accordance with provisions of this chapter; or

(3) For purposes of subsection (1), no foreign bank shall be deemed to be transacting business in the State of Mississippi merely because a subsidiary or affiliate transacts business in the State of Mississippi, including business that any depository institution subsidiary or affiliate may lawfully conduct in the State of Mississippi as an agent for the foreign bank in accordance with and to the extent authorized by the laws of the State of Mississippi and applicable regulations or orders of the commissioner.

law or regulation of the State of Mississippi to the contrary, operations of a foreign bank at a Mississippi state branch or Mississippi state agency shall be conducted with the same rights, privileges and powers as a Mississippi state bank at the same location and shall be subject to all the same duties, restrictions, penalties, liabilities, conditions, and limitations that would apply under the laws of the State of Mississippi to a Mississippi state bank doing business at the same location; provided, however, that fiduciary activities shall only be conducted from a branch office.

(2) Among other exceptions to the provisions of subsection (1) that may be required or authorized by the commissioner pursuant to the provisions of this article:

(a) A Mississippi state branch that was not grandfathered as an "insured branch" within the meaning of Section 6(c)(2) of the federal International Banking Act (12 USCS 3104(c)(2)) may not accept, from citizens or residents of the United States, deposits (other than credit balances that are incidental to or arise out of its exercise of other lawful banking powers) of less than One Hundred Thousand Dollars (\$100,000.00), except to the extent that such deposits are determined by the Federal Deposit Insurance Corporation not to constitute "domestic retail deposit activities requiring deposit insurance protection" within the meaning of Section 6 of the federal International Banking Act (12 USCS 3104);

(b) A Mississippi state agency may not accept any deposits from citizens or residents of the United States (other than credit balances that are incidental to or arise out of its exercise of other lawful banking powers), but it may accept deposits from persons who are neither citizens nor residents of the United States;

§ 81-25-169. Authority of of commissioner to suspend or revoke license.

If the commissioner finds that any of the factors set forth in Section 81-25-167 are true with respect to any foreign bank which is licensed to maintain a Mississippi state branch or Mississippi state agency and that it is necessary for the protection of the interests of creditors of the foreign bank's business in the State of Mississippi or, in any case, for the protection of the public interest that the commissioner immediately suspend or revoke the

license of the foreign bank, the commissioner may issue, without notice and hearing, an order suspending or revoking the license of the foreign bank for a period of up to ninety (90) days, pending investigation or hearing. § 81-25-171. Authority of commissioner to seize property.

(1) If the commissioner finds that any of the factors set forth in Section 81-25-167 are true with respect to any foreign bank which is licensed to establish and maintain a Mississippi state branch or Mississippi state agency and that it is necessary for the protection of the interests of the creditors of such foreign bank's business in the State of Mississippi or for the protection of the public interest that he or she take immediate possession of the property and business of the foreign bank, the commissioner may by order forthwith take possession of the property and business of the foreign bank in the State of Mississippi and retain possession until the foreign bank resumes business in the State of Mississippi or is finally liquidated. The foreign bank may, with the consent of the commissioner resume business in the State of Mississippi upon such conditions as the commissioner may prescribe by regulation or order.

(2) At any time within ten (10) days after the commissioner has taken possession of the property and business of a foreign bank pursuant to subsection (1) of this section, such foreign bank may petition the Chancery Court of Hinds County, Mississippi, for an order requiring the commissioner to show cause why he or she should not be enjoined from continuing such possession. The court may, upon good cause being shown, direct the commissioner to refrain from further proceedings and to surrender such possession. The judgment of the court may be appealed by the commissioner or by the foreign bank in the manner provided by law for appeals from a judgment of Chancery Court of the State of Mississippi. Where the commissioner appeals the judgment of the court, such appeal shall operate as a stay of the judgment and a reinstatement of the commissioner's possession. The commissioner shall not be required to post any bond.

(3) Whenever the commissioner takes possession of the property and business of a foreign bank pursuant to subsection (1) of this section, he or she shall conserve or liquidate the property and business of such foreign bank pursuant to the laws of the State of Mississippi as if the foreign bank were a Mississippi state bank, with absolute preference and priority given to the creditors of such foreign bank arising out of transactions with, and recorded on the books of, its Mississippi state branch or Mississippi state agency over the creditors of such foreign bank's offices located outside the State of Mississippi.

(4) When the commissioner has completed the liquidation of the property and business of a foreign bank, the commissioner shall transfer any remaining assets to such foreign bank in accordance with such orders as the court may

issue. However, in case the foreign bank has an office in another state of the United States which is in liquidation and the assets of such office appear to be insufficient to pay in full the creditors of that office, the court shall order the commissioner to transfer to the liquidator of that office such amount of any such remaining assets as appears to be necessary to cover such insufficiency; if there are two (2) or more such offices and the amount of remaining assets is less than the aggregate amount of insufficiencies with respect to the offices, the court shall order the commissioner to distribute the remaining assets among the liquidators of such offices in such manner as the court finds equitable.

§ 81-27-2.301. Examinations; periodic reports; cooperative agreements; assessment of fees.

(a) To the extent consistent with subsection (c) of this section, the commissioner may make such examinations of any office established and maintained in this state pursuant to this article by an out-of-state trust institution as the commissioner may deem necessary to determine whether the office is being operated in compliance with the laws of this state and in accordance with safe and sound banking practices. The provisions of Sections 81-1-81, 81-1-83 and 81-23-17 shall apply to such examinations.

(b) The commissioner may require periodic reports regarding any out-of-state trust institution that has established and maintained an office in this state pursuant to this article. The required reports shall be provided by such trust institution or by the home state regulator. Any reporting requirements prescribed by the commissioner under this subsection (b) shall be (i) consistent with the reporting requirements applicable to state trust companies and (ii) appropriate for the purpose of enabling the commissioner to carry out his or her responsibilities under this article.

(c) The commissioner may enter into cooperative, coordinating and information-sharing agreements with any other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies with respect to the periodic examination or other supervision of any office in this state of an out-of-state trust institution, or any office of a state trust institution in any host state, and the commissioner may accept such a party's report of examination and report of investigation in lieu of conducting his or her own examination or investigation.

(d) The commissioner may enter into contracts with any bank supervisory agency that has concurrent jurisdiction over a state trust institution or an

out-of-state trust institution maintaining an office in this state to engage the services of such agency's examiners at a reasonable rate of compensation, or to provide the services of the commissioner's examiners to such agency at a reasonable rate of compensation.

(e) The commissioner may enter into joint examinations or joint enforcement actions with other bank supervisory agencies having concurrent jurisdiction over any office established and maintained in this state by an out-of-state trust institution or any office established and maintained by a state trust institution in any host state. However, the commissioner may at any time take such actions independently if the commissioner deems such actions to be necessary or appropriate to carry out his or her responsibilities under this subarticle or to ensure compliance with the laws of this state; but in the case of an out-of-state trust institution, the commissioner shall recognize the exclusive authority of the home state regulator over corporate governance matters and the primary responsibility of the home state regulator with respect to safety and soundness matters.

(f) Each out-of-state trust institution that maintains one or more offices in this state may be assessed and, if assessed, shall pay supervisory and examination fees in accordance with the laws of this state and regulations of the commissioner. Such fees may be shared with other bank supervisory agencies or any organization affiliated with or representing one or more bank supervisory agencies in accordance with agreements between such parties and the commissioner.

(1) That an office maintained by an out-of-state trust institution in this state is being operated in violation of any provision of the laws of this state or in an unsafe and unsound manner; or

(2) That a company is engaged in an unauthorized trust activity. In either event, the commissioner shall have the authority to take all such enforcement actions as he or she would be empowered to take if the office or the company were a state trust company, including but not limited to issuing an order temporarily or permanently prohibiting the company from engaging in a trust business in this state;

(b) The commissioner may determine by order that an out-of-state trust institution engaging in or proposing to engage in a trust business in this state does not meet the requirements for establishing a representative trust office in this state pursuant to Section 81-27-2.202, which order shall be effective on the date of issuance or such other date as the commissioner shall determine;

(c) In cases involving extraordinary circumstances requiring immediate action, the commissioner may take any action permitted by Section 81-27-

§ 81-27-3.401. Purchase of assets of another trust institution.

(a) Subject to the provisions of this section, a trust institution may purchase assets of a state trust company or trust-related assets of another trust institution, including the right to control accounts established with the trust institution. Except as otherwise expressly provided by this section or another statute, the purchase of all or part of the assets of the trust institution does not make the purchasing trust institution responsible for any liability or obligation of the selling trust institution that the purchasing trust institution does not expressly assume. Except as otherwise provided by this chapter, this subarticle does not govern or prohibit the purchase by a state trust institution of all or part of the assets of a corporation or other entity that is not a trust institution.

The commissioner shall investigate the condition of the purchaser and seller and may require the submission of additional information as considered necessary to make an informed decision. The commissioner shall approve the purchase if:

(1) The acquiring trust institution will be solvent and have sufficient capitalization for its business and location;

(2) The acquiring trust institution has complied with all applicable statutes and rules including without limitation any applicable requirements of Article 3 of this chapter;

(3) All fiduciary obligations and liabilities of the parties have been properly discharged or otherwise assumed by the acquiring trust institution;

(4) All conditions imposed by the commissioner have been satisfied or otherwise resolved; and

(5) All fees and costs have been paid.

(c) A purchase requiring an application pursuant to Section 81-27-3.401(b) is effective on the date of approval, unless the purchase agreement provides for, and the commissioner consents to, a different effective date.

§ 81-27-4.103. Certificate to incorporate and organize.

(a) Before any trust company may be organized and formed, the prospective incorporators shall give notice to the commissioner of their desire to

engage in trust activities and apply for a certificate of authority to incorporate, and shall at the time file with the commissioner a copy of the proposed articles of incorporation, duly sworn to by one (1) of the prospective incorporators. The commissioner shall promptly give consideration to the application and make an examination of the proposed articles of incorporation to determine if they meet all requirements of law. The commissioner shall then make an investigation to determine if the necessity and other factors mentioned in Article 4 of this chapter requires that the proposed new trust company should be chartered and permitted to operate.

When the commissioner has completed the examination and made his investigation, he shall record his findings in writing and shall draw up his recommendations to the State Board of Banking Review, established in Section 81-3-12. At the request of the chairman, he shall thereupon, in writing, call a meeting of the board to give consideration to his findings and recommendations, such call to be issued at least ten (10) days in advance of the meeting. Such meetings shall be held within one hundred twenty (120) days from the date on which the prospective incorporators gave notice to the commissioner of their desire to engage in trust activities, applied for a certificate of authority to incorporate, and filed with the commissioner a copy of the proposed articles of incorporation. The commissioner shall at the same time give notice of the meeting of the board to the prospective incorporators of the proposed new trust company and to any and all other interested persons and shall extend to them an invitation to be heard in writing or in person by the board.

The board, at its meeting, shall consider the findings and recommendations of the commissioner and shall hear such oral testimony as he may wish to give, and shall also receive information and hear testimony from the prospective organizers of the proposed new trust company and from any and all other interested persons bearing upon the public necessity for the organization and operation of the new trust company.

After considering the record submitted to it by the commissioner and his oral testimony and considering such other information and evidence, either written or oral, which has come before it, the board shall decide if it has before it sufficient information and evidence upon which it can dispose of the application to form the new trust company. If it is determined that evidence and information is not sufficient, then the board shall order the commissioner to secure such additional information and evidence as it may prescribe or shall request from the prospective incorporators and from other interested persons. The board shall thereupon set a date for a future meeting to be held before the expiration of the aforementioned one-hundred-twenty-day time limit and shall give to the prospective incorporators and other interested persons notice of such meeting, and shall recess the meeting then being held until such future date. The board shall have and is vested with the power to compel attendance of witnesses just as is the commissioner or examiner as provided for in Section 81-1-85, and all testimony given before the board shall be taken down and transcribed by a stenographer in the manner prescribed in Section 81-1-87.

If the board, or a majority thereof, determines that it has before it sufficient evidence and information upon which to base a decision, then it shall

render a written opinion and decision in the matter within sixty (60) days after the conclusion of the final board hearing. If its decision is favorable, then the board shall order the commissioner to give to such prospective incorporators a certificate under his hand and official seal of the Department of Banking and Consumer Finance authorizing the prospective incorporators to proceed to incorporate and organize as is provided in Section 81-27-4.102.

When a certificate of incorporation is sought in order to effect the acquisition of an insolvent trust company any constraints of time imposed by this subsection shall not apply if the commissioner determines that an emergency exists which requires expedition of the procedure for granting a certificate in order to protect the interests of the public and the interests of the clients of the insolvent trust company.

(b) If the decision of the board, or a majority thereof, is unfavorable to the organization of the proposed new trust company, it shall render a written opinion and decision giving its reason for rejection within sixty (60) days after the conclusion of the final board hearing in the matter, and the commissioner shall so advise the prospective incorporators, giving them a copy of the written decision and opinion of the board. If the prospective incorporators are aggrieved at the unfavorable decision of the board in denying a certificate authorizing them to proceed with the incorporation of the proposed new trust company and the organization thereof, they shall have the right of appeal to the chancery court of the county in which the proposed trust company is to be located, which appeal shall be taken and perfected within sixty (60) days from the date of the denial of such certificate. The denial of the certificate by the board shall be construed as a judicial finding and appealable as such. All such appeals shall be taken, perfected, heard and determined either in termtime or vacation, and such appeals shall be heard and disposed of promptly by the court. Appeals from the board shall be taken and perfected by the filing of a bond in the sum of Two Hundred Fifty Dollars (\$250.00), with two (2) sureties, or with a surety company qualified to do business in Mississippi as surety, conditioned to pay the costs of the appeal, the bond to be approved by the clerk of the chancery court, and such bond shall be payable to the state and may be enforced in its name as other judicial bonds filed in the chancery court, and judgment may be entered upon such bonds and process and execution shall issue upon such judgments as provided by law in other cases. Appeals may be taken from the chancery court to the Supreme Court in the manner provided by law. Upon approval of the bond by the clerk of the chancery court the clerk shall give notice to the commissioner of the appeal from the decision of the board, and it thereupon shall be the duty of the commissioner to promptly transmit to the clerk of the chancery court in which the appeal is pending the original or a certified copy of the application, proposed charter of incorporation, and his findings or decision thereon together with the opinion and decision of the board, including a transcript of pleadings and testimony, both oral and documentary, which shall be docketed by the clerk and shall be tried by the court. In perfecting such appeals, the provisions of law respecting notice to reporters and allowance of bills of exception, now or hereafter in force

respecting appeals from the chancery court to the Supreme Court shall be applicable thereto. If the prospective incorporators of the proposed new trust company prevail, a decree shall be entered requiring the issuance by the commissioner of the certificate authorizing applicants to incorporate and organize in the same manner as if the application therefor had been approved by the board, and the costs therein incurred shall be paid by the commissioner out of the maintenance fund of the Department of Banking and Consumer Finance. However, if the action of the board is affirmed by the court, a decree shall be entered to that effect taxing costs of the proceedings to the applicants. The commissioner or the applicants shall have the right of appeal from the decision of the chancery court. During the time the cause is pending in the office of the commissioner or before the board or the court, the commissioner shall not issue a certificate to a subsequent applicant to incorporate and organize a new trust company or authorize any trust company then existing to establish a branch within the area in which the proposed new trust company is to be domiciled, and neither shall he consent to the removal of the domicile of an existing trust company from another place into the area where the proposed new trust company will be domiciled. A cause shall not be considered as pending in the office of the commissioner or before the board if the prospective incorporators or their representative have only given notice to the commissioner of their desire to engage in trust activities and apply for a certificate of authority to incorporate, but have not filed with the commissioner a copy of the proposed articles of incorporation and other documents required by statute or administrative regulation.

If the decision of the board, or a majority thereof, is favorable to the organization of the proposed trust company, it shall in like manner as above render a written opinion and decision within sixty (60) days after the conclusion of the final board hearing on the matter, and an appeal in the manner herein set forth shall be available to any interested organizations, person or persons who have participated in the proceedings and feel aggrieved by the decision of the board.

(c) When a trust company has been incorporated and the capital stock thereof has been paid in full, the incorporators shall notify the commissioner of such fact, whereupon the commissioner himself or through an examiner shall make a special examination of the proposed new trust company and, finding the capital stock to have been paid in full, he shall under his hand and seal of the Department of Banking and Consumer Finance issue to the trust company a certificate authorizing it to commence business, and when such business has been commenced the trust company shall notify the commissioner to that effect. Upon completion of such special examination, the trust company shall pay to the Department of Banking and Consumer Finance as an assessment an amount sufficient to reimburse for the actual costs and expenses incurred during such special examination. The commissioner or examiner shall give a receipt therefor in duplicate, and the assessment shall be turned over by the Department of Banking and Consumer Finance to the State Treasurer for credit to the maintenance fund of the Department of Banking and Consumer

Finance. The proposed new trust company shall not transact any business except as is necessarily preliminary to its incorporation and organization until it has been authorized by the commissioner to begin business. However, if the board rejects any application for a certificate to incorporate and organize, all costs incurred by the board in making a survey or holding a hearing on such application shall be borne by the petitioners.

(d) Notwithstanding the foregoing and any other provision of law to the contrary, if a trust company has not been established and is not in operation within two (2) years from the date of the certificate to incorporate and organize such trust company or within two (2) years from the date upon which any appellate litigation with respect to such certificate has been concluded, the certificate shall expire. However, the State Board of Banking Review for good cause shown may extend the two-year period for not more than two (2) times for periods not exceeding six (6) months each. This provision shall in no way affect certificates issued before July 1, 1998.

§ 81-27-4.104. Investigation for state trust company charter.

(a) The commissioner shall investigate the proof that one or more viable markets exist within or outside of this state that may be served in a profitable manner by the establishment of the proposed state trust company. In making such a determination, the commissioner shall (i) examine the business plan which shall be submitted as part of the application for a state trust company charter and (ii) consider:

(1) The market or markets to be served;

(2) Whether the proposed organizational and capital structure and amount of initial capitalization is adequate for the proposed business and location;

(3) Whether the anticipated volume and nature of business indicates a reasonable probability of success and profitability based on the market sought to be served;

(4) Whether the proposed officers, directors, and managers, or managing participants, as a group, have sufficient fiduciary experience, ability, standing, competence, trustworthiness, and integrity to justify a belief that the proposed state trust company will operate in compliance with law and that success of the proposed state trust company is probable;

(5) Whether each principal shareholder or participant has sufficient experience, ability, standing, competence, trustworthiness, and integrity to justify a belief that the proposed state trust company will be free from improper or unlawful influence or interference with respect to the state trust company's operation in compliance with law; and

(6) Whether the organizers are acting in good faith.

(b) The failure of an applicant to furnish required information, data, opinions of counsel, other material or the required fee is considered an abandonment of the application.

§ 81-27-4.105. Issuance of charter.

A state trust company may not engage in the trust business until it receives its charter from the commissioner. The commissioner may not deliver the charter until the state trust company has:

- (1) Received cash or marketable securities in at least the full amount of required capital from subscriptions for the issuance of shares or participation shares;
- (2) Elected or qualified the initial officers and directors or managers, as appropriate, named in the application for charter or other officers and directors or managers approved by the commissioner; and
- (3) Complied with all other requirements of this chapter relative to the organization of a state trust company.

§ 81-27-4.106. Required capital.

(a) The commissioner may not issue a charter to a state trust company having required capital of less than Two Million Dollars (\$2,000,000.00) except as provided in subsection (b) of this section.

(b) The commissioner may require additional capital for a proposed or existing state trust company or, on application in the exercise of discretion consistent with protecting safety and soundness, reduce the amount of minimum capital required for a proposed or existing state trust company, if the commissioner finds the condition and operations of an existing state trust company or the proposed scope or type of operations of a proposed state trust company requires additional, or permits reduced, capital consistent with the safety and soundness of the state trust company. The safety and soundness factors to be considered by the commissioner in the exercise of such discretion include but are not limited to,

- (1) The nature and type of business conducted;
- (2) The nature and degree of liquidity in assets held in a corporate capacity;
- (3) The amount of fiduciary assets under management;
- (4) The type of fiduciary assets held and the depository of such assets;
- (5) The complexity of fiduciary duties and degree of discretion undertaken;
- (6) The competence and experience of management;
- (7) The extent and adequacy of internal controls;
- (8) The presence or absence of annual unqualified audits by an independent certified public accountant;
- (9) The reasonableness of business plans for retaining or acquiring additional capital; and
- (10) The existence and adequacy of insurance obtained or held by the trust company for the purpose of protecting its clients, beneficiaries and grantors.

(c) The proposed effective date of an order requiring an existing state trust company to increase its capital must be stated in the order as on or after the twenty-first day after the date the proposed order is mailed or delivered. Unless the state trust company requests a hearing before the commissioner in writing before the effective date of the proposed order, the order becomes effective and is final and nonappealable. This subsection does not prohibit an application to reduce capital requirements of a proposed or an existing state trust company under subsection (b) of this section.

(d) Subject to subsection (b) of this section and Section 81-27-4.301, a state trust company to which the commissioner issues a charter shall at all times maintain capital in at least the amount required under subsection (a) of this section, plus any additional amount or less any reduction the commissioner directs under subsection (b) of this section.

§ 81-27-4.107. Application of laws relating to general business corporations.

(a) The Mississippi Business Corporation Act applies to a trust company to the extent not inconsistent with this chapter or the proper business of a trust company, except that:

(1) A reference to the Secretary of State means the commissioner unless the context requires otherwise; and

(2) The right of shareholders or participants to cumulative voting in the election of directors or managers exists only if granted by the state trust company's articles of association.

(b) Unless expressly authorized by this chapter or a rule or regulation of the commissioner, a trust company may not take an action authorized by the Mississippi Business Corporation Act regarding its corporate status, capital structure, or a matter of corporate governance, of the type for which the Mississippi Business Corporation Act would require a filing with the Secretary of State if the trust company were a business corporation, without first submitting the filing to the commissioner for the same purposes for which it otherwise would be required to be submitted to the Secretary of State.

(c) The commissioner may adopt rules or regulations to limit or refine the applicability of subsection (a) of this section to a trust company or to alter or supplement the procedures and requirements of the Mississippi Business Corporation Act applicable to an action taken under this article.

(d) Amendment or restatement of the articles of association of a state trust company and approval of the board and shareholders or participants must be made or obtained in accordance with provisions of the Mississippi Business Corporation Act for the amendment or restatement of articles of incorporation except as otherwise provided by this chapter or rules or regulations adopted under this chapter. (b) A series of shares or participation shares may be established in the manner provided by the provisions of the Mississippi Business Corporation Act as if the state trust company were a domestic corporation, but the shares or participation shares of the series may not be issued and sold except upon compliance with this section. 81-27-4.301. Private trust company.

81-27-4.302. Requirements to apply for and maintain status as a private trust company.

81-27-4.303. Conversion to public trust company.

§ 81-27-4.301. Private trust company.

(a) A private trust company engaging in the trust business in this state shall comply with each and every provision of this chapter applicable to a trust company unless expressly exempted therefrom in writing by the commissioner pursuant to this section, by rule or regulation adopted by the commissioner or under a predecessor statute.

(b) A private trust company or proposed private trust company may request in writing that it be exempted from specified provisions of Sections 81-27-2.105(b), 81-27-4.102(k), 81-27-4.104(a), 81-27-4.106(a), 81-27-5.002, 81-27-5.101(b), (c) and (d), 81-27-5.105 and 81-27-5.201. The commissioner may grant the exemption in whole or in part if the commissioner finds that the private trust company does not and will not transact business with the general public. For purposes of this section:

(1) "Transact business with the general public" means any sales, solicitations, arrangements, agreements, or transactions to provide trust or other business services, whether or not for a fee, commission, or any other type of remuneration, with any client that is not a family member or a sole proprietorship, partnership, joint venture, association, trust, estate, business trust, or other company that is not one hundred percent (100%) owned by one or more family members;

(2) "Family member" means any individual who is related within the fourth degree of affinity or consanguinity to an individual or individuals who control a private trust company or which is controlled by one or more trusts or charitable organizations established by such individual or individuals; and

(3) All individuals who control a private trust company or establish trusts or charitable organizations controlling such private trust company must be related within the second degree of affinity or consanguinity.

(c) At the expense of the private trust company, the commissioner may examine or investigate the private trust company in connection with an application for exemption. Unless the application presents novel or unusual questions, the commissioner shall approve the application for exemption or set the application for hearing not later than the sixty-first day after the date the commissioner considers the application complete and accepted for filing. The commissioner may require the submission of additional information as considered necessary to an informed decision.

(d) Any exemption granted under this section may be made subject to conditions or limitations imposed by the commissioner consistent with this chapter.

(e) The commissioner may adopt rules and regulations defining other circumstances that do not constitute transaction of business with the public, specifying the provisions of this chapter that are subject to an exemption request, and establishing procedures and requirements for obtaining, maintaining, or revoking exempt status.

SOURCES: Laws, 1998, ch. 437, § 1, eff from and after July 1, 1998.

§ 81-27-4.302. Requirements to apply for and maintain status as a private trust company.

(a) Application.

(1) A private trust company requesting an exemption from the provisions of this chapter pursuant to Section 81-27-4.301 shall file an application with the commissioner containing the following:

(A) A nonrefundable application fee as set by the commissioner;

(B) A detailed statement under oath showing the private trust company's assets and liabilities as of the end of the month previous to the filing of the application;

(C) A statement under oath of the reason for requesting the exemption;

(D) A statement under oath that the private trust company is not currently transacting business with the public and that the company will not conduct business with the public without the prior written permission of the commissioner;

(E) The current street mailing address and telephone number of the physical location in this state at which the private trust company will maintain its books and records, together with a statement under oath that the address given is true and correct and is not a United States Postal Service post office box or a private mail box, postal box, or mail drop; and

(F) Listing of the specific provisions of the chapter for which the request for exemption is made.

(2) The commissioner shall not approve a private trust company exemption unless the application is completed as required in paragraph (1) of this subsection.

(b) Requirements.

(1) To maintain status as an exempt private trust company under this chapter, the private trust company shall comply with the following:

(A) An exempt private trust company shall not transact business with the public.

(B) An exempt private trust company shall file an annual certification that it is maintaining the conditions and limitations of its exempt status. This annual certification shall be filed on a form provided by the commissioner and be accompanied by a fee determined by the commissioner. The annual certification shall be filed on or before June 30 of each year. No annual certification shall be valid unless it bears an acknowledgment stamped by the department. The department shall have thirty (30) days from the date of receipt to return a copy of the acknowledged annual certification to the private trust company. The burden shall be on the exempt private trust company to notify the department of any failure to return an acknowledged copy of any annual certification within the thirty-day period. The commissioner may examine or investigate the private state trust company periodically as necessary to verify the certification.

(C) An exempt private trust company shall comply with the principal office provisions of Section 81-27-2.003 and with the address and telephone requirements of subsection (a)(1)(E) of this section.

(D) The exempt private trust company shall pay the corporation franchise tax under Section 27-13-1 et seq.

(c) Change of control. Control of an exempt private trust company may not be transferred or sold with exempt status. In any change of control, the acquiring control person must comply with the provisions of this chapter and the exempt status of the private trust company shall automatically terminate upon the effective date of the transfer. A separate application for exempt status must be filed if the acquiring person wishes to obtain or continue an exemption pursuant to this section.

(d) Authority to revoke. The commissioner shall have authority to revoke the exempt status of a private trust company in the following circumstances:

(1) The exempt private trust company makes a false statement under oath on any document required to be filed by the chapter or by any rule or regulation promulgated by the commissioner; or

(2) The exempt private trust company fails to submit to an examination as required by Section 81-27-2.003; or

(3) The exempt private trust company withholds requested information from the commissioner; or

(4) The exempt private trust company violates any provision of this section applicable to exempt private trust companies.

(e) Notification of revocation of exemption. If the commissioner determines from examination or other credible evidence that an exempt private trust company has violated any of the requirements of this section, the commissioner may by personal delivery or registered or certified mail, return receipt requested, notify the exempt private trust company in writing that the

private trust company's exempt status has been revoked. The notification must state grounds for the revocation with reasonable certainty. The notice must state its effective date, which may not be before the fifth day after the date the notification is mailed or delivered. The revocation takes effect for the private trust company if the private trust company does not request a hearing in writing before the effective date. After taking effect the revocation is final and nonappealable as to that private trust company, and the private trust company shall be subject to all of the requirements and provisions of the act applicable to nonexempt state trust companies.

(f) Compliance period. A private trust company shall have five (5) calendar days after the revocation is effective to comply with the provisions of this chapter from which it was formerly exempt. If, however, the commissioner determines, at the time of revocation, that the private trust company has been engaging in or attempting to engage in acts intended or designed to deceive or defraud the public, the commissioner may shorten or eliminate, in the commissioner's sole discretion, the five (5) calendar days compliance period.

(g) Remedies for failure to comply. If the private trust company does not comply with all of the provisions of this chapter, including such capitalization requirements as have been determined by the commissioner as necessary to assure the safety and soundness of the private trust company, within the prescribed time period, the commissioner may:

(1) Institute any action or remedy prescribed by this chapter, or any applicable rule or regulation, or

(2) Refer the private trust company to the Attorney General for institution of a quo warranto proceeding to revoke the charter.

(h) Private trust company under prior law. A private trust company that currently has a valid exemption under a predecessor statute is considered exempt under this chapter.

SOURCES: Laws, 1998, ch. 437, § 1, eff from and after July 1, 1998.

§ 81-27-4.303. Conversion to public trust company.

(a) A private trust company may terminate its status as a private trust company and commence transacting business with the general public. A private trust company desiring to commence transacting business with the general public shall file a notice on a form prescribed by the commissioner, which shall set forth the name of the private trust company and an acknowledgement that any exemption granted or otherwise applicable to the private trust company pursuant to Section 81-27-4.301 shall cease to apply on the effective date of such notice, furnish a copy of the resolution adopted by the board authorizing the private trust company to commence transacting business with the general public, and pay the filing fee, if any, prescribed by the commissioner.

(b) The notificant may commence transacting business with the general public on the thirty-first day after the date the commissioner receives the notice, unless the commissioner specifies an earlier or later date.

(c) The thirty-day period of review may be extended by the commissioner on determination that the written notice raises issues that require additional information or additional time for analysis. If the period for review is extended, the notificant may commence transacting business with the public only on prior written approval by the commissioner.

(d) The commissioner may deny approval of the notice of the private trust company to commence transacting business with the general public if the commissioner finds that the notificant lacks sufficient financial resources to undertake the proposed expansion without adversely affecting its safety or soundness or that the proposed transacting of business of the general public would be contrary to the public interest or if the commissioner determines that the notificant will not within a reasonable period be in compliance with any provision of this chapter from which the notificant had been previously exempted pursuant to Section 81-27-4.301.

(b) The aggregate loans and extensions of credit outstanding at any time to insiders of the state trust company may not exceed an amount equal to fifteen percent (15%) of the state trust company's capital. All covered transactions between an insider and a state trust company must be engaged in only on terms and under circumstances, including credit standards, that are substantially the same as those for comparable transactions with a noninsider.

(c) The commissioner may adopt rules or regulations to administer and carry out this section, including rules to establish limits, requirements, or exemptions other than those specified by this section for particular classes or categories of loans or extensions of credit, and establish collective lending and investment limits.

(d) The commissioner may determine whether a loan or extension of credit putatively made to a person will be attributed to another person for purposes of this section.

(e) A state trust company may not lend trust deposits, except that a trustee may make a loan to a beneficiary of the trust if the loan is expressly authorized or directed by the instrument or transaction establishing the trust.

(f) An officer, director, manager, managing participant, or employee of a state trust company who approves or participates in the approval of a loan with actual knowledge that the loan violates this section is jointly and severally liable to the state trust company for the lesser of the amount by which the loan exceeded applicable lending limits or the state trust company's actual loss and remains liable for that amount until the loan and all prior indebtedness of the borrower to the state trust company has been fully repaid. (b) Rental payments received by the trust company in a lease financing transaction under this section are considered to be rent and not interest or compensation for the use, forbearance, or detention of money. (b) Participants of a limited liability trust company may not retain management and must elect a board of managers if:

- (1) Any participant is disqualified from serving as a managing participant under Section 81-27-6.203;

A transferee of a participant's interest has the status of a participant-transferee and does not by the transfer become a participant or obtain a right to participate in the management of the limited liability trust company. A participant-transferee is entitled to receive only a share of profits, return of contribution, or other distributive benefit in respect to the interest transferred to which the participant who transferred the interest would have been entitled. A participant-transferee may become a participant only as provided by the bylaws or the participation agreement.

(b) A limited liability trust company may add additional participants in the same manner as participant-transferees after payment in full of the capital contribution to the limited liability trust company payable for the issuance of additional participation interests.

(2) A vote to dissolve or the execution of a written consent to dissolve by all full liability participants, if any, and a sufficient number of other participants that combined with all full liability participants hold at least two-thirds (⅔) of the participation shares in each class in the association, or a greater fraction as provided by the articles of association;

(3) Except as provided by the articles of association, the death, insanity, expulsion, bankruptcy, retirement, or resignation of a participant unless a majority in interest of all remaining participants elect in writing not later than the ninetieth day after the date of the event to continue the business of the association; or

(4) The occurrence of an event of dissolution specified in the articles of association.

(b) A dissolution under this section is considered to be the initiation of a voluntary liquidation under Subarticle B of Article 7 of this chapter.

(c) An event of dissolution described by subsection (a)(3) of this section does not cancel or revoke a contract to which the state trust company is a party, including a trust indenture or agreement or voluntary dissolution under Subarticle B of Article 7 of this chapter, until the period for the remaining participants to continue the business of the state trust company has expired without the remaining participants having completed the necessary action to continue the business of the state trust company.

If the purchasing trust institution acts under written contract of agency approved by the commissioner that specifically names each creditor and the amount to be paid each, and if the agency is limited to the purely ministerial act of paying creditors the amounts due them as determined by the selling institution and reflected in the contract of agency and does not involve discretionary duties or authority other than the identification of the creditors named, the purchasing trust institution:

(1) May rely on the contract of agency and the instructions included in it; and

§ 81-27-8.102. Directors may act.

Any state trust company may place its assets and business under the control of the commissioner for liquidation by a resolution of a majority of its directors or members upon notice to the commissioner, and, upon taking possession of the state trust company, the commissioner, or duly appointed agent, shall retain possession thereof until such state trust company shall be authorized by the commissioner to resume business or until the affairs of the state trust company shall be fully liquidated as provided in this article. When issues of fact are raised by motion, the same may, upon request of any claimant, be determined as in other civil actions. The interest earned on the unclaimed dividend so held shall be applied toward defraying the expenses incurred in the distribution of such unclaimed dividends. The balance of interest, if any, shall be deposited and held as other funds to the credit of the commissioner. After the commissioner has held the unclaimed dividends held in trust under the provisions of this statute for the creditors of the liquidated state trust company for a period of ten (10) years, the commissioner may pay the principal amount of such unclaimed dividends to the State Treasurer, to be held by the State Treasurer without liability for profit or interest until a just claim therefor shall be made by the parties entitled thereto.
